Historical Dictionary of the British and Irish Civil Wars, 1637-1660

This second edition of Historical Dictionary of 'The Dirty Wars' focuses on the period 1954-1990 in South America, when authoritarian regimes waged war on subversion, both real and imagined. This is done through a chronology, an introductory essay, a bibliography, and over 400 cross-referenced dictionary entries on the countries; guerrilla and political movements; prominent guerrilla, human-rights, military, and political figures; local, regional, and international human-rights organizations; and artistic figures (filmmakers, novelists, and playwrights) whose works attempt to represent or resist the period of repression.

Historical Dictionary of Calvinism

The second edition of the Historical Dictionary of Spain is an unrivalled reference guide to Spanish history and politics from the Middle Ages to the present. With its chronology, introductory essay, and over seven hundred dictionary entries on major Spanish organizations, including political parties, trade unions, and state bodies; the various regions and languages which

comprise Spain, including Catalonia and the Basque Country; and major figures in Spanish culture and the arts, the Historical Dictionary of Spain allows readers to easily follow the major changes Spain has undergone.

Historical Dictionary of Women's Education in the United States

Historical Dictionary of the Reformation and Counter-Reformation provides a comprehensive account of two chains of events_the Protestant Reformation and the Catholic Counter-Reformation_that have left an enduring imprint on Europe, America, and the world at large. This is done through a chronology, a introductory essay, a bibliography, and over 300 cross-referenced dictionary entries on persons, places, countries, institutions, doctrines, ideas, and events.

Historical Dictionary of the British Empire

With about one billion members, the Catholic Church is one of the world's largest religious bodies, and its history is crucially linked to global events. In the Historical Dictionary of Catholicism, author William J. Collinge provides the reader with a comprehensive introduction to the theology, doctrines, and worship of the religion. He covers the entire Catholic tradition from the time of Jesus to the present, including the periods before the present division of Christianity into Roman Catholic, Eastern Orthodox, and Protestant. Collinge has also included entries on heretical, schismatic, and dissident movements within Catholicism, and he covers the relation of Catholicism to other Christian traditions, to the major non-Christian religions, and to Western cultural and philosophical traditions. The second edition of the Historical Dictionary of Catholicism has been updated to reflect recent developments in the Catholic Church, most notably the death of Pope John Paul II and his succession by Pope Benedict XVI. An updated introduction precedes the main body of the dictionary, which contains more than 500 alphabetical, cross-referenced entries covering persons, organizations, places, events, titles, and concepts. The entries are followed by several appendixes on popes, ecumenical councils, the documents of Vatican Council II, major papal encyclicals, and Catholic prayers, and a comprehensive bibliography provides the researcher with further readings. The second edition of the Historical Dictionary of Catholicism is an ideal access point for students, researchers, or anyone interested in the history of the Catholic Church.

Historical Dictionary of Democratic People's Republic of Korea

As its name implies, the Reformed tradition grew out of the 16th century Protestant Reformation. The Reformed churches consider themselves to be the Catholic Church reformed. The movement originated in the reform efforts of Huldrych Zwingli (1484-1531) of Zurich and John Calvin (1509-1564) of Geneva. Although the Reformed movement was dependent upon many Protestant leaders, it was Calvin's tireless work as a writer, preacher, teacher, and social and ecclesiastical reformer

that provided a substantial body of literature and an ethos from which the Reformed tradition grew. Today, the Reformed churches are a multicultural, multiethnic, and multinational phenomenon. The second edition of the Historical Dictionary of the Reformed Churches contains information on the major personalities, events, facts, movements, and beliefs of the Reformed churches. This is done through a list of acronyms and abbreviations, a chronology, an introductory essay, appendixes, a bibliography, and over 800 cross-referenced dictionary entries on leaders, personalities, events, facts, movements, and beliefs of the Reformed churches.

Historical Dictionary of the Reformation and Counter-Reformation

This fourth edition of Historical Dictionary of Australia covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

Historical Dictionary of Lesotho

The political map of Eastern Europe changed dramatically in December 1991 when the leaders of Belarus, Russia, and Ukraine huddled together in a Bielavie?a Forest retreat and decided to dissolve the 15 union republics, which composed the Union of Soviet Socialist Republics (USSR). One of those republics was the Belorussian Soviet Socialist Republic (BSSR). A United Nations member since 1945, Belarus has a rich cultural heritage that is seen as a promising base for the development of a solid national identity and for real independence. It is this cultural heritage and sense of history that nourish the ongoing efforts of the nationalist minority, as well as the larger democratic opposition, to resist the regime of President Alaksandr Luka?enka who is bent on restoring ties to Russia. Thus Belarus, with its burdens of the past and potential for the future, finds itself in a struggle that will affect not only its own destiny, but also the international structure of Eastern Europe. The second edition of the Historical Dictionary of Belarus--through its chronology, introductory essays, appendixes, map, bibliography, and hundreds of cross-referenced dictionary entries on important persons, places, events, and institutions and significant political, economic, social, and cultural aspects--traces Belarus' history and provides a compass for the direction the country is heading.

