Fever: Little Willie John

Table of Contents Introduction The Gulf War "Syndrome" The History of Vaccination Booster Dose Ingredients Used in Your Vaccines Antifreeze Monosodium Glutamate - MSG - Mycoplasma and Foreign DNA Appendix Conclusion Author Bio Publisher Introduction I was just watching a movie, where a social worker arrived at the doorstep of a single father, to see whether he was fit to bring up a baby child on his own, and asked about the vaccines given to the little one. And this is what the father said - Polio, hepatitis B, hepatitis C, measles, mumps, diphtheria, tetanus, chickenpox, influenza, Haemophilus influenza type E, rubella, rotavirus, and pneumococcal conjugate virus. All these vaccines against these diseases had been vaccinated in the little baby, which was around 6 months old. The country was Australia, and the state was New South Wales. I shuddered. The social worker was very impressed, and naturally, he gave the father a certificate of "fit to bring up a child." Unfortunately, he did not tell the parent that that child would not live long, because it had already been poisoned with a large number of toxic poisons, under the name of forceful vaccination, which is being forced upon parents, all over the globe, under the rule of, it has to be done. These vaccines must be taken. Or it is possible that your child may be vaccinated without your knowledge or consent, because the doctors have been advised by the health authorities of that particular country or region, to vaccinate a child, willy-nilly, without permission or consent of its guardians. Vaccination in many parts of the US and in also other parts of the World is mandatory today. That means, in a democratic country, you are being forced to subject your children and yourself to become parts of medical research statistics, all under the name of it has to be done. And because we are so used to believing the ones in authority, that we immediately say yes sir, and extend our arms to receive the possibly fatal or otherwise guaranteed harmful dose of vaccine, all unknowing like and in good faith. This book is a hard-hitting eye-opener, telling you all about the dangers of vaccination, and how a limited number of people

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

and possibly governments/administrations/including the WHO are influencing countries all over the World to get their children vaccinated, or even get themselves vaccinated against possible epidemics and diseases.

Scar Tissue

"It is no very easy matter for an author to condense his own work into so small a space as one-half or one-third of its original magnitude. I have considered it better to rearrange fragmentary portions of the original story into another form of narrative, I have presented only the direct adventures of Robin Hood and of certain important members of his band. I have given a couple of chapters relating to their quarrel with the Sheriff of Nottingham; I have introduced Robin Hood to the Court at London and have brought King Richard of the Lion's Heart into the Forest of Sherwood." -- Preface.

Some Merry Adventures of Robin Hood, of Great Renown in Nottinghamshire

In his highly provocative first book, Scott Galloway pulls back the curtain on exactly how Amazon, Apple, Facebook, and Google built their massive empires. While the media spins tales about superior products and designs, and the power of technological innovation, Galloway exposes the truth: none of these four are first movers technologically - they've either copied, stolen, or acquired their ideas. Readers will come away with fresh, game-changing insights about what it takes to win in today's economy. Print run 125,000.

Sound Man

One of the most influential singers and songwriters of all time, Sam Cooke was among the first to blend gospel music and secular themes--the early foundation of soul music. He was the opposite of Elvis: a black performer who appealed to white audiences, who wrote his own songs, who controlled his own business destiny. No biography has previously been written that fully captures Sam Cooke's accomplishments, the importance of his contribution to American music, the drama that accompanied his rise in the early days of the civil rights movement, and the mystery that surrounds his death. Bestselling author Peter Guralnick tells this moving and significant story, from Cooke's childhood as a choirboy to an adulthood when he was anything but. With appearances by Martin Luther King Jr., Malcolm X, James Brown, Harry Belafonte, Aretha Franklin, Fidel Castro, The Beatles, Sonny and Cher, Bob Dylan, and other central figures of this explosive era, DREAM BOOGIE is a compelling depiction of one man striving to achieve his vision despite all obstacles--and an epic portrait of America during the turbulent and hopeful 1950s and 1960s. The triumph of the book is the vividness with which Peter Guralnick conveys the astonishing richness of the black America of this era--the drama, force, and feeling of the story. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio

clips.

