Gettysburg

Originally published: New York: Doubleday, 1956.

Gettysburg

The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

This Hallowed Ground

Providing an overview of this dramatic battle of the Civil War, this book also provides an on-site tour to help both serious students and casual visitors get the most out of a visit to the location. 43 maps.

Gettysburg Battlefield

In order to be a truly effective leader, it is necessary to learn as much as possible from the examples of history—the disasters as well as the triumphs. At Gettysburg, Union and Confederate commanders faced a series of critical leadership challenges under the enormous stress of combat. The fate of the nation hung in the balance. These leaders each responded in different ways, but the concepts and principles they applied during those traumatic three days contain critical lessons for today's leaders that are both useful and applicable—whether those leaders manage operations at a large corporation, supervise a public institution, lead an athletic team, or govern a state or municipality. In the twenty-first century, leadership is the indispensable quantity that separates successful organizations from failures. Successful leaders communicate vision, motivate team members, and

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

inspire trust. One must move both people and the collective organization into the future while, at the same time, dealing with the past. A leader must learn to master the dynamic requirements of decision-making and change.

The Gettysburg National Military Park is one of the most visited National Parks in the nation. Visitors come from around the world to tour the battlefield and hear the stories of the sacrifices made here on those three fateful days in July, 1863. The monuments are an enduring legacy of the veterans who returned there in the years following, commemorating the dead, wounded, and survivors. But there is another side to the Gettysburg National Military Park, often overlooked by the casual visitor. Due to the many years of preservation of the battlefield and surrounding areas, the park has evolved into a diverse eco-system. It is home to many native, and introduced, species of birds and plants. With this guide, you can discover the other treasures of Gettysburg National Military Park as you wander the trails and fields, or from the comfort of your home. This book includes the photography and research of Patricia Rich, an amateur photographer and long-time battlefield visitor.

Guide to Gettysburg Battlefield Monuments

In this lively guide to the Gettysburg battlefield, Carol Reardon and Tom Vossler invite readers to participate in a tour of this hallowed ground. Ideal for carrying on trips through the park as well as for the armchair historian, this book includes comprehensive maps and deft descriptions of the action that situate visitors in time and place. Crisp narratives introduce key figures and events, and eye-opening vignettes help readers more fully comprehend the import of what happened

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

and why. A wide variety of contemporary and postwar source materials offer colorful stories and present interesting interpretations that have shaped--or reshaped--our understanding of Gettysburg today. Each stop addresses the following: What happened here? Who fought here? Who commanded here? Who fell here? Who lived here? How did participants remember this event?

Civil War 150

In September 1862 the Confederate Army of Northern Virginia and the Union Army of the Potomac conducted one of the truly great campaigns of the Civil War. At South Mountain, Harpers Ferry, and Antietam, North and South clashed in engagements whose magnitude and importance would earn this campaign a distinguished place in American military history. The siege of Harpers Ferry produced the largest surrender of U.S. troops in the nation's history until World War II, while the day-long battle at Antietam on September 17 still holds the distinction of being the single bloodiest day of combat in Amer.

Chickamauga

Travel Brain guides you on an expedition to Gettysburg, the bloodiest battle of the American Civil War. Includes historic photographs, illustrations and maps that make Gettysburg come alive.

The Gettysburg Address

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

The Battle of Gettysburg remains one of the most controversial military actions in America's history, and one of the most studied. Professor Coddington's is an analysis not only of the battle proper, but of the actions of both Union and Confederate armies for the six months prior to the battle and the factors affecting General Meade's decision not to pursue the retreating Confederate forces. This book contends that Gettysburg was a crucial Union victory, primarily because of the effective leadership of Union forces—not, as has often been said, only because the North was the beneficiary of Lee's mistakes.

Battle Tested!

This book is taking a different approach as compared to other ghost hunting books on Gettysburg. Granted, there are some really great books already on the subject. But, adding more historic information for those who read this book will have a solid starting point on researching the battlefield for other locations. Of course, you can just keep going back to the same locations over and over and competing with others.

Jeff Shaara's Civil War Battlefields

Takes the driver/listener on a gripping journey through the Gettysburg battlefield following the official National Park Service auto tour route. Includes full (2 hrs., 50 min.), medium (2.5 hrs.) and short (2 hrs.) formats.

Manassas

The Complete Gettysburg Guide

This new edition of the definitive guide to Civil War battlefields is really a completely new book. While the first edition covered 60 major battlefields, from Fort Sumter to Appomattox, the second covers all of the 384 designated as the "principal battlefields" in the Civil War Sites Advisory Commission Report. As in the first edition, the essays are authoritative and concise, written by such leading historians as James M. McPherson, Stephen W. Sears, Edwin C. Bearss, James I. Robinson, Jr., and Gary W. Gallagher. The second edition also features 83 new four-color maps covering the most important battles. The Civil War Battlefield Guide is an essential reference for anyone interested in the Civil War.

