"It should be emphasized that Paul never calls himself a prophet, nor is he titled so by Luke. This fact, though very important, does not do away with the quest for prophetic elements and features in Paul's ministry. It is in fact a commonplace in Pauline scholarship that Paul's apostolate was more or less marked by prophetic features. This agreement is based upon several, but also different kinds of observations" -- Introduction, p. 2.

Bible Prophecy

Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church. He presents a comprehensive history of prophecy from ancient Israel onwards and closely examines the development of theological discourse about it.

A Walk through End Times Bible Prophecy

Download Ebook Christian Prophecy The Post Biblical Tradition

In his pathbreaking *Israel in Egypt* James K. Hoffmeier sought to refute the claims of scholars who doubt the historical accuracy of the biblical account of the Israelite sojourn in Egypt. Analyzing a wealth of textual, archaeological, and geographical evidence, he put forth a thorough defense of the biblical tradition. Hoffmeier now turns his attention to the Wilderness narratives of Exodus, Leviticus, and Numbers. As director of the North Sinai Archaeological Project, Hoffmeier has led several excavations that have uncovered important new evidence supporting the Wilderness narratives, including a major New Kingdom fort at Tell el-Borg that was occupied during the Israelite exodus. Hoffmeier employs these archaeological findings to shed new light on the route of the exodus from Egypt. He also investigates the location of Mount Sinai, and offers a rebuttal to those who have sought to locate it in northern Arabia and not in the Sinai peninsula as traditionally thought. Hoffmeier addresses how and when the Israelites could have lived in Sinai, as well as whether it would have been possible for Moses to write down the law received at Mount Sinai. Building on the new evidence for the Israelite sojourn in Egypt, Hoffmeier explores the Egyptian influence on the Wilderness tradition. For example, he finds Egyptian elements in Israelite religious practices, including the use of the tabernacle, and points to a significant number of Egyptian personal names among the generation of the exodus. The origin of Israel is a subject of much debate and the wilderness tradition has been marginalized by those who challenge its credibility. In *Ancient Israel in Sinai*, Hoffmeier brings the Wilderness tradition to the forefront and makes a case for its authenticity based on solid

evidence and intelligent analysis.

The Late Great Planet Earth

This text offers a thorough examination of Bible prophecy asking questions such as: can the Bible be used as a crystal ball to predict the future? Are modern events fulfilments of the things detailed in the book of Revelations?

Dictionary of the Bible Dealing with Its Language, Literature, and Contents

Want to know the future? Discover more about it in God's Word! This careful study of the Bible's prophetic passages provides intriguing insights into each one. Throughout its pages, the Bible offers glimpses of what is yet to come—the end of the world as we know it. Some of those glimpses are beautiful, others mysterious. .all of them fascinating. Reviewing relevant passages from the Old Testament books of Ezekiel and Daniel and the New Testament's final Revelation, the Bible Prophecy Handbook unveils the future in an amazing tapestry of images. You'll be amazed at what you find!

God's Man in the White House

Judaism, Christianity, and Islam all feature parallel accounts of the "end times," and all three accounts feature a messianic Savior, an apocalyptic final war between good and evil, and a central role for the city of Jerusalem. Do these three "end times" scenarios intersect in some way? In a world that cries out for peace, which will prevail-Jesus or jihad?

Jewish Post-Biblical History through Great Personalities

Explores the New Testament book of Revelation in a historical first-century context, reinterpreting the book as a scathing attack on the decadence of Rome that was subsequently adopted by early Christians as a weapon against heresy.

On the Question of the "Cessation of Prophecy" in Ancient Judaism

History, Ideology and Bible Interpretation in the Dead Sea Scrolls

Diverse approaches to biblical theology This volume presents a collection of studies on the methodology for conceiving the theological interpretation of the

Hebrew Bible among Jews and Christians as well as the treatment of key issues such as creation, the land of Israel, and divine absence. Contributors include Georg Fischer, SJ, David Frankel, Benjamin J. M. Johnson, Soo J. Kim, Wonil Kim, Jacqueline E. Lapsley, Julia M. O'Brien, Dalit Rom-Shiloni, Marvin A. Sweeney, and Andrea L. Weiss. Features: Examination of metaphor, repentance, and shame in the presence of God Ten essays addressing the nature of biblical theology from a Jewish, Christian, or critical perspective Discussion of the changes that have taken place in the field of biblical theology since World War II

Fulfilled Prophecy, in Proof of the Truth of Scripture

Paul, One of the Prophets?