Miles

The Four

This definitive volume celebrates the harmonica's illustrious history, focusing on every musical genre that has felt the harp's impact.

Joni on Joni

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In Scar Tissue, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

Alcoholics Anonymous

In June of 1964, three young, white blues fans set out from New York City in a Volkswagen, heading for the Mississippi Delta in search of a musical legend. So begins Preachin' the Blues, the biography of American blues signer and guitarist Eddie James "Son" House, Jr. (1902 - 1988). House pioneered an innovative style, incorporating strong repetitive rhythms with elements of southern gospel and spiritual vocals. A seminal figure in the history of the Delta blues, he was an important, direct influence on such figures as Muddy Waters and Robert Johnson. The landscape of Son House's life and the vicissitudes he endured make for an absorbing narrative, threaded through with a tension between House's religious beliefs

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

and his spells of commitment to a lifestyle that implicitly rejected it. Drinking, womanizing, and singing the blues caused this tension that is palpable in his music, and becomes explicit in one of his finest performances, "Preachin' the Blues." Large parts of House's life are obscure, not least because his own accounts of them were inconsistent. Author Daniel Beaumont offers a chronology/topography of House's youth, taking into account evidence that conflicts sharply with the well-worn fable, and he illuminates the obscurity of House's two decades in Rochester, NY between his departure from Mississippi in the 1940s and his "rediscovery" by members of the Folk Revival Movement in 1964. Beaumont gives a detailed and perceptive account of House's primary musical legacy: his recordings for Paramount in 1930 and for the Library of Congress in 1941-42. In the course of his research Beaumont has unearthed not only connections among the many scattered facts and fictions but new information about a rumoured murder in Mississippi, and a charge of manslaughter on Long Island - incidents which bring tragic light upon House's lifelong struggles and self-imposed disappearance, and give trenchant meaning to the moving music of this early blues legend.

Fast Food Nation

Albertina Merci is back in this delightful second book featuring everyone's favorite blues singer turned evangelist! After Albertina's dear friend Mr. Mario, the owner of Mr. Mario's Downhome Café, has a heart attack and then loses his wife to diabetes, he decides that his lifetime love of soul food is over for good. Mr. Mario vows to go healthy, both personally and professionally, and tries to get Albertina on board, but it quickly becomes clear that he may be looking for more than pastoral support. And while he is undeniably romantic, Mr. Mario believes in the power of man...not God. The only heat isn't in the kitchen, though. Clifford Bloom, a white DJ who has been a fan of Albertina's since her days as a blues singer, is now a member of her church and he always seems to be there just when Albertina needs him. Could this blossoming friendship be leading somewhere romantic? Caught between two very different men, Pastor Merci also has to battle to save her little church in the heart of Los Angeles as mega-church pastor Bishop Gold wants not only the land where her church sits, but her nephew Patrick's loyalty, as well.

When I Left Home

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for.

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Vaccines - Checking the Dangerous Trend of Unnecessary Vaccination

"Here, my previous edition of Viruses, Plagues, & History is updated to reflect both progress and disappointment since that publication. This edition describes newcomers to the range of human infections, specifically, plagues that play important roles in this 21st century. The first is Middle East Respiratory Syndrome (MERS), an infection related to Sudden Acute Respiratory Syndrome (SARS). SARS was the first new-found plague of this century. Zika virus, which is similar to yellow fever virus in being transmitted by mosquitos, is another of the recent scourges. Zika appearing for the first time in the Americas is associated with birth defects and a paralytic condition in adults. Lastly, illness due to hepatitis viruses were observed prominently during the second World War initially associated with blood transfusions and vaccine inoculations. Since then, hepatitis virus infections have afflicted millions of individuals, in some leading to an acute fulminating liver disease or more often to a life-long persistent infection. A subset of those infected has developed liver cancer. However, in a triumph of medical treatments for infectious diseases, pharmaceuticals have been developed whose use virtually eliminates such maladies. For example, Hepatitis C virus infection has been eliminated from almost all (>97%) of its victims. This incredible result was the by-product of basic research in virology as well as cell and molecular biology during which intelligent drugs were designed to block events in the hepatitis virus life-cycle"--