Historical Dictionary of the Dirty Wars

The Historical Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been. This is done through a chronology, an introductory essay, appendixes, a glossary of terms, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on most countries, international as well as

national labor organizations, major labor unions, leaders, and other aspects of organized labor such as changes in the composition of its membership. This book is an excellent access point for students, researchers, and anyone wanting to know more about organized labor.

Historical Dictionary of Haiti

The A to Z of the Crusades

One of the world's poorest nations, Haiti shares the island of Hispaniola with the Dominican Republic. Haiti proclaimed its independence from France on January 1, 1804 following the only successful slave revolt in the Americas. As a result of the Haitian Revolution (1791-1804), Haiti became the first independent Latin American nation and the second independent nation in the Western Hemisphere, after the United States. Throughout its history it has suffered political violence, and in 2010 it suffered a devastating earthquake, which killed over 200,000 people and countless people lost homes and businesses. The Historical Dictionary of Haiti covers the history of Haiti starting in 1492 with the initial discovery of the island Haiti shares with the Dominican Republic to the present day. The dictionary itself contains over 400 cross-referenced entries on crucial aspects of Haitian history, and it is the most extensive single-volume reference work on Haiti available. In addition to the dictionary, this book provides a chronology containing important dates and events and an informative bibliographical section organized by subject. This book is an excellent access point for students, researchers, and anyone wanting to know more about Haiti."

Historical Dictionary of Sacred Music

Located between the former Soviet Union and eastern Germany, Poland has the potential to become a political and economic bridge between the East and West. It is crucial to European security and stabilization; yet the list of reference books on recent Polish history is very short. This book fills that gap, providing information on Polish political, economic, and cultural history since 1945.

Historical Dictionary of Belarus

During the 17th century the British Isles were trapped in a 23-year-long state of turmoil through civil war, continued rebellion, and revolutions. King Charles I wanted to instill a new uniform religious policy throughout the British Isles, and this caused a massive uproar over the King's policies toward the diverse people in his kingdom, the English, Irish, Scottish,

and Welsh. Through a concise historical chronology and comprehensive overview, users of the Historical Dictionary of the British and Irish Civil Wars will find a very insightful explanation of the people, places, and events that indelibly shaped the United Kingdom's 17th-century history. The cross-listed dictionary entries offer a complete explanation of each important aspect of the Civil Wars and their effect on the kingdom. Also includes maps and a bibliography.

Historical Dictionary of Catholicism

There are several eras in the history of Christianity radical forms of the tradition are obvious: the early church of the first five centuries, the medieval era, the age of reform, the early modern era, and the contemporary era. Radical Christian activity and experience may reflect either a primary or a derived level of spirituality. New converts may join a sect or movement with radical characteristics; or they may become dissatisfied with their initial Christian experiences and desire a different or deeper Christian spirituality, usually closely parallel to that seen in the New Testament. The Historical Dictionary of Radical Christianity covers the history of this movement and includes an introductory essay and a bibliography. The dictionary section has over 400 cross-referenced entries. The dictionary entries selected reflect the leading groups, movements, and sects from each major era of Christian history. Especially in the contemporary period, the great proliferation of radical thinkers and groups has necessitated a selection process with those selected exhibiting sustained group activity, possessing an identifiable following, and demonstrating a significant cultural impact. This book is an excellent access point for students, researchers, and anyone wanting to know more about Radical Christianity.

Historical Dictionary of the Elizabethan World

The book consists of three parts: an introduction to the major topics pertaining to Jesus as a historical figure; a cross-referenced dictionary containing 400 entries on a range of topics, including things Jesus did and said, ancient sources of historical data, and modern scholarship and interpretation; and a bibliography listing some of the most important books related to Jesus and the world in which he lived. This concise and objective reference work provides a clear and accurate introduction to the study of Jesus as a historical figure.

Historical Dictionary of Choral Music

The Historical Dictionary of Democratic People's Republic of Korea provides a clear and easily understood history of the DPRK, also known as North Korea. It includes a detailed chronology, an introductory essay, appendixes, an extensive bibliography, and over 300 cross-referenced dictionary entries on important personalities, leading political figures, institutions, economic enterprises, ethnic communities, and cultural features. This book is an excellent access point for

students, researchers, and anyone wanting to know more about the Democratic People's Republic of Korea.

