The main aim of the report is to provide a comprehensive and up-to-date assessment of the TB epidemic, and of progress in prevention, diagnosis and treatment of the disease at global, regional and country levels. This is done in the context of recommended global TB strategies and targets endorsed by WHO's Member States and broader development goals set by the United Nations (UN). The 2018 edition of the global TB report was released on 18 September, in the lead up to the first-ever UN High Level Meeting on TB on 26 September 2018.

### **Aku dan Indoseia**

Here is the tale of Godfrey de Montferrat, a boy who became both a monk and a knight who swore an oath to defend the Kingdom of Jerusalem. It is also the tale of that kingdom, which men called Outremer-The Land Beyond the Sea. With the miraculous success of the First Crusade, all said that the heroic tales of old had

come to life in that place. By Godfrey's time-the late 12th century-the Kingdom is dying, chivalry fading, hope growing cold, and foes pressing hard from every side. But Godfrey stands in contradiction to the prevailing rot-a young man striving to live up to the heroic ideal. Surrounded by greed and corruption, Godfrey must determine where his true loyalties lay: to friends? to prince? to love? to God? Around Godfrey swirl the loves, betrayals, triumphs, and disasters of the Kingdom's waning years. Knight of the Temple weaves together an exciting, multi-layered and historically faithful tale of the Land Beyond the Sea. From the desert wastes of Egypt, to the bustling streets of medieval Antioch, to the Holy City of Jerusalem itself, Nathan Sadasivan paints a vivid portrait of the Crusades strewn with unforgettable characters - Amalric, the ill-tempered King of Jerusalem; Malik, the proud young Saracen; Jacques, Godfrey's childhood friend; Tristan, the single-minded swordmaster, and Andronicus, the enigmatic Byzantine prince, among many others Knight of the Temple is the first book in the Crown of the World trilogy.

### **Teaching Writing**

Pemikiran Fathul H. Panatapraja dalam buku ini tidak sekadar terkait dengan pandangan filosofis atas berbagai persoalan kehidupan duniawi dengan segala kompleksitasnya seperti filsafat, pendidikan, politik, ekonomi, sastra, kebudayaan, dengan nilai-nilai moralitasnya, melainkan membahas pula masalah eskatologi

dalam kaitan dengan asal-usul kejadian yang disebut Sangkan Paraning Dumadi. Dalam kupasan Sangkan Paraning Dumadi, dengan gambaran metaforik tentang ikan teri – ikan hiu – pertapa tua, Fathul menguraikan asalusul kejadian yang tidak lain dan tidak bukan adalah Tuhan yang tidak dapat dijangkau dengan pikiran tetapi bisa dicapai dengan semadi dan hening. Sebuah telaah bersifat sufistik yang penuh simbolisasi dan gambaran metaforik.

### **The Use and Status of Language in Brunei Darussalam**

This book traces the expansion of Islamisation within a modern and plural state such as Malaysia. It elaborates on how elements of theology, sacred space, resources, and their interactivity with secular instruments such as legislative,

electoral, and new social technological platforms are all instrumentally employed to consolidate a divine bureaucracy. The book makes the point that religious social movements and political parties are only few of the important agents of Islamisation in society. The other is the modern and secular state structure itself. Weber's legal rational bureaucracy or Hegel's ethical bureaucracy predominantly characterises a modern feature of governmentality. In this instance an Islamic bureaucracy is advantageously situated not only within an ambit of modernity and therefore legality, but divinity and therefore sacrality as well. This positioning gives religious state agents more salience than any other form of bureaucracy leading to their unquestioned authority in the current contexts of societies with Muslim majority rule. One of the requisites of this condition is the homogenisation of Islam followed by ring-fencing of its constituents. The latter can involve contestations with women, other genders, 'secular' Muslims, non-Muslims as well as dissenting Muslims with their differing truthful 'Islams'.

### **The Art of Fashion Draping**

This book examines the cultural responses of Muslims to the transformations, contradictions and challenges confronting contemporary Islam as it moves towards the twenty-first century. The diffusion of populations, the globalization of culture and the forces of postmodernity have shaken the world like never before. These developments have generated a debate among Muslims which, as the contributors

to this volume show, will have far-reaching consequences not just for the Muslim world, but for relations between Islam and the West more generally.

## **A World of Nourishment. Reflections on Food in Indian Culture**

### **The Thirteen Problems**

Kita perlu insaf dan merenungi perjalanan sejarah peradaban kita, peradaban umat Islam. Bukan untuk merenungi dan tenggelam dalam nostalgia kemajuan dan kejayaannya. Sama sekali bukan! Tapi sedikit berbincang mengenai sebab kejayaan dan kehancurannya. Merefleksikan dengan kondisi kini. Lalu perlulah kita keluar untuk membumikan nilai-nilai luhur agama ini. Mulailah dari diri kita. Mari kita mulai. Buku ini adalah refleksi dan renungan-renungan kecil dari penulis. Rangkaian tulisan yang ingin membentuk rasa optimis pada diri umat. Sedikit merekam jejak dari suatu peristiwa bahkan seseorang yang kiranya perlu kita insafi dan dijadikan perenungan. Tentu bukan untuk mengambil “hukum”. Bukan! Tapi untuk mengambil pelajaran. Mengambil hikmah yang terkandung dalam tiap peristiwa. Tidak mengajari, tapi mengajak untuk berfikir. Seperti pesan KH. Rahmat Abdullah, “Ketika anak-anak bangsa tak lagi mampu memahami sindir sampir,

petatah-petitih atau kias metafor, maka kiamat bangsa itu sudah di ambang pintu...” Selamat membaca!