The Chitlin' Circuit

Set during the dark and dangerous build-up to the Second World War, Goodnight Mister Tom follows sad young William Beech, who is evacuated to the idyllic English countryside and builds a remarkable and moving friendship with the elderly recluse Tom Oakley. All seems perfect until William is devastatingly summoned by his mother back to London.-6 women, 7 men

White Noise

A great blues guitarist chronicles his eventful life, from his modest upbringing in rural Louisiana to his rise to prominence in the Chicago blues scene to his becoming a lasting influence on Eric Clapton, Stevie Ray Vaughn and many others.

Goodnight Mister Tom

Have you lost hope for a new beginning? If you believe your life is beyond saving-this book is for you. Willie Alfonso writes

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

about his dramatic childhood story of growing up Brooklyn. He shares why he should be dead, dying of AIDS somewhere, or doing life in jail. His epic story with unbelievable comeback proportions will inspire the doubters, the skeptics, or anyone who has lost all hope for the future. Readers in *It's A New Beginning* will be challenged by Willie's story to see: + Hope in the midst of devastating circumstances. + How to forgive the unforgivable + How even the worst setbacks can be turned into comebacks. Read one of the most powerful comeback stories of all time! Dig into *It's A New Beginning: How to Turn Setbacks Into Comebacks* to find hope for your new beginning. What are you waiting for? During my entire career as a New York Yankee, I have had the privilege of knowing Pastor Willie Alfonso. I am eternally grateful for the wisdom I received from him over the years. Now in his new book, the rest of the world can experience the life and the ministry of a man who has been such a blessing to me. I know a good closer when I see one. This book will close the old chapters in your life, and set you up for a new beginning. -Mariano Rivera, #42 Retired Relief Pitcher, New York Yankees Our backgrounds and stories sound very similar, but we have been placed in different arenas. *It's A New Beginning: How to Turn Setbacks Into Comebacks* captures the way God can take Willie Alfonso from a forgotten, broken child and turn him into a man that influences some of the biggest names in sports history. His story will encourage those who are experiencing setbacks, as well as spur on others to never give up on the ones with the tough exterior. -Nicky Cruz, Evangelist and Author Chaplain Willie Alfonso's story is nothing short of a miracle! Read it and you'll be inspired to a new level of faith. - Jim Cymbala, Senior Pastor, The Brooklyn Tabernacle

The Story of My Life

This landmark in the literature of black protest eloquently affirms that it is beneath the dignity of a human being to beg for those rights that belong inherently to all mankind.

Death of a King

A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

The Rose Man

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

Once an aspiring filmmaker and screenwriter, Ben Marvin's unflappable ambition and esteemed accolades had put him on the path for success. Tragically, his aspirations abruptly vanished on the ill-fated day Amanda, his beloved fiancée, was killed. In the three years following Amanda's departure, Ben endures a reclusive phase, a rebellious phase and a self-destructive phase. The one constant in his life is the melancholy he can't seem to shake. As a much needed distraction from his routine life, Ben agrees to assist his best friend Patrick in a campaign to raise five thousand dollars in less than one week. For reasons unknown, Patrick isn't willing to disclose his need for the money, but this doesn't prevent Ben from exhausting all options to raise the necessary funds. Knowing Patrick as well as Ben does, he firmly believes there's a legitimate motive behind Patrick's crusade."

For the Record 6: Women of Motown

Preachin' the Blues

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

The Queen Next Door

The Diary of a Nobody is an English comic novel that records the daily events in the lives of a London clerk, Charles Pooter, his wife Carrie, his son Lupin, and numerous friends and acquaintances over a period of 15 months.

