Bookmark File PDF Its A Wonderful Afterlife Volume Two Further Adventures In The Flipside Its A Wonderful Afterlife Book 2

My Life After Life confronts the timeless question concerning what happens to us after death. The journey began when Dr. Stoller received a phone call learning that his 16-year-old son Galen had been killed. Shortly thereafter, Galen appeared and began communicating with his father in dream states. Once convinced it was actually his son, Dr. Stoller began journaling his communication from Galen, which led to this book.

Backstage Pass to the Flipside Book One

Ourselves, the fourth volume of Charlotte Mason's Classic Homeschooling Series, is a character curriculum book written directly to children. Book I, Self-Knowledge, is for elementary school students; Book II, Self-Direction, is for older students. Self-Knowledge discusses our human desires and appetites; the "helpers" in our minds, such as intellect, sense of beauty, imagination, and reason; the ways in which we feel and express love for others, including sympathy, kindness, generosity, gratitude, courage, loyalty, and humility; and truth, justice, and integrity; and ends by encourages children to develop the habit of being useful. Self-Direction is an in-depth discussion of the conscience and virtues such as temperance, chastity, fortitude, and prudence; the will and self-control; and the soul and its capacities, such as prayer, thanksgiving, faith, and praise. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was

Bookmark File PDF Its A Wonderful Afterlife Volume Two Further Adventures In The Flipside Its A Wonderful Afterlife Book 2

better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to a

It's a Wonderful Afterlife

Best Selling Author of "Flipside" (#1 in its genre at Amazon twice!) "It's A Wonderful Afterlife: Further Adventures into the Flipside" takes a quantum leap forward into the afterlife, includes interviews with scientists discussing the source of consciousness, comparing near death experiences (NDE) with between life sessions (LBL), and includes interviews with people who claim to be speaking from the afterlife. There are a new between life sessions with astounding claims of contact with the afterlife, with experiencing God and understanding life's journey. Volume One includes a Foreword by Charles Grodin,

interviews with scientists dealing with consciousness outside the brain; Mario Beauregard Neuroscientist ("Brain Wars") Dr. Bruce Greyson, the father of NDE research, the research of Dr. Helen Wambach along with that of Dr. Michael Newton ("Journey of Souls"). It includes interviews with near death experiencers David Bennett ("Voyage of Purpose"), Jeremy Kagan, Dr. Rajiv Parti and Jeffry Martini. Book interviews Newton trained hypnotherapist Scott De Tamble, compares accounts of Dr. Eben Alexander ("Proof of Heaven") and Colton Burpo ("Heaven is for Real.") The author explores his own unconventional journey to this research, and includes a between life session of his own. Interspersed throughout are transcripts of between life sessions with some very unusual folks who have clear memories not only of their previous lives, but of the between lives realm where they claim to have chosen their current lifetime. Extensively researched, breathtaking in scope, "It's a Wonderful Afterlife" takes the reader on a wild ride, across the yellow brick road, into the Great Beyond. Praise for "Flipside" "Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it!" Robert Thurman ("Why the Dalai Lama Matters") "Everyone should have a Richard Martini in their life." Charles Grodin ("Just When I Thought I'd Heard Everything!") "Inspiring, well written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." Gary E. Schwartz PhD ("The Sacred Promise") "We viewed "Flipside" last night and were blown away about how good it is; the visuals were outstanding - the care taken in putting it all together really shows." A Great Idea at the Time: The Rise, Fall, and Curious Afterlife of the Great Books

Today the classics of the western canon, written by the proverbial "dead white men," are cannon fodder in the culture wars. But in the 1950s and 1960s, they were a pop culture phenomenon. The Great Books of Western Civilization, fifty-four volumes chosen by intellectuals at the University of Chicago, began as an

educational movement, and evolved into a successful marketing idea. Why did a million American households buy books by Hippocrates and Nicomachus from door-to-door salesmen? And how and why did the great books fall out of fashion? In *A Great Idea at the Time* Alex Beam explores the Great Books mania, in an entertaining and strangely poignant portrait of American popular culture on the threshold of the television age. Populated with memorable characters, *A Great Idea at the Time* will leave readers asking themselves: Have I read Lucretius's *De Rerum Natura* lately? If not, why not?

