Today's busy Witches can stay on top of it all—the magical and the mundane—with Llewellyn's Witches' Datebook, now featuring enchanting illustrations from award-winning artist Kathleen Edwards. Add a little magic to each day and keep pace with the ever-turning Wheel of the Year with this indispensable, on-the-go tool. You'll find fun, fresh ways to celebrate the sacred seasons and enhance your practice—inspiring Sabbat musings (Elizabeth Barrette), tasty Sabbat recipes (Magenta Griffith), Moon rituals (James Kambos), and animal magic (Lupa). For spellwork, there's astrological information and daily colors. Also included are in-depth articles on charming jewelry (Ellen Dugan), a Witch's mini herb garden (Deborah Blake), spontaneous divining (Autumn Damiana), spellcraft on the fly (Marion Sipe), and more.

Yo, bruja

Agenda 2007 de las Brujas

Desde muy pequeña, Amanda Fuentes es bruja. Siente y presiente lo que otros no ven. Forma parte de una estirpe femenina sabedora de conjuros, preparaciones Sin embargo, no se siente cómoda con este ambiente y, cuando llega el momento, decide llevar una vida normal. Ya de mayor, entregada al estudio de los petroglifos en el Museo Nacional de Costa Rica explora nuevamente ese mundo olvidado, pero, inquietada, decide poner tierra por medio y marcha al Paraguay, a proseguir con su trabajo. Allí conocerá la amistad y el amor, pero ¿conseguirá huir definitivamente de lo que parece su

destino?

Las Brujas de Latrop

Notes on the Assemblage

2020 Butterflies

An inspiring tribute to Hispanic Americans who have made a positive impact on the world This visually stunning book showcases twenty Hispanic and Latino American men and women who have made outstanding contributions to the arts, politics, science, humanitarianism, and athletics. Gorgeous portraits complement sparkling biographies of Cesar Chavez, Sonia Sotomayor, Ellen Ochoa, Roberto Clemente, and many more. Complete with timelines and famous quotes, this tome is a magnificent homage to those who have shaped our nation. In this volume: Adelina Otero-Warren, Bernardo de Galvez, Cesar Chavez, David Farragut, Dennis Chavez, Desi Arnaz, Dolores Huerta, Ellen Ochoa, Helen Rodríguez Trías, Hero Street USA, Ignacio Lozano, Jaime Escalante, Joan Baez, Judy Baca, Julia de Burgos, Luis Alvarez, Rita Moreno, Roberte Clemente, Sonia Sotomayor, and Tomas Rivera

Moon Journal

A guide for crafty kids and their parents mixes a family friendly design with a treasure trove of creative and educational projects that parents and their kids, aged three to twelve, can create together.

Pascualina 2004

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth

of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels." From the Hardcover edition.

Hollywood Witch Hunter

El presente libro ha sido ideado con el objetivo principal de ofrecer a las personas lectoras diferentes miradas y abordajes sobre el fenómeno de la violencia en Paraguay, así como las formas de resistencia que se han generado. Es así que se propone un abordaje multidisciplinario en el que cada autor y autora, desde su especialidad, comparte un análisis de aquellas violencias a menudo desoídas o pormenorizadas. La problematización que proponen busca despertar la atención sobre aquellas cuestiones más estructurales, un poco borrosas aún debido a la preocupante adaptación que generan estas formas de violencia

Llewellyn's 2014 Witches' Datebook

Enrich your magical practice and expand your mind with Llewellyn's 2020 Magical Almanac. For more than twenty-five years, this almanac has provided useful spells, rituals, and ideas that inspire all levels of practitioners to improve their connection to the elements. This year's edition features nearly thirty compelling articles, grouped by element, on magic and yoga, crystal grids, psychic protection, transportation mojo, principles of hermeticism, entropic magic, rituals for personal justice, magic in numbers, pop culture folk saints, and much more.

