### **La Casa de Bernarda Alba**

A landmark in the conversation about race and religion in America. "They put him to death by hanging him on a tree." Acts 10:39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community. In this powerful new work, theologian James H. Cone explores these symbols and their interconnection in the history and souls of black folk. Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning. While the lynching tree symbolized white power and "black death," the cross symbolizes divine power and "black life" God overcoming the power of sin and death. For African Americans, the image of Jesus, hung on a tree to die, powerfully grounded their faith that God was with them, even in the suffering of the lynching era. In a work that spans social history, theology, and cultural studies, Cone explores the message of the spirituals and the power of the blues; the passion and of Emmet Till and the

Well, and the witness of black artists, writers, preachers, and fighters for justice. And he remembers the victims, especially the 5,000 who perished during the lynching period. Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice.

To find out, Jal Mehta and Sarah Fine spent hundreds of hours observing and talking to teachers and students in and out of the classroom at thirty of the country’s most innovative schools. To their dismay, they discovered that deeper learning is more often the exception than the rule. And yet they found pockets of powerful learning at almost every school, often in

### **From Auden to Yeats**

'One way of describing *Educating Rita* would be to say that it was about the meaning of education Another would be to say that it was about the meaning of life. A third, that it is a cross between *Pygmalion* and *Lucky Jim*. A fourth, that it is simply a marvellous play, painfully funny and passionately serious; a hilarious social documentary; a fairy-tale with a quizzical, half-happy ending.' Sunday Times *Educating Rita*, which portrays a working-class Liverpool woman's hunger for education, premiered at the RSC Warehouse, London, in 1980 and won the SWET award for Best Comedy of the Year. It was subsequently made into a highly successful film with Michael Caine and Julie Walters and won the 1983 BAFTA award for Best Film. Commentary and notes by Steve Lewis.

(Publishers Weekly, starred review). Ryan Dean West is a fourteen-year-old junior at a boarding school for rich kids. He's living in Opportunity Hall, the dorm for troublemakers, and rooming with the biggest bully on the rugby team. And he's madly in love with his best friend Annie, who thinks of him as a little boy. William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry. As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Insight Text Guide for Dead Poet's Society

### **Dir. Peter Weir's Dead Poets Society**

This poetry collection by the acclaimed author of *Citizen* presents an “inexhaustibly complex, varied, and . . . grimly inventive” meditation on maternity (Verse). In Claudia Rankine’s *Plot*, an expectant mother, Liv, and her husband, Erland, find themselves propelled into one of our most basic plots: boy loves girl, girl gets pregnant. Liv’s respect for life, however, makes her reluctant to bring a new life into the world. The couple’s electrifying journey is charted through dreams, conversations, and reflections. A text like no other, it crosses genres, existing at times in poetry, at times in dialogue and prose, in order to arrive at new life and baby Ersatz. This stunning, avant-garde performance enacts what it means to be human, and to invest in humanity. “Plot moves as in a picaresque novel, in which the body schemes and frightens, accompanied by Claudia Rankine’s instinct for poetic surprise.” —Barbara Guest, poet and author of *Herself Defined*

This early work by William Wymark Jacobs was originally published in 1902 and we are now republishing it with a brand new introductory biography. Jacobs worked as a clerk in the civil service before turning to writing in his late twenties, publishing his first short story in 1895. Most of Jacobs' work appeared before the onset of World War I, and although the majority of his output was humorous in tone, he is best-remembered now for his macabre tales, particularly those contained in his 1902 collection *The Lady of the Barge*, such as 'The Monkey's Paw' and 'The Toll House'.

A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press  
Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers -- and why they often go wrong. How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to each other that isn't true? While tackling these questions, Malcolm

Gladwell was not solely writing a book for the page. He was also producing for the ear. In the audiobook version of *Talking to Strangers*, you'll hear the voices of people he interviewed--scientists, criminologists, military psychologists. Court transcripts are brought to life with re-enactments. You actually hear the contentious arrest of Sandra Bland by the side of the road in Texas. As Gladwell revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, and the suicide of Sylvia Plath, you hear directly from many of the players in these real-life tragedies. There's even a theme song - Janelle Monae's "Hell You Talmbout." Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world.

Live Deliberately is our visual reimagining of Thoreau's most well-known essay, *Where I Lived and What I Lived For*. Accompanied by 30 illustrations, the essay challenges the trappings of modern living and embraces an ascetic rejection of the material and the trivial in exchange for a reconnection with nature as a path toward self-discovery. We judiciously edited Thoreau's essay to avoid any unnecessarily confusing news references, and were amazed to discover that not only does this manifesto otherwise hold up, but it also feels surprisingly modern and more relevant than ever. Thoreau's rejection of news as largely gossip, and the obsession with travel and railroads as idle self-indulgence, bear a sobering resemblance to our modern preoccupation with social media and internet surfing. In both instances, the impulse to seek distraction is the same. The Obvious State Classics Collection is an evolving series of visually reimagined beloved works that speaks to contemporary readers. The pocket-sized, collectable editions feature the selected works of celebrated authors such as T. S. Eliot, Edgar Allan Poe, Walt Whitman, Sara Teasdale and Henry David Thoreau.

million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Star Wars, Amadeus, A Separate Place, Tender Mercies, Grand Canyon, Tootsie, Ordinary People, Empire of the Sun, Pale Rider, Red Dawn, and Dead Poets Society--all these movies show concern for deep human issues also treated in the Bible. The films provide evidence that many of the apostle Paul's themes in his New Testament letters are relevant for today. Contemporary movies, according to Robert Jewett, influence many Americans more than their formal education or religious training. And, since Paul interpreted the gospel on other people's turf, Jewett believes that today his forum would involve the movies, a primary source of discovering and debating important moral, cultural, and religious issues. Jewett treats film and biblical passages with equal respect. He brings their ideas and metaphors into relationship so that new insights emerge about both the ancient texts and the American cultural situation.