Tails from the Afterlife

After filming over 50 people under deep hypnosis saying the same things about the afterlife ("*Flipside*" "*It's a Wonderful Afterlife*" "*Hacking the Afterlife*") the author began recording interviews with people without hypnosis - live on the radio, in person, via skype, asking the same simple questions and found everyone describes the same journey.

Ourselves

Will heaven be boring? How can a good and loving God send people to hell? Is there such a place as purgatory? If so, why is it necessary, if we're saved by grace? Questions about the afterlife abound. Given what is at stake, they are the most important questions we will ever consider. Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife,

and numerous books, films, and TV shows have apocalyptic or postapocalyptic themes. Jerry Walls, a dynamic writer and expert on the afterlife, distills his academic writing on heaven, hell, and purgatory to offer clear biblical, theological, and philosophical grounding for thinking about these issues. He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell. Walls shows that the Christian vision of the afterlife illumines the deepest and most important issues of our lives, changing the way we think about happiness, personal identity, morality, and the very meaning of life.

Dragons of the Dwarven Depths

Heartwarming, Welcoming, and Wagging Tails from the Rainbow Bridge Even when their physical bodies are gone, your beloved pets live on in spirit and in their undying devotion to you. Tails from the Afterlife shares amazing and inspiring stories of the signs, symbols, and messages that your pets send, proving that they're waiting for you and even helping you from the Other Side. From near-death experiences to witness accounts to life-saving tails—pun intended—Kristy Robinett will have you both crying and laughing as she presents an array of animals and their heavenly hellos. This comforting book also offers suggestions for dealing with grief and guidance on how to make the connection with your deceased companion. Praise: "Affirmation that our pets watch over us and join us on the other sidethere is such enormous peace in that knowledge. I've always

believed that Heaven could not truly be Heaven without their unconditional love. Kristy's lighthearted writing style and the stories in Tails from the Afterlife will warm your heart, ease your mind, and will have you treasuring your pets even more than you already do!"—Colleen Kwiecinski, Paws n' Think Dog Training, LLC "People love pets and accept them as part of their family, so when we lose part of that family, the grief can be immense. Kristy Robinett's book Tails from the Afterlife will give each reader great peace to know that our beloved pets are still watching out for us, visit us and communicate with us even into the Afterlife and that when our pets leave us, it is not the end."—Leslie Cirinesi, Animal Communicator/Pet Medium

Architecture of the Afterlife

Psychics, psychos and sidekicks . . . who says death has to be dull? Fifteen-year-old Lucy has been stuck in the men's loo ever since she was murdered there six months ago. No one has been able to see or hear her - until Jeremy. Just her luck that he's a seriously uncool geography teacher-type! But Jeremy is determined to help Lucy. He finds out how she can leave her toilet 'home' - albeit only temporarily - and meet other teenage ghosts, including the gorgeous Ryan. Jeremy is also determined to help her find her killer so she can find peace at last . . .

Soon to be a major motion picture from Imagine Entertainment and producers Ron Howard and Brian Grazer. Between life and death lies an epic war, a relentless manhunt through two worlds...and an unforgettable love story. The last thing FBI agent Will Brody remembers is the explosion—a thousand shards of glass surfing a lethal shock wave. He wakes without a scratch. The building is in ruins. His team is gone. Outside, Chicago is dark. Cars lie abandoned. No planes cross the sky. He's relieved to spot other people—until he sees they're carrying machetes. Welcome to the afterlife. Claire McCoy stands over the body of Will Brody. As head of an FBI task force, she hasn't had a decent night's sleep in weeks. A terrorist has claimed eighteen lives and thrown the nation into panic. Against this horror, something reckless and beautiful happened. She fell in love...with Will Brody. But the line between life and death is narrower than any of us suspect—and all that matters to Will and Claire is getting back to each other. From the author of the million-copy bestselling Brilliance Trilogy comes a mind-bending thriller that explores our most haunting and fundamental question: What if death is just the beginning?