### Becoming Che

From the international-bestselling author comes a “taut, entertaining archaeological murder-mystery-meets-spy-thriller” (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it’s a complicated case for detective Arie Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives, and a modern-day conspiracy that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-bestselling author comes “a well-researched tale combining an archaeological puzzler with contemporary Middle Eastern concerns” (Financial Times). “An absolutely top-notch thriller.” —Daily Mail

## **Court of the Lion**

In a tale set in eighth-century China during the T'ang dynasty, the emperor's power dwindles as, one by one, those nearest to him are eliminated, and only eunuch Kao Li-Shih is left to save the empire

## **Syauqillah**

As a surgeon, Dr. Rennie Newton is the consummate professional. When she's summoned to jury duty, she brings to the courtroom the same level of competence and composure that she displays in the operating room. It is this commitment to precision that compels her to deliver a not guilty verdict in the murder case against notorious contract killer Ricky Lozada. It will be the most regrettable decision of her life because Rennie's trial with Lozada doesn't end with his acquittal. Her carefully structured life begins to crumble when a rival colleague is brutally slain. Lozada's menacing shadow looms over the murder, but it's Rennie the investigators focus on as the prime suspect. The privacy she has cultivated and protected at all costs is violated by the police as well as Lozada. And when he begins an earnest courtship, insinuating himself into every aspect of her life, it becomes terrifyingly clear that he is obsessed with having her. Wick Threadgill is a detective on indefinite leave from the Fort Worth PD, who has his own personal

agenda for the contract killer. Temperamental, bitter, and driven by loyalty and love, Wick is determined to destroy Lozada as Lozada is determined to possess Rennie Newton. In order to defeat Lozada and save their lives, Rennie and Wick form an uneasy alliance. Mistrustful of each other, they know only one thing with absolute certainty: like one of Lozada's prize scorpions, when this killer strikes, they won't see it coming. The Crush will take you on a tortuous path through a twisted sociopath's eerie obsession, a haunted man's fragile hopes for redemption, and a woman's heart as she struggles to face her greatest fear—to open herself to love.

## **Love with a Scandalous Lord**

"Ketahuilah dirimu lewat dirimu." Demikianlah ungkapan yang konon tertulis di Kuil Dewa Apolo, Pulau Delphi, Yunani. Bahwa ketahuilah dirimu lewat dirimu. Socrates mengatakan bahwa manusia belum bisa hidup dengan wajar apabila ia belum mengamalkan perkataan ini. Ketahuilah dirimu lewat dirimu. Sebagai manusia kita perlu merenungi, benarkah kita ini manusia lewat manusia itu sendiri. Benarkah

kita manusia, makhluk terbaik penghuni dunia ini. Atau jangan-jangan kita hanya merasa geer, menganggap diri kita manusia padahal tidak ada nilai-nilai kemanusiaan pada diri kita. Dalam buku ini penulis mencoba membahas bahasan manusia dan soal kehidupan lewat artikel-artikelnya. Buku ini tidak menjamin pembaca bisa memahami hakikat manusia dalam hidupnya. Tapi lewat buku ini, semoga bisa menambah wawasan dan kesadaran akan soal manusia dan kehidupannya.

### **The Last Hostage**

Approximately one million innocent Indonesians were killed by their fellow nationals, neighbours and kin at the height of an anti-communist campaign in the mid-1960s. This book investigates the profound political consequences of these mass killings in Indonesia upon public life, highlighting the historical specificities of the violence and comparable incidents of identity politics in more recent times. Mixing theory with empirically based analysis, the book examines how the spectre of communism and the trauma experienced in the latter half of the 1960s remain critical in understanding the dynamics of terror, coercion and consent today. Heryanto challenges the general belief that the periodic anti-communist witch-hunts of recent Indonesian history are largely a political tool used by a powerful military elite and authoritarian government. Despite the profound importance of the 1965-6 events it remains one of most difficult and sensitive topics for public

discussion in Indonesia today. State Terrorism and Political Identity in Indonesia is one of the first books to fully discuss the mass killings, shedding new light on a largely unspoken and unknown part of Indonesia's history.

## **Serial Inspirasi**

From the author who's inspired millions worldwide with books like Tuesdays with Morrie and The Five People You Meet in Heaven comes his most imaginative novel yet, The Time Keeper--a compelling fable about the first man on Earth to count the hours. The man who became Father Time. In Mitch Albom's exceptional work of fiction, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days, more years. Eventually, with his soul nearly broken, Father Time is granted his freedom, along with a magical hourglass and a mission: a chance to redeem himself by teaching two earthly people the true meaning of time. He returns to our world--now dominated by the hour-counting he so innocently began--and commences a journey with two unlikely partners: one a teenage girl who is about to give up on life, the other a wealthy old businessman who wants to live forever. To save himself, he must save them both. And stop the world to do so. Told in Albom's signature spare, evocative prose, this remarkably original tale will inspire readers everywhere to reconsider their own notions of time, how they spend it, and how precious it truly is.

## **Information and Communication Technology for Sustainable Development**

There is no other organization whose inner workings are more secretive than the Vatican - the spiritual and physical center - of the Catholic Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to display the vast machinery, and the man at the helm in a way that no other writer can. The Boston Globe has stated that John L. Allen 'is basically the reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican.'