The Civil War Battlefield Guide

Artillery played an important and perhaps decisive role at the July 1863 Battle of Gettysburg. Although many hundreds of books have been published on the battle, few have focused on the artillery. *Silent Sentinels* fills this glaring gap in the literature. This well-written and illustrated study was designed for both the casual battlefield visitor and the serious scholar. The former will use *Silent Sentinels* to tour the battlefield, browse existing guns, ponder the many photographs, and learn more about artillery in general; the latter will find the extensive primary

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

sources, diagrams, appendices of numbers and losses, and informative discussion of organization and tactics an indispensable reference resource. Silent Sentinels discusses in detail every gun-type used at Gettysburg, the equipment needed to operate the guns, their organization, and the tactics employed by both Union and Confederate artillery men. In addition to a history of the artillery and how it was used, the author includes chapters on the park's collection of 436 guns, the pieces on display at the field today, how to identify the different types of cannon, and how to identify the date and place of manufacture. Silent Sentinels concludes with a driving tour of the battlefield, specially designed with the artillery in mind. This lovely historical guide, complete with detailed endnotes and bibliography, will be a welcomed addition to the growing Gettysburg titles.

Bicycling Gettysburg National Military Park

Take a 23.8-mile ride back in time and learn the three-day story of the Battle of Gettysburg (July 1-3, 1863) from the perspective of a bicyclist using the guidebook, *Bicycling Gettysburg National Military Park*. Written for history buffs and bicyclists alike, the book is packed with 34 color maps and hundreds of photos and GPS points.

The Official Virginia Civil War Battlefield Guide

From July 1 to 3, 1863, North met South in the battle

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

of Gettysburg in what was to prove one of the key turning points of the Civil War. This epic clash of arms saw nearly 50,000 casualties on both sides as the Confederate forces under Robert E. Lee desperately sought to break the Union lines, but to no avail. This new study of the battle is based on the views of those who took part. Using a collection of unpublished letters in the collection of the National Museum of the Civil War, Wayne Motts reveals the hopes and fears of those who fought in one of the greatest campaigns in American history. Their testimony, supported by historical images of the letter writers themselves coupled with modern images of the battlefield, bring the realities of the battle of Gettysburg vividly to life.

Gettysburg Study Guide, Volume 1

142 two-color maps vividly depict battlefield action Detailed local driving directions guide visitors to each battlefield site Of the 384 Civil War battlefields cited as critical to preserve by the congressionally appointed Civil War Sites Advisory Commission, 123-fully one-third-are located in Virginia. The Official Virginia Civil War Battlefield Guide is the comprehensive guidebook to the most significant battles of the Civil War. Reviewed by Edwin C. Bearss and other noted Civil War authorities and sanctioned by the National Park Service and the Virginia Department of Historic Resources, no other guidebook on the market today rivals it for historical detail, accuracy, and credibility.

The Gettysburg Campaign

of The Bachelder-Coddington Literary Award, 2009, given by the Robert E. Lee Civil War Round Table of Central New Jersey. Now available in paperback, 'Sickles at Gettysburg: The Controversial Civil War General Who Committed Murder, Abandoned Little Round Top, and Declared Himself the Hero of Gettysburg', by licensed battlefield guide James Hessler, is the most deeply-researched, full-length biography to appear on this remarkable American icon. And it is long overdue. No individual who fought at Gettysburg was more controversial, both personally and professionally, than Major General Daniel E. Sickles. By 1863, Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice. With his political career in ruins, Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's Third Corps despite having no military experience. At Gettysburg, he openly disobeyed orders in one of the most controversial decisions in military history. No single action dictated the battlefield strategies of George Meade and Robert E. Lee more than Sickles' unauthorized advance to the Peach Orchard, and the mythic defense of Little Round Top might have occurred quite differently were it not for General Sickles. Fighting heroically, Sickles lost his leg on the field and thereafter worked to remove General Meade from command of the army. Sickles spent the remainder of his checkered life declaring himself the true hero of Gettysburg. Although he nearly lost the battle, Sickles was one of the earliest guardians of the battlefield when he returned to Congress, created