Historical Dictionary of the British Monarchy

More than a generation has passed since the appearance of the last major Catholic Bible dictionary. It has been a fertile generation for biblical scholarship, an eventful time for biblical archaeology, and a fruitful time for the Church's interpretation of the Bible. It is time for a new resource. Scott Hahn, internationally renowned theologian and biblical scholar, has inspired millions with his insight into the Catholic faith. Now he brings us this important reference guide, written specifically for Catholics, which contains more than five thousand clear and accessible entries and covers a wide range of people, places, and topics. From Genesis to Revelation, the whole of salvation history is presented and explained in smart, easy-to-understand prose. Catholic Bible Dictionary is an invaluable source of information, insight, and guidance for Catholics and others who are interested in enriching their understanding of Sacred Scripture. Scott Hahn draws from two millennia of scholarship to create an accessible and comprehensive tool for deeper and more rewarding biblical study.

The American Catholic Historical Researches

The Reformation of the 16th century has always been seen as one of the pivotal events in European history. Lord Acton, the famous 19th-century British historian, compared the importance of Martin Luther's speech at the diet at Worms in 1521 with Napoleon's defeat at the Battle of Waterloo in 1813. Lord Acton's may or may not be an extravagant claim, but it is certainly true that the events of the 16th and 17th centuries, now called the Reformation and Counter-Reformation, changed forever the religious and political history of the West. The Historical Dictionary of the Reformation and Counter-Reformation provides a one-volume, balanced, alternative to the overwhelming amounts of literature on the events of the time and the theological and political debates that spawned those events.

Origins of Catholic Words

This second edition of Historical Dictionary of Sacred Music contains a chronology, an introduction, appendixes, and a bibliography. The dictionary section has over 800 cross-referenced entries on major types of music, composers, key religious figures, and specialized positions, genres of composition, technical terms, and instruments.

Historical Dictionary of Jesus

This second edition of Historical Dictionary of Baroque Art and Architecture contains a chronology, an introduction, and an

extensive bibliography. The dictionary section has over 600 cross-referenced entries on famous artists, sculptors, architects, patrons, and other historical figures, and events.

Encyclopedia of the Middle Ages

Dwelling in the highland areas of Cambodia, Laos, Vietnam, Thailand, Burma (Myanmar) and southwest China are hundreds of ethnic groups known as 'tribes' in popular literature. Some groups number barely more than one hundred, others millions. Together their population adds up to 80 million, more than any of the countries (bar China) they inhabit, yet in each they are designated and treated as 'minorities.'

Historical Dictionary of Poland 1945-1996

"This encyclopedic dictionary discusses the etymology, history, and usage of words relating to all aspects of the Catholic Church"--

The New Dictionary of Catholic Social Thought

Calvinism is named after 16th century Reformer, John Calvin whose overall theology is contained in his Institutes of the Christian Religion (1559). Calvin's theology and ecclesiology provided the foundation upon which the Reformed Churches of Europe were built. It was a comprehensive and carefully expounded alternative to the doctrines of the Roman Catholic Church and was designed to expose their weaknesses and present a view of the Christian Faith that was a reformed version of the old faith. The Historical Dictionary of Calvinism relates the history of its founder John Calvin, the Reformed Church, and the impact that Calvinism has had in the modern world along with an account of modern and contemporary developments within the religious, political, and social culture it has created. This is done through a chronology, an introductory essay, an extensive bibliography, and over 300 cross-referenced dictionary entries on concepts, significant figures, places, activities, and periods. This book is an excellent access point for students, researchers, and anyone wanting to know more about Calvinism.

Historical Dictionary of Jesus

Malawi, established as the British protectorate of Nyasaland in 1891, gained its independence in 1964 and moved immediately into three decades of one-party rule. Since the mid-1990s, however, the country has held multi-party elections, as directed by its constitution, and President Bingu wa Mutharika is currently serving his second term. The fourth edition of

the Historical Dictionary of Malawi, now newly expanded and updated, covers a wide range of areas in Malawi history, including the rise and fall of state systems, religious and socio-political movements, the economy, environment, transportation, war, disease, and natural sciences. Author Owen J. M. Kalinga charts developments from pre-history to the post-Banda Malawi, from Tom Bokwito to James Sangala, and from the UMCA mission at Magomero to the second term of Bingu wa Mutharika's presidency, paying particular attention to the individuals, groups, communities, and forces that have molded this South African country. The dictionary itself contains over 1,000 cross-referenced entries on crucial aspects of Malawi history, and it is the most extensive single-volume reference work on Malawi available. In addition to the dictionary entries, Kalinga provides a chronology containing important dates and events and an informative bibliographical section organized by subject. The final part of the bibliography gives the reader a list of current and obsolete newspapers and periodicals related to Malawi, an ideal resource for further research. This newly updated edition is an excellent access point for students, researchers, and anyone wanting to know more about Malawi.