Portraits of Hispanic American Heroes

In her first novel for young adults, New York Times best-selling author Liz Kessler tells a story about finding a kindred spirit and becoming your true self. Ashleigh Walker is a mediocre student with an assortment of friends, a sort-of boyfriend, and no plans for the future. Then a straight-from-college English teacher, Miss Murray, takes over Ash's class and changes everything. Miss Murray smiles a lot. She shares poetry with curse words in it. She's, well, cool. And she seems to really care about her students. About Ashleigh. For the first time, Ash feels an urge to try harder. To give something — someone

— her best. Before she knows it, Ashleigh is in love. Intense, heart-racing, all-consuming first love. It's strong enough to distract her from worrying about bad grades and her parents' marriage troubles. But what will happen if Miss Murray finds out Ashleigh is in love with her?

LLEWELLYN'S 2019 WITCHES' DATEBOOK.

"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker "The odds of me ever writing a book were approximately Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognizing that our voices and our stories are inextricably intertwined." When Star Wars burst onto the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. I Am C-3PO: The Inside Story reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away.

Ni una menos

Effective Research Data Management (RDM) is a key component of research integrity and reproducible research, and its importance is increasingly emphasised by funding bodies, governments, and research institutions around the world. However, many researchers are unfamiliar with RDM best practices, and research support staff are faced with the difficult task of delivering support to researchers across different disciplines and career stages. What strategies can institutions use to solve these problems? Engaging Researchers with Data Management is an invaluable collection of 24 case studies, drawn from institutions across the globe, that demonstrate clearly and practically how to engage the research community with RDM. These case studies together illustrate the variety of innovative strategies research institutions have developed to engage with their researchers about managing research data. Each study is presented concisely and clearly, highlighting the essential ingredients that led to its success and challenges encountered along the way. By interviewing key staff about their experiences and the organisational context, the authors of this book have created an essential resource for organisations looking to increase engagement with their research communities. This handbook is a collaboration by research institutions, for research institutions. It aims not only to inspire and engage, but also to help drive cultural change

towards better data management. It has been written for anyone interested in RDM, or simply, good research practice.

A beautiful hardback, complete with a pearlescent foil finish and ribbon marker, offering daily, weekly and monthly astrological guidance, affirmations, rituals and journal exercises alongside space to record your journey of self-discovery. Adapt your lifestyle to the phases of the moon and align yourself with the universe to live your life to the full every day.

Narcoland

Scorched noir takes a blistering look at crime along the desert borderlands in these eight tales. From organ smugglers to drug-crazed brujas, this is one collection of caliente Southwestern noir stories.

Scarlet Witch Vol. 2

Exposes the agenda behind the bio-robotic grey aliens' genetic manipulation of certain human races • Reveals the Grey's nature as sophisticated self-aware machines created by a long vanished extraterrestrial civilization • Explains how their quest to capture human souls appears in the historical record from biblical times • Explains how the phenomenon of racism is a by-product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth, explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived. In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans

possess that they do not: souls. Through the manipulation of human DNA, these aliens hope to create their own souls and, thereby, escape the entropic grip of the material universe in favor of the timeless realm of spirit. Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity, such as violence, greed, and maliciousness. Racism, he contends, was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence. Examining historical records, Kerner shows that Jesus, who represented an uncorrupted genetic line, warned his disciples about the threat posed by these alien interlopers, while Hitler, a pure product of this alien intelligence, waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering. Despite the powerful grip the Greys have on humanity, Kerner says that all hope is not lost. Greys exist wholly in the material world, so if we follow the spiritual laws of reincarnation and karma, aiming for enlightenment and rising above the material--a state the Greys are unable to reach--we can free ourselves from their grasp.