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

Gettysburg National Military Park, and helped preserve the field for future generations. But Dan Sickles was never far from scandal. He was eventually removed from the New York Monument Commission and nearly went to jail for misappropriation of funds. Hesslers critically acclaimed biography is a balanced and entertaining account of Sickles colorful life. Civil War enthusiasts who want to understand General Sickles scandalous life, Gettysburgs battlefield strategies, the in-fighting within the Army of the Potomac, and the development of today's National Park will find Sickles at Gettysburg a must-read. REVIEWS: The few other Sickles biographies available will now take a back seat to Hesslers powerful and evocative study of the man, the general, and the legacy of the Gettysburg battlefield that old Dan left America. I highly recommend this book. J. David Petruzzi, co-author of Plenty of Blame to Go Around: Jeb Stuarts Controversial Ride to Gettysburg (2006) and with Steve Stanley The Complete Gettysburg Guide (2009) This book is a breath of fresh air it is an objective, thorough, and readable examination of the controversial general. Hessler avoids getting bogged down in extreme reactions typically seen in others who write on this subject. Sue Boardman, Licensed Battlefield Guide, GNMP; Leadership Program Coordinator, Gettysburg Foundation; and author of The Battle of Gettysburg Cyclorama: A History and Guide About the Author: James A. Hessler works in the financial services industry and is a Licensed Battlefield Guide at Gettysburg National Military Park. He has taught Sickles and Gettysburg-related courses for Harrisburg Area Community College and the Gettysburg

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

Foundation. In addition to writing articles for publication, Hessler speaks regularly at Civil War Round Tables. A native of Buffalo, NY, he resides in Gettysburg with his wife and children.

Ghost Hunters Reference Guide: Gettysburg Battlefield

This volume is the essential guide to the Manassas battlefields, site of two of the Civil War's critical campaigns. Ethan S. Rafuse, a distinguished scholar

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

of the Civil War, provides a clearly organized, thorough, and uniquely insightful account of both campaigns, along with expert analysis and precise directions for armchair traveler and battlefield visitor alike. The July 1861 Battle of First Manassas and the August 1862 Battle of Second Manassas unequivocally influenced the course and outcome of the Civil War. The first battle dealt a decisive blow to hopes that the inexperienced armies of the North and the South could bring about a quick military resolution of the secession crisis. The second battle was the climactic engagement of a spectacular campaign that carried the war to the outskirts of Washington DC and marked the coming of age of Robert E. Lee's Army of Northern Virginia. *Manassas: A Battlefield Guide* presents readers with a clear, convenient guide to the sites in northern and central Virginia that shaped the course and outcome of these campaigns. Lucid, concise narratives give readers a better understanding of the events that took place on these battlefields and of the terrain, personalities, and decisions that shaped them.

Hallowed Ground

Some two million people visit the battlefield at Gettysburg each year. It is one of the most popular historical destinations in the United States. Most visitors tour the field by following the National Park Service's suggested auto tour. The standard tour, however, skips crucial monuments, markers, battle actions, town sites, hospital locations, an

Landscape Turned Red

This book is a unique example of photographic detective work in which the famous battle is re-created almost as if it were a contemporary news event. The reader is transported to the battlefield by the photographs and through the analysis of the photographs to the battle itself. We watch it unfold, action by action. In meticulous close-up fashion, with documentary force, we see the terrible encounters of men at war. - Publisher.

A Field Guide to Gettysburg

The year 2011 marks the sesquicentennial of the Civil War, and so the time is right for this indispensable collection of 150 key places to see and things to do to remember and to honor the sacrifices made during America's epic struggle. Covering dozens of states and the District of Columbia, this easy-to-use guide provides a concise text description and one or more images for each entry, as well as directions to all sites.

Gettysburg

More than two million people visit the battlefield at Gettysburg each year. It is one of the most popular historical destinations in the United States. Most visitors tour the field by following the National Park Service's suggested auto tour. That tour, however, misses crucial battle actions, monuments, markers, and other hidden historical gems that everyone

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

should experience. With *The Complete Gettysburg Guide: Audio Driving and Walking Tours, Volume 1: The Battlefield*, visitors will finally be able to experience many of these sights and events and much more in this entertaining and informative audio tour based on the best-selling *The Complete Gettysburg Guide* (2009). Narrated by author J. David Petruzzi, the package booklet features maps and a stunning design by internationally acclaimed designer/cartographer Steven Stanley. A must-have for your tour of the park!

About the Authors: J. David Petruzzi is widely recognized as one of the country's leading Gettysburg experts. In addition to his numerous articles for a wide variety of publications, he is the author (with Eric Wittenberg) of bestsellers *Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg* (Savas Beatie, 2006) and (with Wittenberg and Michael Nugent) *One Continuous Fight: The Retreat from Gettysburg and the Pursuit of Lee's Army of Northern Virginia, July 4-14, 1863* (Savas Beatie, 2008). Petruzzi is also a popular speaker on the Civil War Roundtable circuit and regularly conducts tours of Civil War battlefields.

Steven Stanley lives in Gettysburg and is a graphic artist specializing in historical map design and battlefield photography. His maps, considered among the best in historical cartography, have been a longtime staple of the Civil War Preservation Trust and have helped raise millions of dollars for the Trust through their preservation appeals and interpretation projects. Steve's maps have appeared in a wide variety of publications.