Historical Dictionary of the Spanish Civil War

No period of British history generates such deep interest as the reign of Elizabeth I, from 1558 to 1603. The individuals and events of that era continue to be popular topics for contemporary literature and film, and Elizabethan drama, poetry, and music are studied and enjoyed everywhere by students, scholars, and the general public. The Historical Dictionary of the Elizabeth World provides clear definitions and descriptions of people, events, institutions, ideas, and terminology relating in some significant way to the Elizabethan period. The first dictionary of history to focus exclusively on the reign of Elizabeth I, the Dictionary is also the first to take a broad trans-Atlantic approach to the period by including relevant individuals and terms from Irish, Scottish, Welsh, American, and Western European history. Editors' Choice: Reference

Universal Historical Dictionary

This second edition of Historical Dictionary of Lesotho covers the full scope of Lesotho's ancient, colonial, and independence eras. It gives greater emphasis to the more recent period and brings the book fully up-to-date. This is done through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on civil society, key events, leaders, governmental, international, religious, and other private organizations, policies, political movements and parties, economic elements, and many other areas that have shaped the country's trajectory. This book is an excellent access point for students, researchers, and anyone wanting to know more about Lesotho.

Historical Dictionary of the Peoples of the Southeast Asian Massif

Of the three major branches of Christianity, Orthodoxy is the least known and most misunderstood. The Historical Dictionary of the Orthodox Church provides students, researchers, and specialists with a desk encyclopedia of the theology and theologians, saints, sinners, places and events of the Eastern Church. Two millennia of the religion are surveyed in over five hundred concise entries, concentrating primarily on the last 150 years. Includes an overview of the early Church through the Byzantine and Russian Empires, into the present multinational Orthodox presence in the ecumenical movement. Many of the general entries cannot be found elsewhere in English, and the comprehensive compilation of biographies of nineteenth- and twentieth-century Orthodox theologians (American, Russian, Greek, and many other nationalities) is published here for the first time. Includes a detailed 4000-year chronology, illustrations, extensive bibliography, and an appendix listing the current canonical patriarchs and autocephalous churches.

Historical Dictionary of the Reformed Churches

The New Dictionary of Catholic Social Thought brings together writers from around the world, writing on present-day social issues as well as historical issues and movements that have shaped our current views. Included are articles on the great social encyclicals, from Leo XIII's *Rerum Novarum* to John Paul II's *Centesimus Annus*, and the Vatican II documents and various episcopal documents that relate to social concerns and the field of social ethics. The articles on fundamental human rights include such issues as poverty, homelessness, exploitation, and feminism. Also included are articles dealing with economics, industry, labor, political systems, and environmental concerns, as these impact and influence modern Catholic social thought. Theological concerns, liturgical movements, and scriptural foundations are well represented. The New Dictionary of Catholic Social Thought will be the reference work for anyone involved in social outreach or connected with the field of social ethics. Entries include: Abortion (Social Implications) by James J. McCartney, OSA Arms Race by Joseph Cardinal Bernardin Birth Control by James P. Hanigan Business Ethics by Vincent Burns Catholic Worker by June O'Connor Culture by Allan Figueroa Deck, SJ Ecology by Thomas Ryan, SM Evangelization by Robert Schreiter, CPPS Feminism and Catholic Social Thought by Barbara Hogan Genocide by John T. Palikowski, OSM Homosexuality (Social Implications) by Vincent Genovesi, SJ Human Rights by Thomas Hoppe Images of God by John R. Sachs, SJ Moral Life (Christian) by Vincent McNamara Preferential Option for the Poor by Donald Dorr Religious Freedom by J. Leon Hopper, SJ Secularism by Cyril T. Haley, SSC Sin by Judith A. Cwiekowski, SS Women by Maria Riley, OP "

Historical Dictionary of Organized Labor

Historical Dictionary of Malawi

The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream, and this book examines both formal institutions and informal opportunities for girls and women. Not only were women long prevented from receiving an education because of their gender, but their formal educational opportunities were also greatly affected by race, class, and ethnicity. Denied formal education early on, women found ways of educating themselves informally through associations and reform movements. While individuals have been prominent, women's educational history also must be told through the institutions they created. This reference book presents an introductory essay and nearly 250 alphabetically arranged entries on events, ideas, movements, institutions, and persons in the history of women's education in the United States from the colonial period to the present. Each entry includes a brief bibliography, and the book concludes with a timeline of women's educational history and a list of works for further reading. The entries are written by expert contributors and reflect the geographic, racial, and socioeconomic diversity of schooling for girls and women throughout various eras of U.S. history.

