### **CISA Exam-Study Guide by Hemang Doshi**

Essential CISA has been written with a single goal in mind - to present the CISA material in a way that is easy to absorb without leaving any content behind. Plenty of examples are included to drive the points home so that when it comes time to take the CISA exam, you are ready! This exam guide covers all five ISACA domains, including: \* The Process of Auditing Information Systems \* Governance and Management of IT \* Information Systems Acquisition, Development and Implementation \* Information Systems Operations, Maintenance and Service Management \* Protection of Information Assets Over 250 exam text questions are included. Instead of presenting both technical details and auditing information at the same time, Essential CISA breaks the topics down into their own chapters. This means that you have a firm grounding in the technical details before diving into how to audit the various areas. This book is also available as an audio book read by the author.

After launch of Hemang Doshi's CISA Video series, there was huge demand for simplified text version for CISA Studies. This book has been designed on the basis of official resources of ISACA with more simplified and lucid language and explanation. Book has been designed considering following objectives:\*

- \* CISA aspirants with non-technical background can easily grasp the subject.
- \* Use of SmartArts to review topics at the shortest possible time.\*
- \* Topics have been profusely illustrated with diagrams and examples to make the concept more practical and simple.
- \* To get good score in CISA, 2 things are very important. One is to understand the concept and second is how to deal with same in exam. This book takes care of both the aspects.\*
- \* Topics are aligned as per official CISA Review Manual. This book can be used to supplement CRM.\*
- \* Questions, Answers & Explanations (QAE) are available for each topic for better understanding. QAEs are designed as per actual exam pattern.
- \* Book contains last minute revision for each topic.
- \* Book is designed as per exam perspective. We have purposefully avoided
