The Training & Work of an Initiate

The Auto

Cabinet of Curiosities

Written after direct personal experience of an occult attack, 'Psychic Self Defence' is Dion Fortune's guide to recognizing and protecting oneself from unwanted esoteric interference. The author treads a fine line between providing useful, practical information on 'spiritual security' (revealing for example, a ritual used by Christian Monks, as well as the magician's 'Lesser Banishing Ritual of the Pentagram') while at the same time keeping potentially dangerous techniques well obscured from the uninitiated. Sprinkled liberally with astonishing anecdotes from Dion Fortune's long and eventful magical career, this is an important work for those venturing along the mystical path, a book that can be read, and re-read, with profit.

World Tea Party

Psychic Self-Defence

Manual Training Magazine

Monthly magazine devoted to topics of general scientific interest.

Motor Sport

English Mechanics and the World of Science

Popular Science

The Youth's Companion

Includes music.

National Rural Clean Water Program Manual

The Automobile

Television and Cable Factbook

Television and Cable Factbook, 1991

Automotive Industries

The Autocar

Television Factbook

Popular Mechanics

Includes a tenth anniversary issue, dated Nov. 1945.

Chemical Heritage

The Training and Work of an Initiate shows how, from ancient Qabalistic, Greek, and Egyptian roots, the Western Esoteric Systems have an unbroken initiation tradition that has been handed down from adept to neophyte. In this book, Dion Fortune indicates the broad outlines and underlying principles of these systems, illuminating an obscure and greatly misunderstood aspect of the path. Thanks to her teaching, even if you cannot give your entire life over to the pursuit of esoteric science, you can still develop a philosophy of life and learn your individual relationship to the cosmic whole. You will discover how initiates prepare body, mind, and spirit for the challenging journey that is the esoteric path, what the path of initiation looks like, and what it is to be called to this work. The book is filled with accessible information, presented in a way so that "even that which the smallest cup can carry away is the true water of life". This revised edition contains a new foreword by Gareth Knight, and an index.
