Quest for the Secret Keeper

Billy attempts to overcome the Dragon Slayer so he can help souls who have become trapped in a mysterious gem.

Forbidden Oracles?

Ashley and Billy, aided by the dragons, their friends, and a powerful, ancient book,

each take courageous steps to rescue loved ones from Morgan Le Faye and her demonic Watchers.

The Oracle Betrayed

Hope is a four letter word. Yet, I can't help but hope that the Oracle will be the answer to what I seek. But getting to the Oracle is no small thing as she resides in the center of the Blasted lands--toxic waste, lava, and monsters. And as the alpha of our Pride, it's up to me to act responsibly and not get my people all killed. Driving us from behind comes the desert goddess whose rage is centered on me, and with her is a new ally, who still holds my heart in his hands. One whose voice calls to me still. Eyes on the prize, I will push forward, even though hope feels weak and pointless. Along the way, maybe my heart will heal, maybe I'll bring my brother back from the dead, maybe this will turn out okay after all. Or maybe I will lose everything, and everyone I hold dear and discover I'm not meant to save anyone. Hope might spring eternal, but she's a right bitch as far as I can see.

The Last Oracle

Circles of Seven

All Althaia wants on her trip to Delphi is to fulfill her father's last wish. Finding the body of a woman in the Sacred Precinct is not in her plans. Neither is getting involved in the search for the killer, falling for the son of a famous priestess, or getting pulled into the ancient struggle for control of the two most powerful oracles in the world. But that's what happens when Theron, Althaia's tutor and a man with a reputation for finding the truth, is asked to investigate. When a priest hints that Theron himself may be involved, Althaia is certain the old man is crazy — until Nikos, son of a famous priestess, arrives with an urgent message. Theron's past, greedy priests, paranoid priestesses, prophecies, and stolen treasures complicate the investigation, and as Althaia falls for Nikos, whose dangerous secrets hold the key to the young woman's death, she discovers that love often comes at a high price and that the true meaning of family is more than a bond of blood.

But the men sent to do the dirty work don't know who (or what) they're dealing with. This oracle and this girl won't be messed with. In the dark of night, Mariuccia and her mother set out to rescue their revered oracle. In the adventure that ensues, things are blown

It presents the first critical edition and translation of this new text. My book is also a project about religious praxis and authority, as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world."--Preface, p. [vii].

Arramos has been capturing and killing children as a way to bring God's wrath upon the Earth, and only Clefspeare is powerful enough to stop him. Transporting Clefspeare into Second Eden is possible, and only Sapphira Adi, the great Oracle of Fire, is able to open the secret portal to that world. While in the midst of apocalyptic destruction, Sapphira, Elam, Billy, Bonnie, Walter, and Ashley battle Arramos as he tries to thwart their plans and enter Second Eden himself. His goal? Complete annihilation of that world. Heroes and heroines fight evil in order to save helpless innocents from Arramos as he kills, maims, and destroys. Raising Dragons

A witty and elegiac new collection from the author of "exhilarating, fierce [and]

powerful” verse (Robert Pinsky, Washington Post). The speakers of Oracle occupy the outer-borough cityscape of New York's Staten Island, where they move through worlds glittering with refuse and peopled by ghosts—of a dead lover, of a friend lost to suicide, of a dog with glistening eyes. Marvin's haunting, passionate poems explore themes of loss, of the vulnerability of womanhood in a world hostile to it, and of the fraught, strangely compelling landscape of adolescence.

Eye of the Oracle

I Ching was among "the five classics" edited by Confucius, and the philosopher is reputed to have wished for fifty more years of life to study it. The Book of Changes, as it is known in the Western world, dates back to before 1,000 B.C. and ranks among the most important works in the history of Chinese culture. The ancient text has provided inspiration to countless spiritual seekers of many persuasions. One of the few divination manuals to survive into modern times, I Ching is of enormous significance to the history of religions and philosophy. Its profound influence extends to the worlds of business, psychoanalysis, literature, and art. This volume is the standard English translation by the great Sinologist James Legge, prepared for the series Sacred Books of the East. It contains the basic text attributed to King Wan and his son, the Duke of Chou, Appendixes usually ascribed to Confucius, an informative Preface by Legge, and extensive footnotes.