In this volume, Marvin A. Sweeney builds upon his former work *Form and Intertextuality in Prophetic and Apocalyptic Literature* (FAT 45, 2005). He introduces further studies that take up several key issues, including the reading of prophetic books in their final literary form and the significance of textual versions for this reading. He also observes the intertextual relationships between the prophets and other works of biblical and post-biblical literature, and the reception of the prophetic books. Following an introduction that lays out methodological

perspective, it includes the title essay for the volume, Reading Prophetic Books, as well as selections of papers devoted to Isaiah, Jeremiah in both its Masoretic and Septuagint forms, Ezekiel, individual books from the Twelve Prophets, and the reading of biblical texts in Qumran, Rabbinic, and Targumic literature.

Reading Prophetic Books

This book provides the reader with: A brief explanation of Christian millennial positions A look at the prophetic visions of Nebuchadnezzar, Daniel, and the apostle John, to see how they all align A look at the events that are to occur during the Tribulation Period And the final culmination of this age in the last great battle of Armageddon.

Arab Spring, Christian Winter

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're

Download Ebook Christian Prophecy The Post Biblical Tradition

a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Standing in absolute opposition to each other are two distinct groups. One side, who proclaim that he can do nothing right. The other side, who believe he has been particularly selected by God, with a host of unusual skills, for just such a time as this. Both can not be right! And so, a political, moral and spiritual battle is

Download Ebook Christian Prophecy The Post Biblical Tradition

raging in America and around the world about President Donald J. Trump. Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one, that he is God's man for the White House for this particular hour. In this book, *God's Man in the White House*, Professor James A. Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago, and provides the political and religious context for the ongoing prophecies and controversies about the 45th president. Here is the most complete collection of over 500 prophecies and statements made by more than 100 prophets and top Christian leaders, including: Kim Clement, Mark Taylor, Lance Wallnau, Lana Vawser, Lou Engle, Jeremiah Johnson, Michael Brown, Frank Amedia, Franklin Graham, Jerry Falwell, Jr., Paula White, Stephen Strang, Robert Jeffress, Rodney Howard-Browne, Jim Garlow, and James Dobson. Whatever your view- you will benefit greatly from this collection.

Jewish Post-Biblical History Through Great Personalities from Jochanan Ben Zakkai Through Moses Mendelssohn

Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple, straightforward language and clear understanding of the Scripture. Now enjoy his personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines and a thorough, paragraph-by-paragraph discussion of the text. A great choice for pastors - and even better choice for the average Bible reader and student! Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or individually.

Post Tribulation Rapture

Do you wish you clearly understood the different views of the millenium and know

Download Ebook Christian Prophecy The Post Biblical Tradition

why you believe which view you hold to? General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth. Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel, and the crucial differences between Israel (as a people and a nation) and the New Testament church. Christ's Prophetic Plans offers the reader John MacArthur's most explicit writing on eschatology and is perfect for pastors, bible professors, teachers, and students with a heart and mind for discovering Biblical truth. This primer takes you on a Biblical study of questions surrounding prophecy, Israel, the rapture, and the different millennial views. The fruit of such study is great as God specifically promises His blessing on those who know and obey the things of biblical prophecy (Revelation 1:3; 22:7).

The Philosophy of the Bible

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the “mark of the beast,” variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of

Download Ebook Christian Prophecy The Post Biblical Tradition

powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

Jewish Dreams and Realities Contrasted with Islamic and Christian Claims

Four Views on the Book of Revelation

A foundational law promoting worship of the God of the Exodus (the Decalogue's First Commandment) has little meaning without a government policy permitting such worship. Robert Kimball Shinkoskey discusses policies in the Bible which enact freedom of religion for prophets and other dissidents who work to restore worship of the God of their ancestors. In the process, he challenges the theological idea of the cessation of prophecy. New revelation from God is necessary to rescue

ancient Israel from backsliding and restore her to a place of security and tranquility in a Mediterranean world gone mad with imperial war-making.

Biblical Inspiration and the Authority of Scripture

Bible Prophecy Handbook

Every person on Earth will one day stand before God and give an account of what they have done, whether it be good or evil, in addition to their acceptance or rejection of Jesus Christ, the Son of God, as their personal Saviour. Whether or not you believe it, Jesus Christ is coming back again to judge the world for their iniquity. That's what God's prophets have said and His prophets have never been wrong! From a pre-millennial viewpoint, "Post Tribulation Rapture" evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man's history. Will there be signs of Christ's coming? Will everyone see Him coming? Does Christ return two more times? What is the "Day of the Lord"? Who are the "elect" people on Earth? When will the Antichrist be revealed? Is the return of Christ imminent? Who will populate the kingdom? What are the three main rapture positions? How do they differ? Who is the restrainer? "Post Tribulation Rapture" includes fourteen detailed charts and an

extensive glossary/dictionary defining the most commonly used phrases and terms in Bible prophecy.

