### Harry Potter and the Chamber of Secrets

The irresistible illustrated diary of one very special London dog--the perfect gift book for dog lovers of all stripes (and spots!) Hello. My name is Plum and I'm a whoosell--a whippet mixed with Jack Russell and poodle. I especially like swimming, leaping, and croissants, and my favorite fragrance is fox poop. I live with Emma, an illustrator, and Rupert in London. Over the last year, I've been keeping a diary. Emma helped with the pictures, but the words are all mine. Since 2012 Emma Chichester Clark has been delighting followers with her blog Plumdog, which records the adventures, discoveries, wry observations, and social engagements of her dog, Plum. Now Plum's best pages are collected in this beautiful little storybook volume, which will delight anyone who has ever loved a dog.

### Plumdog

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and

rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone Dobby's sinister predictions seem to be coming true.

## **Fantastic Beasts and Where to Find Them**

Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series, written by J. K. Rowling. The plot follows Harry's second year at Hogwarts School of Witchcraft and Wizardry, during which a series of messages on the walls of the school's corridors warn that the "Chamber of Secrets" has been opened and that the "heir of Slytherin" would kill all pupils who do not come from all-magical families. These threats are found after attacks which leave residents of the school "petrified" (frozen like stone). Throughout the year, Harry and his friends Ron Weasley and Hermione Granger investigate the attacks. The book was published in the United Kingdom on 2 July 1998 by Bloomsbury and in the United States on 2 June 1999 by Scholastic Inc. Although Rowling found it difficult to finish the book, it won high praise and awards from critics, young readers and the book industry, although some critics thought the story was perhaps too frightening for younger children. Much like with other novels in the series, Harry Potter and the Chamber of Secrets triggered religious debates; some religious authorities have condemned its use of magical themes, while others have praised its emphasis on self-sacrifice and on the way in which a person's character is the result of the person's choices. Several commentators have noted that personal identity is a strong theme in the book, and that it addresses issues of racism through the treatment of non-magical, non-human and non-living characters. Some commentators regard the diary as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked. Institutional authority is portrayed as self-serving and incompetent. The book is also known to have some connections to the sixth novel of the series, Harry Potter and the Half-Blood Prince. The film adaptation of the novel, released in 2002, became (at that time) the seventh highest grossing film ever and received generally favourable reviews. Video games loosely based on Harry Potter and the Chamber of Secrets were also released for several platforms, and most obtained favourable reviews.

Smith. A part of the Band Expressions series, this arrangement is prepared for use at the end of the first semester of instruction. It's rich and lush. Satisfaction guaranteed! (1: 53)

## **Monster High: Hopes and Screams**

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start.

Students are found as though turned to stone Dobby's sinister predictions seem to be coming true.

## **Cleonardo, the Little Inventor**

Harry Potter and the Chamber of Secrets is about Harry's second year at Hogwarts, and how he must uncover the truth of the Chamber of Secrets before the school is forced to close. Our unit provides teachers with a highly structured format for teaching language arts as students develop a love for reading longer materials like novels. Various areas such as reading comprehension, vocabulary development, spelling, grammar, and writing are all entwined in this integrated approach, eliminating the need for teaching these skills separately. This Novel Study provides a teacher and student section with a variety of activities, chapter questions, word search, graphic organizer and answer key to create a well-rounded lesson plan.

## **Judy Moody Saves the World!**

For use in schools and libraries only. When the Chamber of Secrets is opened again at the Hogswart School for Witchcraft and Wizardry, second-year student Harry Potter finds himself in danger from a dark power that has once more been released on the school.

## **Harry Potter and the Prisoner of Azkaban**

In Harry Potter and the Chamber of Secrets, the summer after Harry's first year at Hogwarts has been his worst summer ever... the Dursleys more distant and horrible than ever before. But just as he's packing his bags to return to school, a creature named Dobby the house-elf announces that if Harry goes back to Hogwarts, disaster will strike. And it turns out, Dobby is right. Harry and Ron miss the Hogwarts Express, so they fly to school in a blue Ford Anglia, crash landing in the notorious Whomping Willow. Soon other worries accumulate: the outrageously stuck-up new professor Gilderoy Lockhart; a ghost named Moaning Myrtle, who haunts the girls' bathroom; the strange behavior of Ron's little sister, Ginny Weasley; rumors about the "Chamber of Secrets," a cavern buried deep below Hogwarts; and a magical diary owned by Tom Riddle, a

Hogwarts student of long ago. Harry is also shocked to discover that he can speak Parseltongue, the language of snakes - a rare ability that Lord Voldemort also possessed - and that anti-Muggle prejudice exists in the Wizarding world, even affecting Harry's friend Hermione. But all of these seem like minor concerns when someone starts turning Hogwarts students to stone: an evildoer said to be the fearsome Heir of Salazar Slytherin, one of the founders of the school. Could it be Draco Malfoy, Harry's most poisonous rival? Could it be Hagrid whose mysterious past is finally told? Or could it be the one person everyone at Hogwarts most suspects: Harry Potter himself?

## **Harry Potter and the Chamber of Secrets Student Packet**

The 2017 edition of this essential companion to the Harry Potter stories included a new foreword from J.K. Rowling (writing as Newt Scamander) and 6 new beasts! A set textbook at Hogwarts School of Witchcraft and Wizardry since publication, Newt Scamander's masterpiece has entertained wizarding families through the generations. *Fantastic Beasts and Where to Find Them* is an indispensable introduction to the magical beasts of the wizarding world. The combination of award-winning composer John Williams and the talents of Robert W. Smith make for exquisite results. A stunning medley of the four most revered themes from the epic film score. The arrangement begins with the familiar Prologue: Book II. Next is the aggressive theme from The Chamber of Secrets, followed by Fawkes the Phoenix, and finally the theme used in both of the first two films, Harry's Wondrous World. A vivid and dynamic portrayal of the movie, this one will be a real crowd pleaser. (6: 05)