The Witch Must Burn

From the moment Iris first learned the truth about witches she knew she was born to fight them. Now, at sixteen, she's got witch hunting down to a science. As the lone girl on the Witch Hunters Special Ops Team, Iris has to work twice as hard to prove her worth. But when an A-list actress is murdered on her watch, that task becomes a hell of a lot harder. But murdered celebrities are just the start a mysterious new hunter has arrived on the scene, and he's as cute as he is deadly. But there's more to Arlo than meets the eye, and there's more at stake than Iris's reputation. Evil is rising in the hills of Hollywood, and it's up to Iris and Arlo to end this battle. Iris is ready to protect the human race at all costs, even if it destroys her. Because that's what witch hunters do. ----- Praise for HOLLYWOOD WITCH HUNTER "Valerie Tejada's Hollywood Witch Hunter shines as bright as the Hollywood sign, with heart stopping intrigue and action and glamour, Tejada weaves a witchy web worthy of Buffy comparisons, while building a new generation of fiercely compelling heroines and villains." - Danielle Paige, New York Times bestselling author of Dorothy Must Die "Fast-paced and fun (and featuring a heroine who needs to be my new bestie), Hollywood Witch Hunter is everything I look for in a book! Where do I sign up to battle witches in Tinseltown?" - Rachel Hawkins, New York Times bestselling author of the Hex Hall series "Part Hollywood satire, part fast-paced action, Hollywood Witch Hunter infuses real-world glitz and glamour with conniving witches, swoony romance and some 007-worthy tech." - Cara Lynn Shultz, author of the Spellbound series "Fast-reading, saucy, and delightfully fun." - School Library Journal "The Mortal Instruments meets 'Buffy the Vampire Slayer' set in the cutthroat world of Hollywood - all featuring a kick-ass Hispanic leading lady. That's enough to get my fingers over the 'pre-order.'" - MTV.com "Valerie Tejada makes a splash with her debut novel." - USA Today "Valerie Tejada's debut novel doesn't hit shelves until July 2015, but the creative premise already has diehard young adult fans on the edge of their seat." - Latina.com "Any fan of Buffy or The Vampire Diaries could easily become obsessed." - Teen Vogue

Bless Me, Ultima

In 1950, after over fifty years of military occupation and colonial rule, the Nationalist Party of Puerto Rico staged an unsuccessful armed insurrection against the United States. Violence swept through the island: assassins were sent to kill President Harry Truman, gunfights roared in eight towns, police stations and post offices were burned down. In order to suppress this uprising, the US Army deployed thousands of troops and bombarded two towns, marking the first time in history that the US government bombed its own citizens. Nelson A. Denis tells this powerful story through the controversial life of Pedro Albizu Campos, who served as the president of the Nationalist Party. A lawyer, chemical engineer, and the first Puerto Rican to graduate from Harvard Law School, Albizu Campos was imprisoned for twenty-five years and died under mysterious circumstances. By tracing his life and death, Denis shows how the journey of Albizu Campos is part of a larger story of Puerto Rico and US colonialism. Through oral histories, personal interviews, eyewitness accounts, congressional testimony, and recently declassified FBI files, *War Against All Puerto Ricans* tells the story of a forgotten revolution and its context in Puerto Rico's history, from the US invasion in 1898 to the modern-day struggle for self-determination. Denis provides an unflinching account of the gunfights, prison riots, political intrigue, FBI and CIA covert activity, and mass hysteria that accompanied this tumultuous period in Puerto Rican history.

Scarlet Witch Vol. 3

The second book in this breakout series that's been called "charming and delectably sweet." (Zoraida Córdova, award-winning author of the Brooklyn Brujas series) Leonora Logroño has finally been introduced to her family's bakery bruja magic—but that doesn't mean everything is all sugar and spice. Her special power hasn't shown up yet, her family still won't let her perform her own spells, and they now act rude every time Caroline comes by to help Leo with her magic training. She knows that the family magic should be kept secret, but Caroline is her best friend, and she's been feeling lonely ever since her mom passed away. Why should Leo have to choose between being a good bruja and a good friend? In the midst of her confusion, Leo wakes up one morning to a startling sight: her dead grandmother, standing in her room, looking as alive as she ever was. Both Leo and her abuela realize this might mean trouble—especially once they discover that Abuela isn't the only person in town who has been pulled back to life from the other side. Spirits are popping up all over town, causing all sorts of trouble! Is this Leo's fault? And can she reverse the spell before it's too late? Anna Meriano's unforgettable family of brujas returns in a new story featuring a heaping helping of amor, azúcar, and magia.

