Ford is to automobile what Best is to tractors. Making Tracks: C.L. Best and the Caterpillar Tractor Co. is a complete picture of Clarence Leo Best and why he was driven to live up to his name—Best. Read about the little-known history of the name behind the success of the historical California company, the Caterpillar Tractor Co. Best's life was varied and intriguing; designing and building tractors, raising cattle, fistfights in the boardroom, lawsuits and hostile takeovers, and mining gold were a few of the experiences that punctuate the chapters of this brilliant life. Ultimately, Best's improvements to the track-type tractor concept allowed the Caterpillar Tractor Co. to become the world's road builder and so much more. This story follows Best through his life, from working for his father through starting and operating his own company to being chairman of the

board for the Caterpillar Tractor Co. for twenty six years. To complete the profile of the man as well as the entrepreneur, the authors interviewed Best's only son and were granted access to countless family photos and records.

This is the first book in the Mind/Body Medicine series, Healing Yourself With The Power Of Your Mind. We evaluate the causes of Illness, Disease and Behavioral and mental Dysfunctions. We Examine How The Mind Functions in in relation to how it reacts to sensory information it is picking up. Illness, Disease only exist as programs in our mind. They are not realities until we accept and make them happen. Our perception and belief is what causes illness and disease which cause the breakdowns in our body. Are you ready to find the answers to peace. happiness, joy, harmony, unconditional love and success in your life? Many times we think we are to change, yet when we come face to face with the changes that will provide us the opportunity to shift our path, we reject and avoid or run from the required changes. Do you find yourself in boxes and traps of self imposed limitations unable to escape? are you ready to find the answers to these dilemmas? Are you ready for miracles in your life? We block miracles by our resistance and illusions, doubt and fear. Ferar is simply False Evidence Appearing Real.. Sickness is a defense against the truth. Are you ready to face the truth who could be if you would face your issues? All we need to know is the base cause,

the original core issue which is causing the breakdown to manifest. Your Body will tell the truth. Are you willing to listen what your Subconscious Mind will reveal to us with the use of Kineasiology? (muscle testing) Are you willing to listen to your minds history of what happened to you to put you on a detour and take you off track to success? If so , this is your "how to" manual to guide you to success in your life.
