Born to Be Blessed

An in-depth, interactive companion study to John Hagee's new bestseller, *The Three Heavens*.

The Book of Revelation Unveiled at Last!

The Power of the Prophetic Blessing offers a seldom-heard message of encouragement and blessing for today and for generations to come.

Day of Deception

The apostle John pushed aside the incense. "I will not make your sacrifice," he announced to the Roman tribune. "There is one God, and his name is not Domitian." Standing next to John at the stone altar of the emperor's temple were other believers, including Asia's most wealthy citizen, Abraham of Ephesus, and his family. Will Abraham follow John's example? If he refuses to make the sacrifice, the shipping magnate's vast fortune will be confiscated by Rome, and he will either be executed or exiled to Patmos-Devil's Island. This exciting historical novel follows Abraham and his family as they make their choice to worship Ceasar or follow Christ, and it brings to life the days when Christians faced the lions in Rome's Coliseum-and when the exiled apostle received the great visions of Revelation. Previously published in hardcover (90785267875).

The Revelation of Truth

John Hagee says, "The world as we know it will end, neither with a bang nor a whimper, but in stages clearly set forth in God's Word." His latest and most provocative book takes a cue from a cultural icon, the ticking clock. Hagee presents a prophetic "Doomsday

Clock" and counts down the minutes-through prophetic events-which must occur before that fateful moment when every unredeemed individual must face God on Judgment Day. Citing examples from national and international media and using Scripture to confirm his insights, he presents a compelling argument to prove that time is indeed running out.

Last Days Madness

Is the world soon ending? Scores of best-selling books, claiming to be highly spiritual and Biblical, have warned us in recent decades that Armageddon, World War 3, and the Rapture are coming in the next few months. From Hal Lindsay, to Tim LaHaye, to John Hagee, the "urgent message" keeps getting relayed: we should fear the imminent end of the world. Can a Christian doubt the end is near? Considering that the doomsdayists have been wrong time and time again for centuries, maybe we should doubt. Now acclaimed author Reverend Doctor Lance Moore offers inquisitive minds an alternative Biblical view as he challenges the sensationalistic profiteering behind "Left Behind" and "Blood Moon" fears, with a clear examination of the truth-and an expose of the false motives of End Time propheteers."

In this landmark work, Paul Kurtz examines the reasons why people accept supernatural and paranormal belief systems in spite of substantial evidence to the contrary. According to Kurtz, it is because there is within the human species a deeply rooted tendency toward magical thinking—the “transcendental temptation”—which undermines critical judgment and paves the way for willful beliefs. Kurtz explores in detail the three major monotheistic religions—Judaism, Christianity, and Islam—finding striking psychological and sociological parallels

between these religions, the spiritualism of the nineteenth century, and the paranormal belief systems of today. This acclaimed and controversial book includes sections on mysticism, belief in the afterlife, the existence of God, reincarnation, astrology, and ufology. Kurtz concludes by explaining and advocating rational skepticism as an antidote to belief in the transcendental.

The Three Heavens

Scandalous Saint is the harrowing true story of missionary pilot John Eils, whose exploits in Mexico in the late 1950s read more like the script of a Hollywood movie. In answering the call to spread the gospel throughout Mexico, John and his wife, Josie, faced trials, danger, and resistance from the moment they crossed the border. They were jailed and even falsely accused of both smuggling and using the church as a house of prostitution. With faith and courage, they managed to escape one hair-raising scrape after another. Their story is a powerful reminder of how God's grace and provision follow those who serve Him with all their hearts.

IS JESUS LOST? That's not a safe question to ask out loud, especially in the typical church on Sunday morning. And yet, there's this uneasy feeling that something really is missing. Perhaps it's Jesus! Consumer-style Christianity has so redefined the person of Christ that He's just a mere shadow of His former self. The Galilean Carpenter who launched a global movement lies buried somewhere beneath the

layers of tradition and the noise of religion. Most contemporary views of Jesus do little to excite the imagination and outright fail to ignite a call to mission. On any given Sunday, both are left behind in the padded pews as the saints flee to the nearest restaurant. But what if the resurrected Lord of Glory pulled back the curtain and allowed us to see Him as He really is? Imagine the stunned look on the Apostle Paul's face after this happened to him one day. He was travelling on the Damascus Road ""breathing murderous threats against the church,"" when in a brilliant flash of light, he laid eyes on the real Jesus. The intensity of the vision was blinding-the scope of the vision, world changing. One Blinding Vision is an invitation for anyone who wants to begin a new journey into the life of Christ. Passionately raw and fiercely honest, read this book when you need to soothe the heartburn caused by an overexposure to the wrong Jesus.