Caretas

Set on the Caribbean coast of Colombia, "Waiting for a hurricane," follows a girl obsessed with escaping both her life and

her country. Emotionally detached from her family and disillusioned with what the future holds, she takes drastic steps, seemingly oblivious to the damage she causes to herself and those around her. "Sexual education" examines the attempts of a student to tally the strict doctrine of abstinence taught at her school with the very different social norms of her social circles. The short stories offer snapshots of lives in turmoil, frayed by relationships, dreams of escape, family taboos and rejection of, and by, society.

El libro de la vida (El descubrimiento de las brujas 3)

This book presents the contemporary history and dynamics of Mexican midwifery - professional, (post)modern or autonomous, traditional and Indigenous - as profoundly political and embedded in differing societal stratifications. By situated politics, the authors refer to various networks, spaces and territories, which are also constructed by the midwives. By politically situated, the authors refer to various intersections, unsettled relations and contexts in which Mexican midwives are positioned. Examining Mexican midwiferies in depth, the volume sharpens the focus on the worlds in which midwives are profoundly immersed as agents in generating and participating in movements, alliances, health professions, communities, homes, territories and knowledges. The chapters provide a complex panorama of midwives in Mexico with an array of insights into their professional and political autonomy, (post)coloniality, body-territoriality, the challenges of defining midwifery, and above all, into the ways in which contemporary Mexican midwiferies relate to a complex set of human rights. The book will be of interest to a range of scholars from anthropology, sociology, politics, global health, gender studies, development studies, and Latin American studies, as well as to midwives and other professionals involved in childbirth policy and practice.

Antiquity Now

There's a new Wicked Witch in Oz—and her name is Dorothy. This digital original novella is the second installment in the prequel arc to the edgy and exciting New York Times bestseller *Dorothy Must Die*. Dorothy Gale is back . . . and she's not the sweet little heroine of Oz anymore. She's power-hungry and vicious, and she leaves a trail of destruction beneath her spike-heeled, magical shoes. But behind the scenes, there's someone else pulling the strings. Someone who doesn't want fame or glory—just control. Glinda of the North brought Dorothy back to Oz for a reason. And in *The Witch Must Burn*, a young maid is about to discover that a witch who says she's Good might be the most dangerous kind of Wicked. *The Witch Must Burn*, by debut author Danielle Paige, is a dark and compelling reimagining of a beloved classic and is perfect for fans of *Cinder* by Marissa Meyer, *Beastly* by Alex Flinn, and *Wicked* by Gregory Maguire.

A Discovery of Witches

En lo más profundo, la consciencia de la humanidad es una y la unidad de la existencia fue demostrada por la ciencia hace tiempo. Por lo que la decadencia y las crisis que atormentan nuestra sociedad no son naturales y menos aún casuales, sino que han sido programadas con mucha antelación por una oligarquía conocida como "el gobierno en la sombra" y van encaminadas a instaurar el sistema de esclavitud más atroz de la historia de la humanidad, después de una previa y drástica reducción de la población. La cara visible de ese gobierno oculto son unas cuantas familias de banqueros que controlan las finanzas a nivel mundial y con ello las políticas de las naciones. "La cuestión que se ha extendido a través de los siglos y que tendrá que ser combatida tarde o temprano es la gente frente a los bancos", advertía John Acton el siglo pasado. En este mundo al que intentan deshumanizar por todas las vías, algunos de nosotros pierden la perspectiva y se olvidan de que, en realidad, somos seres espirituales teniendo una experiencia humana y no al revés, como bien decía Pierre Teilhard de Chardin. Recordar lo anterior es el primer paso que tendremos que dar cada uno de nosotros si queremos cambiar este mundo en uno que nos haga sentir dignos cuando miremos a los ojos de nuestros hijos. El segundo es conocer la verdad, que es la única vía para la libertad, a la que elegí como palabra clave de esta trilogía porque es el ideal que más ha alumbrado mi vida, a lo mejor debido a las influencias del Aguador, bajo cuyos designios e influencias nací hace unos 42 años. No puede haber justicia sin libertad, ni sabiduría sin compasión y, en realidad, ello es el resumen de todos mis escritos. El presente libro describe aspectos de nuestra realidad que van desde lo social hasta la psique humana, desde nuestro día a día hasta la historia oculta de la humanidad, desde las conspiraciones que hay detrás de casi todo hasta los antiguos misterios y desde la ciencia hasta el misticismo, resumiendo lo que aprendí durante mis viajes por este bello mundo y hacia mi propio interior como ser humano.

