Description (In English) “Parts of Speech” is one of the most important chapters of English Grammar. The author has been an experienced teacher of English language and literature. After thorough study of English Grammars, he has got a very good knowledge of each and every important chapter. His idea of writing E-Grammar chapter wise is to make it available selectively as a sort of a short story any time on Smartphone, Laptop, Desktop, Tablet etc. with internet connectivity. He has written this important chapter in a very logical manner explaining each part of speech with suitable examples so that the students can grasp easily and can learn it properly. What the author has presented is a unique one and any one can find it quite different from so many chapters of Parts of Speech. You can access to Google Play and after typing the author’s name in search column, you can read it as advised to pay Rs.120 only online. The price of E-Book containing a few pages

may look more but every part of speech is well defined in a very simple language, explained clearly and the examples are cited relevantly to make the subject understandable with ease. In author's opinion it is incomparable and unique of its kind. Author *****

Thoroughly based on the latest syllabus of CBSE, N. Delhi, CONCEPTUAL ENGLISH GRAMMAR: AT A GLANCE, is a complete textbook of English grammar. This book is entirely designed to satisfy especially the multi-faceted needs of all India and overseas CBSE students reading in class VIII to X. This book can obviously be used as both, a conceptual textbook and an ideal and innovative practice book. Among ambitious students and learned teachers, the usefulness of this book should, moreover, effectively work at both levels i.e. (a) concept-building level or subject-enrichment and (b) score-grabing level or performance assessment. To augment its usefulness further, ample example sentences, structures, note and rules have been used to pinpoint their universal importance even today. Also frequent tabular representations and arrow-indicators (specially) have been applied for the first time in any book as one of the most effective and relevant technical tools to simplify the contexts of the chapters and let learners grasp everything quickly and confidently.

English Grammar; the English Language in Its Elements and Forms

The book titled E-English Grammar is a unique explanation of all important chapters of English grammar with suitable examples wherever necessary in a very simple language, in a very logical order, and so methodically one after another. The subject in question is about all the important chapters, beginning with orthography and followed by etymology, particularly for kids in nursery classes. This can be a scientific tool or a guideline to teach them at home as well as in

school by their parents and teachers respectively and, after that, in their upper or higher classes on promotion one after another till tenth, eleventh, and twelfth levels and even beyond that. There is no exaggeration in saying that such an English grammar book with superb thought, unique explanation, and moreover, the most logical and appropriate examples that the learners can follow with ease has never been written so far.

A New System of English Grammar

'Few people understand Grammar like Craig Shriver. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate

the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.

An Advanced English Grammar

"Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU, I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the

advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College Chennai

Examples, Exceptions, Exercises, and Everything You Need to Master Proper Grammar Complete English Grammar Rules is a comprehensive English grammar guide covering both basic and advanced grammar rules. Learn proper English grammar with simple, in-depth explanations, featuring key exceptions, common grammar mistakes, and thousands of real-world usage examples, plus valuable grammar exercises-every topic includes a grammar quiz. With Complete English Grammar Rules, you'll be able to: Quickly master basic English grammar while learning more advanced topics along the way. Easily identify nouns, pronouns,

verbs, adjectives, adverbs, prepositions, and other parts of speech. Master verb tenses and conjugation, including irregular verbs and exceptions. Learn about every type of sentence and avoid common writing mistakes. Test your knowledge with grammar quizzes designed to help you retain the most important information. Finally, you can get answers to all your questions about grammar. Complete English Grammar Rules gives you all the rules of grammar, all in one place, logically organized in a user-friendly format. Preface Grammar is without a doubt one of the most daunting aspects of the English language, an area riddled with complexities, inconsistencies, and contradictions. It has also been in a state of flux for pretty much its entire existence. For native speakers of English, as well as for those learning it as a new language, grammar presents a very serious challenge to speaking and writing both accurately and effectively. Having a single, reliable, go-to reference guide should therefore be indispensable to those trying to learn, improve, or perfect their speech or writing. This book is that guide: a clear, unambiguous, and comprehensive source of information that covers all the relevant topics of English grammar, while still being easy to understand and enjoyable to read. Every topic in the book has been broken down into basic units. Each unit can be read and understood in its own right, but throughout the book you will find cross-references to other sections and chapters to help make it clear how all the pieces fit together. If you're having trouble understanding something, try going back (or forward) to other related topics in the book. Finally, it must be mentioned that, because English is such a flexible, inconsistent language, the

"rules" that are often bandied about are usually not rules at all, but rather guides that reflect how the language is used. Accordingly, the guidelines contained within this book are just that—guidelines. They are not intended to provide constrictive or proscriptive rules that confine everyone to a particular way of speaking or writing. Learning how the English language works will enhance your engagement with speech and writing every day, from the books you read, to the e-mails you write, to the conversations you have with friends and strangers alike. As such, mastering grammar is not an exercise that is confined to the classroom. While it is certainly important to learn the structures, styles, and rules that shape the language, the key to truly learning English is to read and listen to the way people write and speak everyday, from the most well-known authors to the people you talk to on the bus. Take the information you find in this book and carry it with you into the world. -P. Herring