The Murder of Willie Lincoln

From the moment Patti Smith burst onto the scene, chanting "Jesus died for somebody's sins, but not mine," the irreverent opening line to *Horses*, her 1975 debut album, the punk movement had found its dissident intellectual voice. Yet outside

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

the recording studio—Smith has released eleven studio albums—the punk poet laureate has been perhaps just as revelatory and rhapsodic in interviews, delivering off-the-cuff jeremiads that emboldened a generation of disaffected youth and imparting hard-earned life lessons. With her characteristic blend of bohemian intellectualism, antiauthoritarian poetry, and unflagging optimism, Smith gave them hope in the transcendent power of art. In interviews, Smith is unfiltered and startlingly present, and prescient, preaching a gospel bound to shock or inspire. Each interview is part confession, part call-and-response sermon with the interviewer. And there have been some legendary interviewers: William S. Burroughs, Thurston Moore (of Sonic Youth), and novelist Jonathan Lethem. Her interview archive serves as a compelling counternarrative to the albums and books. Initially, interviewing Patti Smith was a censorship liability. Contemptuous of staid rules of decorum, no one knew what she might say, whether they were getting the romantic, swooning for Lorca and Blake, or the firebrand with no respect for an on-air seven-second delay. Patti Smith on Patti Smith is a compendium of profound and reflective moments in the life of one of the most insightful and provocative artists working today.

Harmonicas, Harps, and Heavy Breathers

It's 1987. Dane Morrison, a middle-aged ad agency sales rep, meets an enigmatic street rose salesman during a hot summer in Houston, Texas. As Dane learns more about the Rose Man, Dane's dreams and reality become a hellish playground for the unearthly vagabond. And as Dane soon discovers, where love and hope are found, the Rose Man walks. The Rose Man is an early, award-winning story from critically-acclaimed horror author, Terry M. West. Thought lost until it was found on a recovered computer drive, The Rose Man presents one of Terry M. West's most unique horror characters. This story is presented with an introduction from the author as well as story notes.

Raffles

Dr. Adler takes an engaging look at the various images and hierarchies of angels (including guardian angels), speculating on the existence of these creatures and the ways in which they have been viewed as objects of religious belief and philosophical thought. Lightning Print On Demand Title

Patti Smith on Patti Smith

Little Willie John lived for a fleeting 30 years, but his dynamic and daring sound left an indelible mark on the history of music. His deep blues, rollicking rock 'n' roll and swinging ballads inspired a generation of musicians, forming the basis for what we now know as soul music. Born in Arkansas in 1937, William Edward John found his voice in the church halls, rec centers and nightclubs of Detroit, a fertile proving ground that produced the likes of Levi Stubbs and the Four Tops, Stevie

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

Wonder, Aretha Franklin, Diana Ross and the Supremes, Smokey Robinson and Hank Ballard and the Midnighters. One voice rose above the rest in those formative years of the 1950s, and Little Willie John went on to have 15 hit singles in the American rhythm & blues chart, with considerable cross-over success in pop. Some of his songs might be best known by their cover versions ("Fever" by Peggy Lee, "Need Your Love So Bad" by Fleetwood Mac and "Leave My Kitten Alone" by The Beatles) but Little Willie John's original recording of these and other songs are widely considered to be definitive, and it is this sound that is credited with ushering in a new age in American music as the 1950s turned into the 60s and rock 'n' roll took its place in popular culture. The soaring heights of Little Willie John's career are matched only by the tragic events of his death, cutting short a life so full of promise. Charged with a violent crime in the late 1960s, an abbreviated trial saw Willie convicted and incarcerated in Walla Walla Washington, where he died under mysterious circumstances in 1968. In this, the first official biography of one of the most important figures in rhythm & blues history, author Susan Whitall, with the help of Little Willie John's eldest son Kevin John, has interviewed some of the biggest names in the music industry and delved into the personal archive of the John family to produce an unprecedented account of the man who invented soul music. "Little Willie John is the soul singer's soul singer." - Marvin Gaye "My mother told me, if you call yourself 'Little' Stevie Wonder you'd better be as good as Little Willie John." - Stevie Wonder "Willie John was one of the most brilliant singers you would ever want to come across, bar none. There are things that were great, there are things that were good. Willie John was past great." - Sam Moore "Little Willie John did not know how to sing wrong, know what I mean?" - Dion "Little Willie John was a soul singer before anyone thought to call it that." - James Brown

Stone Fox

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

The Diary of a Nobody

Combining firsthand reporting with historical research, a music journalist provides a musical history of the birth of rock 'n' roll in the black juke joints where James Brown and B.B. King got their start. 17,000 first printing.