Martha Stewart's Favorite Crafts for Kids

El 3 de junio de 2015 se produjo un hecho social único: miles de personas salieron a la calle, en distintos puntos de la Argentina, movilizadas por la consigna Ni Una Menos. Veintitrés días antes, un grupo de periodistas había difundido por Twitter la convocatoria "Basta de femicidios" y este dato en el país, y cada treinta horas una mujer es asesinada. El reclamo común nacía como reacción ante la tradición que separaba "víctimas inocentes" de "putitas que algo habrán hecho". La enorme presencia de jóvenes expresaba el repudio a ese modelo. Ya nada sería igual. Este libro cuenta qué se estaba cocinando en la sociedad argentina para llegar a una manifestación semejante. Cómo lo olfatearon y le pusieron palabras las periodistas y artistas, las activistas y militantes que lanzaron una convocatoria que resultó arrasadoramente eficaz. A través de las voces de una veintena de integrantes del colectivo Ni Una Menos, de organizadoras de marchas en diferentes puntos del país, de familiares de víctimas, de dibujantes, de funcionarias, de mujeres que sobrevivieron a la agresión femicida de sus ex parejas, del honesto testimonio de Elena Highton de Nolasco como representante de la Corte Suprema de Justicia y de la notable lucidez de Dora Barrancos, #NiUnaMenos configura una reflexión estremecedora acerca de un hito en la lucha contra la violencia que sufren las mujeres y por la igualdad de derechos. Esta lucha, fortalecida y

visibilizada de una manera insoslayable por las marchas a lo largo y ancho del país ese 3 de junio, hoy interpela a toda la ciudadanía, sin distinción de clases ni procedencias. Como la afirmación contundente del Nunca Más, el grito colectivo y la demanda ante este drama se proyectan con la convicción y la fuerza de los que están dispuestos a dar pelea en todos los planos: ¡Ni Una Menos!

Engaging Researchers with Data Management: The Cookbook

El desenlace de «El descubrimiento de las brujas». Un magistral cierre del suspense y la magia de una trilogía que ha cautivado a millones de lectores en todo el mundo. Tras viajar en el tiempo con La sombra de la noche, la historiadora y bruja Diana Bishop y el genetista Matthew Clairmont vuelven al presente para hacer frente a nuevos problemas y a viejos enemigos. Pero la amenaza real para su futuro todavía está por llegar y, cuando lo hace, la búsqueda del Ashmole 782 y sus páginas perdidas cobra aún mayor urgencia. En casas ancestrales y laboratorios universitarios, haciendo uso de conocimientos antiguos y de la ciencia moderna, desde las colinas de la campiña francesa hasta los palacios de Venecia, la pareja al fin desvelará lo que las brujas descubrieron hace siglos. ¿En qué consistía el secreto encerrado en el misterioso Ashmole 782 y después perseguido incansablemente por daimones, vampiros y brujos? ¿Cómo podrán la bruja Diana y el vampiro Matthew vivir su amor y cumplir con su misión bajo el peso de todas las diferencias que los separan? La gran aventura culmina aquí. La crítica ha dicho «Fantasía para adultos maravillosamente imaginativa, con toda la magia de Harry Potter o Crepúsculo.» People «Tejiendo una historia extraordinariamente rica en magia y ciencia, historia y ficción, pasión y poder, secretos y mentiras, Harkness ha escrito una última entrega de la serie inolvidable y cautivadora que no hay que perderse.» USA Today «Harkness ha hechizado a los lectores con su universo alternativo El libro de la vida rebosa sensualidad, intriga, violencia y un humor muy de agradecer.» Los Angeles Times «Un delicioso broche para la trilogía.» Publishers Weekly «Harkness demuestra ser ella misma una alquimista que combina elementos de magia, historia, romance y ciencia, transformándolos en un fascinante viaje a través del tiempo, el espacio y la geografía.» Booklist «Una saga emocionante y conmovedora.» US Weekly «Desde su impactante arranque, Harkness lanza su propio e imborrable hechizo Es fantástica dando vida a su mágico mundo y manteniendo una narración trepidante que se lee sin poder parar.» The Boston Globe «Harkness triunfa en la parte más difícil del género fantástico: consigue hacer este mundo tan real que uno cree que existe, o al menos desearía que fuera así.» Miami Herald

