Kidnapped and Catriona

The Vatican Cathedral is packed to the rafters as Pope Gregory XVII leads the congregation in mass. A cloaked stranger steps suddenly and fearlessly towards the altar and commands the wheelchair-bound Pope to stand. He does. The miracle, if that's what it is, stops the world in its tracks. Who is this stranger? More inexplicable events follow: blind children see for the first time, cancers are cured, and a popular young starlet killed in a surfing accident inexplicably regains consciousness. There is widespread awe at each new demonstration of healing, but the Vatican retreats from the public eye, closing its doors to the world. What the public doesn't see is that someone is threatening various Church officials-as well as the stranger the world is branding a miracle-worker. Skeptical investigative journalist Alexander Trecchio, seeking a source who could discredit the growing religious mania, instead discovers a gruesome killing. Soon Alexander and police officer Gabriella Fierro are working together to find the killer and get to the bottom of the mysterious events that have sent the world into a frenzy and the Catholic Church into retreat. The question on everyone's lips is, what is the true nature of the mysterious events unfolding in Rome? Amid talk of miracles and even the Second Coming, Alexander and Fierro uncover evidence of powerful earthly forces at play. Can those forces be stopped before more lives are lost-and one of the most ancient institutions in the world is destroyed?

Like most people he knows, Will believes the world is being destroyed by climate change; unlike most people, he's convinced he can do something about it. Unknown to his doctors, unknown to the police—unknown even to Violet Heller, his devoted mother—Will alone holds the

Lowboy, John Wray's third novel, tells the story of Will's fantastic and terrifying odyssey through the city's tunnels, back alleys, and streets in search of Emily Wallace, his one great hope, and of Violet Heller's desperate attempts to locate her son before psychosis claims him completely. She is joined by Ali Lateef, a missing-persons specialist, who gradually comes to discover that more is at stake than the recovery of a runaway teen: Violet—beautiful, enigmatic, and as profoundly at odds with the world as her son—harbors a secret that Lateef will discover at his own peril. Suspenseful and comic, devastating and hopeful by turns, Lowboy is a fearless exploration of youth, sex, and violence in contemporary America, seen through one boy's haunting and extraordinary vision.

Six Slovak Poets is the sixth volume in a series of bilingual anthologies of contemporary verse from Europe and beyond and features the work of poets of an older generation who started publishing in the 1960s. They lived through the difficult times that followed the Soviet invasion of Czechoslovakia in 1968, through the political, social and cultural transformation of the past twenty years since the fall of the communist regime in 1989, and through the division of the country in 1993 which gave birth to today's Slovak Republic. The work of these poets continues the experimentation with form and language of the pre-war Central European avant-garde, with added elements of myth, legend, folk tales, and references to religion and the natural world. Also integral to their work are philosophical reflection and exploration of the moral issues raised by the circumstances in which they worked. The result is a densely woven, polythematic free verse representative of the poetics of a generation that has been central to Slovak literary life for four decades, a generation whose approach to poetry younger writers who have subsequently entered the literary scene are still developing or reacting against. Stina

Born nearly 4000 years ago in a village in the vicinity of Ur, to poor landless parents, Kama (meaning "first") Kameez (meaning "resilient"), sought to escape his humble origins. His grandfather, who was his confidant and was privy to his plans, predicted that Kama would eventually succeed and make his fortune - but only in a far-distant land and among a foreign people. Kama Kameez fled his parents' home when he was barely sixteen and then sojourned in remote villages, in the Elam city of Susa, and in the mountainous countryside of Karaman. A village scribe taught him the art of writing and reading, and he recorded his memoirs on tablets and scrolls. When seventeen years old, he fell in love with Tubabah, the beautiful daughter of a village chief. Much against her father's will, she joined Kama Kameez, and they fled by boat. When they reached Susa, the local commander (the "Lugal") arrested them for trespassing and for blasphemous behavior. This Lugal, a treacherous person, expelled Kama Kameez from Susa and assigned Tubabah to his harem. Kama Kameez journeyed eastward. He eventually reached the mountains of Karaman where he encountered a gravely ill priest. This priest led him to a bounteous secret garden, with fruits capable of inducing physical

rejuvenation. He collected some of the fruits and brought them back with him to Susa. This time, when he entered the city, he was much more mature and was disguised as a noble merchant attached to the king's court. By means of subterfuge he managed to free Tubabah, but when his true identity was discovered, he was once again arrested. His presence in the city created mayhem and heavy fighting among the Lugal's officers. With Tubabah, he escaped to the countryside, where his own young slave robbed him. While he searched for the missing slave, a band of roving vagabonds kidnapped his pregnant wife, and he was unable to trace her for a great many months. After retrieving the valuables and the fruits that his slave had stolen, Kama returned once more to Susa, where the community leaders, believing him to be of noble birth, elevated him to the position of city commander. He succeeded in imposing peace and prosperity, accumulating great personal wealth as well, ruling the city for nearly two years. Near the close of his reign, his wife Tubabah rode into the city with their little son. She had managed to escape her captors with the help of a Hittite slave. Kama Kameez returned to the village of his ancestors, where his parents failed to recognize him. He acquired much land and cattle, built imposing structures, and became the confidant of the King of Ur. And enemies arose to challenge Kama Kameez in the city of Ur. They demanded that the king punish Kama Kameez and his wife Tubabah for belittling the city's gods, and the king ordered that Tubabah be arrested and kept prisoner in the great temple presided over by his sister the high priestess. Kama Kameez managed to rescue Tubabah from the temple by means of a daring subterfuge, by smuggling a salve into the temple that caused the temporary appearance of leprosy on her skin. The high priestess panicked and released Tubabah, but she became furious at Kama Kameez when she discovered that he had misled her. She demanded that he present himself before her in the temple, and when he appeared, she found that she was most impressed by his looks and by his character. She fell in love with him and ordered him to learn the ways of her gods so that he could rule at her side in the temple as a high priest. Kama Kameez, who had lost faith in idols and local deities, tried to cajole her into allowing him to return to his estate and to his family. The high priestess imposed conditions: that he orders his slaves and his underlings to build an extension to her temple

But Trave is not so sure. Following a mysterious note in the dead man's pocket, Trave discovers that Morrison was visited by Alec Thorn, deputy head of MI6, on the day of his death.
