By turns comic and tragic, Elif Shafak's *The Flea Palace* is an outstandingly original novel driven by an overriding sense of social justice. Bonbon Palace was once a stately apartment block in Istanbul. Now it is a sadly dilapidated home to ten wildly different individuals and their families. There's a womanizing, hard-drinking academic with a penchant for philosophy; a 'clean freak' and her lice-ridden daughter; a lapsed Jew in search of true love; and a charmingly naïve mistress whose shadowy past lurks in the building. When the garbage at Bonbon Palace is stolen, a mysterious sequence of events unfolds that result in a soul-searching quest for truth. "An enchanting combination of compassion and cruelty . . . Elif Shafak is the best author to come out of Turkey in the last decade" - Orhan Pamuk "Hyper-active and hilarious" - Independent Elif Shafak is the acclaimed author of *The Bastard of Istanbul* and *The Forty Rules of Love* and is the most widely read female novelist in Turkey. Her work has been translated into more than thirty languages. She is a contributor for *The Telegraph*, *Guardian* and the *New York Times* and her TED talk on the politics of fiction has received 500 000 viewers since July 2010. The Role of the Church is Crucial in the Accomplishment of God's Eternal Plan. Today, Like Never Before, the Church is in the Midst of a Universal Struggle Between God and His Enemy, Satan. This Struggle Began with the Rebellion of Satan, Persisted with Satan's Corruption of Man, and Continues to this Day As the Church Endeavors to Experience and Apply the Effectiveness of Christ's Death on the Cross. The Responsibility for Satan's Defeat Now Rests with the Church, as it Daily Must Seek Through Revelation and Prayer to Advance God's Interest on the Earth and to Shun Every Vestige of Satanic Influence.