Historical Dictionary of the Orthodox Church

The Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day, an introductory essay, an extensive bibliography, and over 600 cross-referenced dictionary entries on significant persons, places, events, institutions, and other aspects of British culture, society, economy, and politics. This book is a must for anyone interested in the British monarchy.

Historical Dictionary of Radical Christianity

Alphabetically arranged entries cover the history, events, philosophy, art, science, literature, social issues, and ideas that have come to define this era

Historical Dictionary of the Reformation and Counter-Reformation

The Historical Dictionary of Choral Music focuses on choral music and practice in the Western world from the medieval era to the 21st century. This is done through a chronology, introduction, bibliography, and over 1000 cross-referenced dictionary entries on important composers, genres, conductors, institutions, styles, and technical terms of choral music.

Historical Dictionary of the Reformed Churches

During the late 11th through the early 14th centuries at least seven major expeditions were made between Western Europe and the Holy Land with the goal of ending Muslim control of Jerusalem. Ultimately the crusaders were driven out, but not before a cultural exchange had taken place that had an immense impact on Western Europe and an equally enormous, albeit less positive, impact on Arabs and the Islamic world. Although the crusades occurred many centuries ago, echoes still resound through the current clashes of nations and ideologies, kidnappings for ransom, assassinations, and the declaring of "jihad" - all making the crusades an eminently timely subject. This one-volume overview provides an accessible reference work for scholars, students, and general readers on the period with numerous entries on key persons, places, events, battles and sieges, use of weapons and armor, and the deeper issues of the political and cultural background. Complete with a detailed chronology and a bibliography, this work allows readers to learn how Europe was changed forever by these battles with Islam.

Historical Dictionary of Bulgaria

This third edition covers Bulgarian history through a chronology, an introductory essay, appendixes, an extensive bibliography, and over 700 cross-referenced entries on important people, politics, economy, foreign relations, religion, and culture. This book is an access point for students, researchers, and general readers.

Historical Dictionary of Australia

"Utilizing newly opened archival information, the authors of this scholarly resource illuminate the American Catholic experience through 1,200 signed articles and 300 illustrations. Examined are issues, movements, demographics, and history and wars in relation to American Catholics. Issues often neglected by the church are treated: the growing voice of American Catholic women and the church's lack of involvement in the issue of slavery. Since so much immigration history is reflected in American Catholic history, many ethnic groups have their own entries. Biographies abound and many states have their own entries. Added features include primary documents, such as the American Catholic Bishops' Doctrine on Racism."--"Outstanding Reference Sources: the 1999 Selection of New Titles," American Libraries, May 1999. Comp. by the Reference Sources Committee, RUSA, ALA.

Catholic Bible Dictionary

With 110 million members worldwide, Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians. The term 'Baptist' has its origins with the Anabaptists, the denomination historically linked to the English Separatist movement of the 16th century. Although Baptist churches are located throughout the world, the largest

group of Baptists lives in the Southern United States, and the Baptist faith has historically exerted a powerful influence in that region of the country. The second edition of the Historical Dictionary of the Baptists expands upon the first edition with an updated chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions. This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609.

Historical Dictionary of Baroque Art and Architecture

The Historical Dictionary of the Spanish Civil War covers the history of the war through a chronology, an introductory essay, appendixes, maps, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on persons, places, events, institutions, battles, and campaigns. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Spanish Civil War.

The Encyclopedia of American Catholic History

Historical Dictionary of the Baptists

The second edition of the Historical Dictionary of the Reformed Churches contains information on the major personalities, events, facts, movements, and beliefs of the Reformed churches.

Historical Dictionary of Spain

The book consists of three parts: an introduction to the major topics pertaining to Jesus as a historical figure; a cross-referenced dictionary containing 400 entries on a range of topics, including things Jesus did and said, ancient sources of historical data, and modern scholarship and interpretation; and a bibliography listing some of the most important books related to Jesus and the world in which he lived. This concise and objective reference work provides a clear and accurate introduction to the study of Jesus as a historical figure.