Gettysburg

The Civil War battle waged on September 17, 1862, at Antietam Creek, Maryland, was one of the bloodiest in the nation's history: in this single day, the war claimed nearly 23,000 casualties. In *Landscape Turned Red*, the renowned historian Stephen Sears draws on a remarkable cache of diaries, dispatches, and letters to recreate the vivid drama of Antietam as experienced not only by its leaders but also by its soldiers, both Union and Confederate. Combining brilliant military analysis with narrative history of enormous power, *Landscape Turned Red* is the definitive work on this climactic and bitter struggle.

A Strong and Sudden Onslaught

Gettysburg Battlefield is the definitive illustrated history of the largest and deadliest military campaign ever waged in the Western Hemisphere. It was fought 140 years ago this July, in the farmlands of Pennsylvania. Years in the making, it draws together the most complete collection of Gettysburg imagery ever published in a single volume along with a robust narrative. The author takes the reader on a day-by-day journey through the battle, illustrated throughout with more than 480 photographs, many of them rare, including shots of Robert E. Lee and George Meade. Two visual features of this book are particularly compelling: Period photographs of key battlefield sites - taken just as the guns stilled - are juxtaposed with images of those same sites today. Three-dimensional maps were created especially for this book and offer a

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

distinctive perspective on military strategy. Essays by civil war experts and a foreword by historian James M. McPherson complete this handsome and authoritative history. An essential addition to the Civil War library, Gettysburg Battlefield is a compelling chronicle of a legendary conflict and the ultimate pictorial record.

Civil War Trails

The Gettysburg Campaign Exam Study Guide, Volume Two contains 600+ questions and answers regarding the armies, chronologies, maps, cemeteries, commanders of the 1863 Pennsylvania Campaign. The book's format and content help a students' exam performance.

The Gettysburg Cyclorama

'[I]n a larger sense, we can not dedicate-we can not consecrate-we can not hallow-this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our power to add or detract.'
- President Abraham Lincoln

Our Fathers at Gettysburg

While the battle of Gettysburg remains the centerpiece of this June/July, 1863 campaign, there is an increasing interest in less-studied peripheral events that were an integral part of the operation. One such event occurred the day before the battle of Gettysburg began the cavalry action on June 30, 1863 at and around Hanover, Pa. This important event is

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

worth examining more closely since it played a key role in the campaign 's outcome: it deflected Confederate General Jeb Stuart 's main cavalry units away from the impending battle at Gettysburg and helped prevent it from uniting and participating with General Robert E. Lee 's main battle force until the last day at Gettysburg. Although relatively little information is contained in the official reports on the action at Hanover, especially on the Confederate side, author John Krepps has constructed a fascinating account about the action at Hanover from many previously unpublished sources often overlooked. They include soldiers diaries and letters, and civilian eyewitness accounts, including damage claims filed afterwards. This detailed narrative is presented with comprehensive maps that bring clarity to this obscure subject.

Devil's Den

Thousands of books and articles have been written about the Battle of Gettysburg. Almost every topic has been thoroughly scrutinized except one: Paul Philippoteaux's massive cyclorama painting The Battle of Gettysburg, which depicts Pickett's Charge, the final attack at Gettysburg. The Gettysburg Cyclorama: The Turning Point of the Civil War on Canvas is the first comprehensive study of this art masterpiece and historic artifact. This in-depth study of the history of the cyclorama discusses every aspect of this treasure, which was first displayed in 1884 and underwent a massive restoration in 2008. Coverage includes not only how it was created and what it

Access Free Gettysburg A Battlefield Guide This Hallowed Ground Guides To Civil Wa

depicts, but the changes it has undergone and where and how it was moved. Authors Chris Brenneman and Sue Boardman also discuss in fascinating detail how the painting was interpreted by Civil War veterans in the late 19th Century. With the aid of award-winning photographer Bill Dowling, the authors utilized modern photography to compare the painting with historic and modern pictures of the landscape. Dowling's remarkable close-up digital photography allows readers to focus on distant details that usually pass unseen. Every officer, unit, terrain feature, farm, and more pictured in the painting is discussed in detail. Even more remarkable, the authors reveal an important new discovery made during the research for this book: in order to address suggestions from the viewers, the cyclorama was significantly modified five years after it was created to add more soldiers, additional flags, and even General George Meade, the commander of the Union Army! With hundreds of rare historic photographs and beautiful modern pictures of a truly great work of art, *The Gettysburg Cyclorama: The Turning Point of the Civil War on Canvas* is a must-have for anyone interested in the Battle of Gettysburg or is simply a lover of exquisite art.
