I Am A Cancer Warrior: 20 Powerful Mantras to Color features single-sided coloring pages with motivational, encouraging and empowering sayings and affirmations specifically for those fighting cancer. Coloring is a highly creative and meditative activity that can have powerful therapeutic anti-stress and relaxation benefits. It activates the brain's right hemisphere, reducing stress, and promoting a relaxed, meditative state by focusing the brain on the "here and now"- the feelings of positivity and calm that we experience when we color! This book combines these benefits of coloring with the specifically chosen sayings of empowerment and encouragement for cancer warriors! Sayings: * YOU are EXTRAORDINARY* Brave, strong, TOUGH enough* What does not kill us makes us STRONGER* This cancer will CRY, then WITHER and DIE* YOU are BRAVE* No stupid cancer is going to get in the WAY of ME and the rest of MY LIFE* I will RISE* My body and mind are HEALTHY and STRONG* I will live to tell the story of this stupid cancer that I CRUSHED like a BUG* Strength* Just focus on your HEALTH, don't WORRY about anything ELSE* My

SPIRIT is a WARRIOR* I CAN and I WILL* Dear Cancer, You're going DOWN. Yours truly, _____* Just another day BEATING the PANTS off cancer* Never a victim* I may look FRAIL, but I'm kickin' cancer's TAIL* No stinkin' cancer is going to get in the way of ME and the REST of my LONG, HEALTHY, HAPPY LIFE* My body belongs to ME. Get lost, cancer.* Don't look back. You're not going that way. I created this book to help you get through the tough days, to help strengthen you, to give you some joy and empowerment when the going gets rough. You are a fighter. You are a WARRIOR.

The Candy Crush Colouring Book

This is a very serious adult coloring book. FOR GROWNUPS. Here's the thing, at some point we all grew up and stopped coloring. We stopped tapping into that source of pure creative genius, and started following rules. We forgot what creative freedom really felt like. We learned how to be functionally creative - as in, doing the things we are supposed to do. Usually other people's things. Because they wanted us to. Sometimes for money, sometimes as a favor. We forgot how it felt to create just because, and to do it our way. The adult coloring craze is a symptom of what we've lost, as grownups struggle to find peace and happiness in the face of a dream-crushing workplace and financial insecurity. But it isn't enough. Yes, colors can make you feel good. But those black lines on the page might as well be prison bars, locking up the creative child within who wants to color what they see in their imagination - not some other artist's. This BOOK WILL ASK YOU TO DO SOMETHING MUCH MORE DARING. It may challenge you. I want you to color without lines. I want you to color for yourself, without worrying about how "good" it is. Nobody else has to see this. This is just for you. And while I want to liberate your creativity, I also understand the importance, for adults, of doing meaningful things, and making the best use of your time. I understand you might feel silly for "wasting time" on coloring ridiculous things. And I know it may be hard to think of what to color. SO I'm going to lead you on an adventure of guided coloring exercises. These exercises are designed to be fun, but are also pragmatic. We'll be addressing your repressed dreams, your secret desires, your darkest fears. I'm going to use this book as an advanced-level form of aesthetic psycho-therapy, and through the coloring process you'll be exorcising your demons, slaying your dragons, and discovering the pot of gold at the end of your rainbow. This will be a fantastic journey, as grand as you can imagine it, with no pesky black lines to reign in your magical powers of creation. This isn't a test. If you don't know what something I ask you to draw looks like, find a picture online to copy. This also isn't a game: visualization is a powerful goal-setting technique. Think of this book like a vision board. Not only will these exercises strengthen and empower you, and fill you with confidence and valor, they will also help you become clear on what you really want out of life, and how to attract it to you. But the results depend on the commitment. Take your time, enjoy the coloring process, and express yourself. These are things that you may have thought about before, but rarely have committed serious energy towards. And you need to devote serious energy to these things. Because your life is serious, and what you think about matters. By forcing you to draw and color these things, instead of merely thinking of them, saying them out loud or even writing them down, you'll be giving these issues the consideration, attention and energy they deserve. Just remember, you control your life. You decide what

happens. But you have to make choices and decisions, and you have to act consistently in ways that support those decisions. This book will help you get there.

Vaninka (Celebrated Crimes Series)

This antiquarian book contains Alexandre Dumas's work "Vaninka". It was first published as part of his eight-volume series "Celebrated Crimes" (1839-40), and recounts the true story of brutal torture and execution in the city of St. Petersburg. A thrilling and authentic retelling of the notorious case, "Vaninka" is not to be missed by fans of the true-crime genre, and constitutes a must-have for collectors of Dumas's work. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "The Three Musketeers" and "The Count of Monte Cristo". Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his lavish lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

Chris Pratt