A Dictionary of the Bible: Extra volume, containing articles, indexes and maps

Christ's Prophetic Plans

“If you want to better understand how today’s headlines might be fulfilling biblical prophecy, then read this book This book will help ensure that your faith is built on Christ alone and the assurance of spending eternity with Him, not the sometimes-scary flow of history. You will also get a complete education on Islam and its possible role in the End Times.” Joel Richardson New York Times bestselling author and internationally recognized teacher Arab Spring, Christian Winter will help you tie newspaper headlines to your scriptural knowledge of the Last Days. Ralph Stice draws a clear link between the Arab Spring and the rise of a worldwide power that appears to be ushering in the coming Antichrist. This book will also show you what you need to watch for in tomorrow’s news and guide you on how to fortify your faith for stormy days ahead. The Western Church has much to learn from Christian brothers and sisters in the Middle East. Familiar Scripture passages are unfolding

with new clarity to believers everywhere. Learn: · Why the Arab Spring had to happen to fulfill scriptural prophecy · How the Arab Spring led to the unleashing of pure Islam · Which nation could be the crucial link between East and West and produce an Antichrist figure · The responses of Middle Eastern Christians to intense persecution and what we Western believers can learn from them Fear not! He will never leave us nor forsake us (Hebrews 13:5). We will discover Jesus in a fresh way when we face true persecution. How will your faith withstand the great distress, unequalled from the beginning of the world until now—and never to be equaled again (Matthew 24:21)? Brothers and sisters in Christ are facing this reality every day, right now.

Biblical Commentary on the Prophecies of Isaiah

It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology. Meanwhile, conservative evangelical theologians guard against the introduction of new ideas. In an effort to make headway through this gridlock, Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts, and if so, what this might entail for the authority of Scripture. Taken together, the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible.

Reading Prophetic Books

In this volume, Devorah Dimant assembles twenty-seven thoroughly updated and partly rewritten articles discussing various aspects of the Dead Sea Scrolls that she published over the past three decades. An introductory essay written especially for this volume surveys the present state of research on the Scrolls. Dealing with major themes developed in the Dead Sea Scrolls, the author reflects the rapid expansion and change of perspective that has taken place in research on the collection in recent years following its full publication. Among the topics treated are the nature and contents of the Scrolls collection as a whole, the specific literature of the community that owned this collection, the Aramaic texts and the apocryphal and pseudepigraphic works found therein. The volume also includes discussions of particular themes such as the history of the community related to the Scrolls, its self-image and particular interpretation of biblical prophecies, and its notion of time.

Revelations

Learning Christ represents a thorough reevaluation of Ignatius as author and theologian, demonstrating that his seven authentic letters present a sophisticated and cohesive vision of the economy of redemption. Gregory Vall argues that

Download Ebook Christian Prophecy The Post Biblical Tradition

Ignatius's thought represents a vital synthesis of Pauline, Johannine, and Matthean perspectives while anticipating important elements of later patristic theology. Topics treated in this volume include Ignatius's soteriological anthropology, his Christology and nascent Trinitarianism, his nuanced understanding of the relationship between Judaism and Christianity, and his ecclesiology and eschatology.

Catholicism

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Christian Prophecy

Learning Christ

THE FINAL REVELATION YOUR GULID TO Bible prophecy and

future events of THE Bible

This book explains how Roman Catholicism and its beliefs and practices came to be what they are. The authors move through history to sum up the present characteristics of Catholic Christianity and the major tests it faces in the third millennium. Explaining matters in a fresh and original way, they do justice to the Catholic heritage and show that Catholicism is a dynamic and living faith. Well-structured, highly informative, and clearly written, the book does not evade critical problems and the negative side of history. Rather, O'Collins and Farrugia explore challenges facing Catholics and other Christians and engage with contemporary moral issues. --Book cover,

Theology of the Hebrew Bible, Volume 1

Revised version of the author's thesis (Ph.D.)--Catholic University of America, Washington, D.C., 2009, titled: The question of the "cessation of prophecy" in ancient Judaism.

The Hebrew Christian witness [afterw.] Hebrew Christian witness and prophetic investigator

Revelation

Jewish-Christian contact and controversy were central to early Christian experience. An understanding of this interaction and its continuation over the centuries is also central to any true understanding of the history of Christianity and of the history of Judaism. The twelve chapters of this book deal especially with the interconnected subjects of polemic and biblical interpretation. Nine are concerned with the ancient world, beginning with post-exilic Jewish writing and the New Testament and going on to later pagan, Jewish and Christian controversies. Three concentrate on medieval and early modern Jewish controversies. William Horbury makes an important contribution to the understanding of abundant primary sources, both Jewish and Christian, which remain in large part under-explored.