Trampled by the Gods

Three more fascinating books in a multi-volume oral history of rock and soul music, edited by one of America's preeminent pop music journalists. Told in the voices of the people who were actually there, here are the stories of: (1) Sly and the Family Stone, the Woodstock-era interracial, intergender band which merged soul with psychedelic rock; (2) George Clinton

File Type PDF Fever Little Willie Johns Fast Life Mysterious Death And The Birth Of Soul The Authorized Biography

and P-Funk, the inventive musical aggregation that laid the groundwork for rap, hip-hop, alternative, and techno music; and (3) Women of Motown, members of "girl groups" and solo artists during the heyday of the world's most famous record label.

The Souls of Black Folk

On a remote island with a deadly secret, Lincoln Monk and his band of misfits confront a billionaire with devastating plans for global supremacy in Tony Reed's bestselling debut novel Neptune Island. "Cussler fans will love this." Amazon reviewer "a modern fast-paced Dr No." Amazon reviewer "A whole lotta fun!" Amazon Reviewer Question: What do you get when you combine an all-American hero, his long-suffering Japanese sidekick, a grumpy physics professor and sexy Russian wife, a gay adventurer, an exotic female assassin, a ruthless tycoon with a sadistic henchman, and a pug named Napoleon? Answer: Neptune Island. Lincoln Monk, ex-cop, left the rat race with a simple plan: travel the world, work along the way, and live the dream. But life seldom goes according to plan. Lincoln hasn't been to the island in some time, and for good reason--he prefers to let old wounds heal. But when he receives an encrypted data drive just days after an old flame dies under mysterious circumstances, he feels compelled to return and find answers. With help from a group of assorted oddballs and eccentrics, Lincoln's investigation leads to mysterious Neptune Island and the compound of Jonathan Kane. Faced with deadly jungle and Kane's army of mercenaries, can Lincoln discover the secret behind Neptune Island before Kane unleashes his apocalyptic vision and changes the course of history? "Moves along at breakneck pace. Definitely a Hollywood blockbuster in the waiting. Five stars all the way." Amazon AU reviewer "villains, henchmen, monsters, earthquakes and explosions: I'm worn out just reading the book." Amazon reviewer "part Cussler, part Reilly and part Crichton. An entertaining read, thoroughly enjoyable." Amazon reviewer "Non-stop action. A definite five stars." Amazon reviewer. "Riveting hard to put down!" Amazon reviewer "Action-Adventure/Excitement/Suspense/LOL Humor/Engaging Characters---Neptune Island has it all." Amazon reviewer "A fun satisfying readreminiscent of the early Bond films. I finished it in one sitting." Amazon reviewer "shades of Matthew Reilly, a touch of Clive Cussler" Amazon UK reviewer "Funny and serious at times never a dull moment. A must read if you like some sci-fi." Amazon reviewer "The dialogue, characters, readability and general reader involvement are intense in this book. The writing style is crisp and intelligent without over complication. Nice, exciting read." Motown

Joni Mitchell was a solidly middle-class bohemian; an anti-feminist who loved men but scorned free love; a female warrior taking on the male music establishment. She was both the party girl with torn stockings and the sensitive soul. Her earthy, poetic lyrics and the unusual melodic intervals traced by that lissome voice earned her the status of a pop legend. Joni on Joni is a chronologically arranged anthology of Mitchell's most illuminating interviews, spanning the years 1966 to 2014. Included are revealing pieces from her early years in Canada and Detroit, along with influential articles such as Cameron Crowe's Rolling Stone piece. Interspersed throughout are key quotes from dozens of additional Q&As. Together, this material paints a revealing picture of the artist—bragging and scornful, philosophical and deep, but also a beguiling flirt.