War Against All Puerto Ricans

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Now "[a] hot show that's like Twilight meets Outlander" (Thrillist) airing Sundays on AMC and BBC America, as well as streaming on Sundance Now and Shudder. Deborah Harkness's sparkling

debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

Midwives in Mexico

Read Me Like a Book

Antonio Marez is six years old when *Ultima* comes to stay with his family in New Mexico.

American Dirt (Oprah's Book Club)

Juan Felipe Herrera, son of Mexican immigrants, is the new Poet Laureate of the U.S., the nation's first Latino laureate."

Love

An inspirational selection of quotations on love from the works of one of the world's most celebrated authors. A beautiful and thought-provoking collection of quotes on the eternal subject of love, selected from the works of one of the world's most widely read and respected authors. With beautiful full-colour artwork throughout, *Love* contains inspirational quotes from such beloved Coelho titles as *Eleven Minutes*, *The Valkyries*, *The Zahir* and, of course, the international bestseller *The Alchemist*. Known as an alchemist of words, Paulo Coelho has an extraordinary and insightful perspective on life, and his words have inspired and won over millions of readers worldwide. Visually stunning and enlightening, this is a must-have book for Coelho fans to treasure.

Love Sugar Magic: A Sprinkle of Spirits

#1 New York Times Bestseller OPRAH'S BOOK CLUB PICK "Extraordinary." —Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." —Sandra Cisneros También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Pérez

lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy—two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia—trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a *Grapes of Wrath* for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

Grey Aliens and the Harvesting of Souls

Scarlet Witch Vol. 1

Collects Scarlet Witch (2015) #11-15. The SCARLET WITCH travels to SERBIA to dive deep into her Romany roots! Who were her parents? Where does she come from? Wanda will discover the answers and seek her revenge!

Fish Soup

Written in a lively and accessible style, *Antiquity Now* opens our gaze to the myriad uses and abuses of classical antiquity in contemporary fiction, film, comics, drama, television - and even internet forums. With every chapter focusing on a different aspect of classical reception - including sexuality, politics, gender and ethnicity - this book explores the ideological motivations behind contemporary American allusions to the classical world. Ultimately, this kaleidoscope of receptions - from calls for marriage equality to examinations of gang violence to passionate pleas for peace (or war) - reveals a 'classical antiquity' that reconfigures itself daily, as modernity explains itself to itself through ever-expanding technologies and media. *Antiquity Now* thus examines the often-surprising redeployment of the art and literature of the ancient world, a geography charged with especial value in the contemporary imagination.

The Practical Witch's Guided Journal

Scorched Noir

Emilia Chandelier es una joven universitaria de veintiún años que vive con su madre en un hermoso pueblo llamado Latrop. Su vida normalmente planificada y controlada en una agenda comienza a desorganizarse cuando unas extrañas criaturas de un pasado no muy lejano invaden su entorno, y un misterioso joven se apodera de sus sueños. Su amor por el joven y la curiosidad por saber de dónde provienen estas criaturas la hacen descubrir que está destinada a encontrar a dos brujas, quienes son la única esperanza que tiene Latrop para no volver a caer en sufrimiento. El miedo, el amor, la pasión, la amistad, los celos y el engaño son algunos de los sentimientos que Emilia encontrará en la jornada que el destino le ha preparado.
