Breaking Toxic Soul Ties

From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from

housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives—even if their circumstances stay the same.

"Soul ties is a subject that can be confusing to many and on many different levels as well. I know this because for a long time I didn't understand the biblical definition of soul ties myself. During my research, the Lord has given me a more clear understanding, so I desire to share what I have learned with others. "Soul ties is a phrase we use to refer to a spiritual connection between two people or between a person and an animal or thing. What I didn't know was that there are different types of soul ties. Most importantly, there are good soul ties and bad soul ties. Being connected to the wrong person or things comes with ramifications. Every person's life is deeply affected by soul ties, whether those soul ties are good or evil."

This is the first time that God began performing miracles, but it would not be the last! Thankfully she comes from a family of believers who knew how to go before the Lord and have the faith to believe that He would perform miracles, but as she grew up her life began taking turns that would lead her astray until her life was plagued with some serious health issues and after being told to prepare for her funeral did she learn that this was the first time in her life that she had to go to God for herself. This book is about why the enemy tries to attack as soon as we enter into this world and how God is fighting for us to make the right decisions because he knows what He has in store for our lives! To everything there is a season and a time to every purpose under the heaven. (Eccl. 3:1) As a believer, you must know when to worship and when it is time to warfare. Remember, "the weapons of our warfare are not carnal but mighty through

God to the pulling down of strongholds." Your worship is one such weapon. You will agree that there is a time in your life when you must transition from worship to Warfare. Your worship can be considered one of the pre-requisites to gaining access and favor into the King's presence. The greater the intensity of your worship the more he empowers you, the believer, to defeat the enemy and overcome every obstacle in your life.

Soul Mates and Twin Flames

Going through this world in relationship with other people inevitably creates connections in our inner being called soul ties. When these relationships are loving, supportive, and nurturing, positive soul ties are created. But if the relationships become abusive or manipulative, or cause rejection, they create a toxic brokenness within our soul that we carry with us, even long after the relationship ends. If these toxic inner soul ties are not severed, we will experience failure, fractured relationships, and even health problems throughout life. In *Breaking Toxic Soul Ties*, Tom Brown describes his own story of rejection and the process of inner healing he experienced. He will help you to identify and diagnose toxic relationships as he explains the difference between positive and negative soul ties. He also shows why toxic soul ties develop and how they can only be broken by a process of inner healing that incorporates confession, forgiveness, and prayer. The truth is, unless your self-image is firmly rooted in the truth of your identity in Christ, you will always be susceptible to bad soul ties. Tom Brown describes the way for you to move forward in life and leave pain and brokenness behind for good!

Forever Soul Ties

The misconception on the subject of soul ties within the Body of Christ has put us in a place of vulnerability towards the deceptions and attacks of the enemy. Being considerably unaware that not all soul ties are formed through sex but some originate through other means that are subtle and least expected. Hence, this book aims to reveal and expose how soul ties can form spiritually, emotionally, mentally or psychologically without you realising. Using the Word of God and help of the Holy Spirit, this book discusses what exactly a soul tie is, ways they form, the manipulative effects they can have on you whilst giving prayerful action plans you can take to sever through them. This manual book is perfect for those who want to grow in Christ and be freed from soul ties.

Sex, Lies and Soul Ties

Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits to be defiled by them: I am the Lord your God." Lev. 19:31

Prayers to Break Negative and Evil Soul Ties, Agreements and Covenants

A guide to discovering the spiritual agreements between our souls and those of our animal companions • Explains how animals have physical or behavioral issues to evolve their souls as well as help our soul's evolution and release past-life karma • Describes what happens energetically and spiritually with animals in the weeks before they transition and during their passing • Includes practical instructions for identifying the different types of animal soul contracts and aligning with them to assist your shared evolutionary journey Animal lovers are extraordinary. Despite awareness that we will probably outlive our beloved pets, we are still drawn, time and time again, to the connection, joy, and unconditional love that come with sharing our lives, homes, and laps with animals. Many of us feel something deeper than just companionship with our animal friends--a heart-to-heart connection felt all the way to the soul level. Revealing the higher purpose and soul mission behind our relationships with our animal companions, Tammy Billups explores the spiritual contracts that are created when a human bonds with an animal and shows how we come into each other's lives for a reason. Providing real-life examples, Billups explains why animals choose, at the soul level, to have certain perceived negative experiences, such as physical or behavioral issues, to evolve their souls, clear karma, and help our soul's evolution. She shows that human and animal souls orchestrate every experience and interaction that holds potential for transformation and healing, including the final transition. She demonstrates the inner dynamics of the animal-human relationship to help animal lovers understand their soul contracts with their pets. The inspirational, real-life examples of animal-human tandem healings that Billups facilitated identify the soul contracts within each pairing that transformed feelings of grief, loss, abandonment, betrayal, trauma, abuse, and anxiety. The author reveals how animals we have previously loved and shared our lives with come back, either on the spirit level or reincarnated in a new animal form, to support us. Offering peace and hope to those who've lost beloved animal companions, she describes what she's witnessed during healing sessions with animals in the weeks before they transition and during their passing. Billups also includes practical instructions for identifying different types of animal soul contracts and connecting with and enlisting the help of your light team or spirit guides. By discovering the soul agreements that underlie our animal partnerships, we can find meaning in the issues that arise with our animals and ourselves, support our souls' mutual evolution, and allow the soul contracts to weave their spiritual magic in the animal-human relationship.

Laugh and Cry Your Way to Freedom

There are good soul ties and bad soul ties, just as there are healthy relationships and unhealthy ones. My wife and I dealt with soul ties, through the ministry of deliverance, long before we had much understanding of them. In fact, long before someone introduced the designation "soul ties," we referred to them as "unholy alliances" or "perverse relationships." Through the deliverance ministry, soul ties are encountered regularly and their power over individuals' lives needs to be broken. Yes, soul ties are real, but what are they? What is the scriptural basis for understanding soul ties? How are they formed? Are they always demonic? What danger is there in soul ties? How can they be broken? In this booklet, Frank Hammond explains the root causes of these ties and how to distinguish between Godly and demonic soul ties.

Breaking Soul Ties

The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception. Each step toward Jesus brings us closer to His image, and we are changed. We emerge free to be exactly whom Father God created us to be. Leaving all secrets with honesty and transparency before God and man, forgiving ourselves and all abusers, we emerge in our true identity with a heterosexual desire. This desire for the opposite sex is as natural as apple pie. Leaving the judgments, the facades, the sins, and all idols, the stark truth remains. Our true identity is found in Jesus Christ alone.

Do you long to experience the intimacy, joy and freedom that comes from being deeply connected, soul and spirit, with your Father God? If so, you must prepare yourself to "waste time" with God. By doing this, you will learn to love more compassionately, give of yourself more freely and take yourself less seriously. Furthermore, you will be able to break free from dependence on others for approval. You can stop your pretense and striving for approval, and instead, sitting quietly with your Father God, you can be confident that you are significant, accepted and loved.