These occurrences were connected to some of the most significant days in Jewish history: 1492 (the final year of the Spanish Inquisition when Jews were expelled from Spain), 1948 (statehood for Israel and the War of Independence) and 1967 (the Six-Day War). The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015. In this devotional study guide, Pastor Hagee challenges readers to further explore the meaning behind blood

From Daniel to Doomsday

In Defense of Israel, Revised

THE COMETS OF GOD shows that almost all of the large-scale catastrophes described or prophesied in the Bible can be explained as a consequence of cometary phenomena. Dr. Goodman, an archeologist and geologist, has spent 20 years studying the Bible's stories and prophecies of catastrophe. His research reveals important scientific information hidden in the

Bookmark File PDF Four Blood Moons John Hagee

Bible. In a process that can be called “Biblical CSI,” Goodman translated the original Hebrew words of the Bible according to their ancient usage, and then related them to recent archeological, geological, and astronomical discoveries. What Goodman discovered were dramatically different explanations for these events than the traditional translations have told. THE COMETS OF GOD documents significant scientific evidence that supports the Bible and helps to establish the reality of the ancient catastrophic events recorded in the Bible. Comets are the common denominator for the Flood, the destruction of the Tower of Babel, the destruction of Sodom and Gomorrah, some of the plagues of the Exodus, Joshua's great victory over the Amorites, Debra and Barak's victory over the Canaanites, and the “blast” that killed 185,000 Assyrians during the rule of King Hezekiah. THE COMETS OF GOD also gives scientific explanations for the catastrophic events the Bible prophesies to occur during the “end times.” Many will be surprised to learn that the key to understanding passages such as the Seven Trumpets and Seven Vials of Revelation are comets, not nuclear bombs. Indeed, a large comet impact could cause the earth to rock in space, cause an earthquake that is over 14 on the Richter scale, unleash a series of tsunamis whose waves exceed a mile in height, and even cause the earth's crust to melt. Many prophetic passages suddenly make sense once we recognize that much of Revelation's mysterious imagery is describing the effects of different types of comet impact. How did the writers of the Bible come to 'know' so much about comets, the giant ice balls of space, before modern science?

The Mystery of the Shemittah Updated Edition

A book of Jewish myth and thinking, the Book of Enoch was a book that was widely used in the first century as a point of reference in Jewish belief. While it is largely unknown exactly when the book was written, it was known to have been written by the time of the New Testament since a passage in the book of Jude comes from this source. While not canonical, this book is an interesting tool to enlightening the myths Jews held onto at the time of Biblical writing.

This paperback version of Pastor John Hagee's newest book has ripped-from-the-headlines updates. New material has been added regarding the death of the dollar, a nuclear Iran, and the rejection of Israel. Further, this New York Times best-selling author says the United States is heading into a "Perfect Storm." Titanic. John F. Kennedy's assassination. 9/11. John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive?* Hagee uses these tragedies to prove two points: that the unthinkable can happen and, given the right conditions, the unthinkable can quickly become the inevitable. In *Can America Survive?* Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. "Think it can't happen?" Hagee asks in a theme repeated throughout the book. "Think again." Indeed, Hagee

presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a “perfect storm” that could bring down the “unsinkable” United States of America including: The U.S.’s negligent handling of Israel, and history’s evidence of the danger to any nation that challenges Israel’s God-mandated right to exist The dangerous belittling of Iran’s nuclear threat by careless spy agencies—and the super-weapon that could stop the U.S. in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force “as a cloud to cover the land” The real \$2.5 trillion price tag of healthcare reform, the international currency shifts, and the national economic trends that are poised to bring about the death of the American dollar The criminalization of Christianity around the world; Can America Survive? is not just a warning. It is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, “those who do not remember the mistakes of the past are doomed to repeat them in the future.” Think it can’t happen? Think again.
