The priorities of Jesus are stated throughout the Gospels. When you are a sinner, you basically choose between two options: good and evil. As you grow in the Lord, your options increase and you begin to have more to choose from. Now you have to choose between good and good. Whenever Jesus spoke of the first or the foremost issue, He used the Greek word proton . In this book Dag Heward-Mills takes a look at the proton issues, things that Jesus said should be done first. This passionate author takes a look at all the important aspects of our lives like relationships, our faults, our problems, our mistakes and what the priority should be in these aspects. One of the examples is that the Lord wants us to sort out our relationships before we come to Him