Paper Towns

In this entertaining and observant memoir, Johns takes us on a tour of his world during the heady years of the sixties, with beguiling stories that will delight music fans the world over, such as when he had to bail the Steve Miller Band out of jail on their second day in London, his impressions of John and Yoko during the Abbey Road sessions, or running into Bob Dylan at JFK and being asked by Dylan to work on a collaborative album with him, the Stones, and the Beatles, which never came to pass. Johns was there during some of the most iconic moments in rock and roll history.

It's a New Beginning

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.

Fever: Little Willie John's Fast Life, Mysterious Death, and the Birth of Soul

This, my third book about Staten Island, takes a look into our islands rich and diverse past in a series of short stories. Be they myth, folklore, legend or tales, they have been passed down from generation to generation. Some are proven true, some are believed to be false but the one thing they all have in common, they have been repeated time after time and they are fascinating stories. I am sure that some of these stories will bring up fond memories of Staten Islands past. Some of what you will discover in this book are, tales of a Mad Monk in St. Augustine Monastery, Lost Treasure off Staten Island shores, a story about a colorful character called The Indian Lady from Shooters Island, find out why a Nazi prisoner returned after his escape from the army's Halloran General Hospital (Willowbrook State School), discover the connection that Ichabod Crane, the Lindbergh baby, Willie Sutton and the Queen of England had to Staten Island, sit back and enjoy stories of stills and moonshine, gangsters, buried treasures, local ghosts and much more.

Lincoln in the Bardo

Reflections on the life of Aretha Franklin captured in exclusive photographs by her friend, photojournalist Linda Solomon.

Staten Island

Cousin Dinky, an adventurous pilot, brings his future bride home to meet the Littles, a family of tiny, tailed people who live inside the walls of the Biggs' house. Reissue.

Stay Out of the Kitchen!

Washington City, 1862: The United States lies in tatters, and there seems no end to the war. Abraham Lincoln, the legitimate President of the United States, is using all his will to keep his beloved land together. But Lincoln's will and soul are tested when tragedy strikes the White House as Willie Lincoln, the love and shining light in the president's heart, is taken by typhoid fever. But was this really the cause of his death? A message arrives, suggesting otherwise. Lincoln asks John Hay, his trusted aide—and almost a son—to investigate Willie's death. Some see Hay as a gadfly--adventurous, incisive, lusty, reflective, skeptical, even cynical—but he loves the president and so seeks the truth behind the boy's death. And so, as we follow Hay in his investigation, we are shown the loftiest and lowest corners of Washington City, from the president's office and the gentleman's dining room at Willard's Hotel to the alley hovels, wartime hospitals, and the domeless Capitol's vermin-infested subbasement. We see the unfamiliar sides of a grief-stricken president, his hellcat of a wife, and their two surviving and suffering sons, and Hay matches wits with such luminaries as General McClellan, William Seward, and the indomitable detective Allan Pinkerton. What Hay discovers has the potential of not only destroying Lincoln, but a nation. *The Murder of Willie Lincoln* is an exciting historical fiction debut by award-winning political journalist and Washington insider Burt Solomon.

Viruses, Plagues, and History

In this first official visual history of the label, new research, a dazzling array of images, and unprecedented access to the archives of the makers and stars of Motown lend new insight to the legend. In addition to extensive specially commissioned photography of treasures extracted from the Motown archives, as well as the personal collections of Barney Ales and Motown stars, *Motown: The Sound of Young America* draws on interviews with key players from the label's colorful history, including Motown founder Berry Gordy, Barney Ales, Smokey Robinson, Mary Wilson, founding member of the Supremes, and many more.

The Littles Have a Wedding

"From the seed of historical truth that is the death of President Lincoln's beloved eleven-year-old son Willie, George Saunders spins a story of familial love and loss that breaks free of its realistic, historical framework into a supernatural realm Willie Lincoln finds himself in a strange purgatory where ghosts mingle, gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state--called, in the Tibetan tradition, the bardo--a monumental struggle erupts over young Willie's soul."--Amazon.com.

Neptune Island

A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by the press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy. Smiley's *Death of a King* paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.
