Completely updated, the Third Edition of International Business and Trade Directories contains more than 10,000 entries, over 2,000 more than the last edition, making this directory the most comprehensive resource of the world's business and trade directories. Industries profiled include Advertising, Biotechnology, Food & Beverage, Insurance, Printing, Sports & Recreation, Water

Supply and more. Entries include content descriptions, price, publisher's name and address, web site and e-mail addresses, editorial staff and phone and fax numbers. Organized for ease-of-use by industry group, and then by region, this resource puts over 10,000 industry-specific business and trade directories at the reader's fingertips. International Business and Trade Directories contains three indexes: Geographic Index, Publisher Index and Title Index. Public, college and corporate libraries, as well as individuals and corporations seeking critical market information, will want to add this directory to their marketing collection.

An aid for researching non-western cultures, the Bibliographic Guide to East Asian Studies covers Japan, China, North and South Korea, Honk Kong, and Taiwan, with approximately 3,500 listings from LC MARC tapes and the Oriental Division of The New York Public Library. It includes publications about East Asia; materials published in any of the relevant countries; and publications in the Chinese, Japanese and Korean languages. Listings are transcribed into Anglicised characters. Each entry provides complete bibliographic information, along with the

NYPL and/or LC call numbers.
