Working in the Wild: Land Rover's Manual for Africa is designed to equip Land Rover users with the practical know-how it takes to make the most of the vehicle's capacity for hard work in hostile conditions. The aim of the authors has been to produce a no-nonsense guide which can be used by virtually anyone to keep a Land Rover running to maximum efficiency and effect almost anywhere on Earth. It is based upon the in-depth operating experience of Land Rover engineers and

users throughout the world over many years. The book looks at every stage of the working life of a Land Rover - the selection and purchasing of the right kind of Land Rover - how to drive it to maximum effect - how to look after it away from conventional workshops - how to avoid problems - how to overcome unavoidable difficulties - and much more. It has been welcomed by international agencies and specialists who themselves have faced the conditions and situations for which it offers advice.

Innovations by Bosch in the field of diesel-injection technology have made a significant contribution to the diesel boom in Europe in the last few years. These systems make the diesel engine at once quieter, more economical, more powerful, and lower in emissions. This reference book provides a comprehensive insight into

the extended diesel fuel-injection systems and into the electronic system used to control the diesel engine. This book also focuses on minimizing emissions inside of the engine and exhaust-gas treatment (e.g., by particulate filters). The texts are complemented by numerous detailed drawings and illustrations. This 4th Edition includes new, updated and extended information on several subjects including: History of the diesel engine Common-rail system Minimizing emissions inside the engine Exhaust-gas treatment systems Electronic Diesel Control (EDC) Start-assist systems Diagnostics (On-Board Diagnosis) With these extensions and revisions, the 4th Edition of Diesel-Engine Management gives the reader a comprehensive insight into today's diesel fuel-injection technology.