Surviving Death

The *Malleus Maleficarum*, first published in 1486–7, is the standard medieval text on witchcraft and it remained in print throughout the early modern period. Its descriptions of the evil acts of witches and the ways to exterminate them continue to contribute to our knowledge of early modern law, religion and

Bookmark File PDF Its A Wonderful Afterlife Volume Two Further Adventures In The Flipside Its A Wonderful Afterlife Book 2

society. Mackay's highly acclaimed translation, based on his extensive research and detailed analysis of the Latin text, is the only complete English version available, and the most reliable. Now available in a single volume, this key text is at last accessible to students and scholars of medieval history and literature. With detailed explanatory notes and a guide to further reading, this volume offers a unique insight into the fifteenth-century mind and its sense of sin, punishment and retribution.

Society and Solitude

Is there life after baseball? Starting from this simple question, *The Wax Pack* ends up with something much bigger and unexpected—a meditation on the loss of innocence and the gift of impermanence, for both Brad Balukjian and the former ballplayers he tracked down. To get a truly random sample of players, Balukjian followed this wildly absurd but fun-as-hell premise: he took a single pack of baseball cards from 1986 (the first year he collected cards), opened it, chewed the nearly thirty-year-old gum inside, gagged, and then embarked on a quest to find all the players in the pack. Absurd, maybe, but true. He took this trip solo in the summer of 2015, spanning 11,341 miles through thirty states in forty-eight days. Balukjian actively engaged with his subjects—taking a hitting lesson from Rance Mulliniks, watching kung fu movies with Garry Templeton, and going to the zoo with Don Carman. In the process of finding all the players but one, he discovered an astonishing range of experiences and untold stories in their post-

baseball lives, and he realized that we all have more in common with ballplayers than we think. While crisscrossing the country, Balukjian retraced his own past, reconnecting with lost loves and coming to terms with his lifelong battle with obsessive-compulsive disorder. Alternately elegiac and uplifting, *The Wax Pack* is part baseball nostalgia, part road trip travelogue, and all heart, a reminder that greatness is not found in the stats on the backs of baseball cards but in the personal stories of the men on the front of them.

Afterlife

Reassurance and Hope From the Other Side Ever since she was a child, psychic medium Kristy Robinett has communicated with spirits who have shared their experiences of death and what happens afterwards. In this collection of heartwarming stories that answer the most common questions about the afterlife, Robinett delves into the nature of heaven, if there is a hell, and what the transition to the Other Side is like. With personal experiences and stories from clients, Kristy explores the many signs and symbols that our loved ones share with us to assure that it is, indeed, a wonderful afterlife.

Afterlife with Archie: Betty R.I.P.

"Everyone who has ever lived continues to exist on the Flipside and if possible, can be asked direct questions." In "Backstage Pass" Richard interviews people "no longer on the planet" with the assistance

of Jennifer Shaffer, Medium/intuitive, and lifelong friend Luana Anders (who is on the flipside)

Heaven, Hell, and Purgatory

At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people’s dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now. From the Trade Paperback edition.

Hacking the Afterlife

A special edition of the Library of Ancient Israel is based on the latest research to provide an in-depth presentation of the land in ancient times from its domestic life and cultural traditions to its religious practices, in a volume complemented by more than 175 illustrations and photographs.

LOVE NEVER DIES Finding comfort through communication With stories and insightful suggestions, beloved psychic medium Bill Philipps demonstrates that our loved ones on the other side are available to us. He promises that, with an open heart and mind ready to receive, anyone can recognize the signs that spirits of the departed may be trying to send. Signs from the Other Side offers an in-depth explanation of how Bill does what he does, as well as practical advice on how to receive and interpret signs when they appear. By tapping into our intuition, we can experience deep connections that lead to forgiveness, reassurance, or simply one last moment with a loved one. The book also includes more than twenty inspiring examples of how others experienced comfort through such communications.

Flipside

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Until Kyrian meets the most frightening thing imaginable. An accountant who's being hunted by one of the most lethal vampires out there. If Amanda Devereaux goes down, so does he and no offense, he doesn't want to die (hence the

whole immortality thing). And he doesn't want humanity dead either which is a good thing for us since he and Amanda are all that stands between us and oblivion. Let's hope they win. From the wild imagination of Sherrilyn Kenyon comes the humorous and suspenseful manga debut of the #1 internationally bestselling Dark-Hunter series. The world of manga will never be the same again.

The Laws of the Spirit World

"Everyone who has ever lived continues to exist on the Flipside and can be asked direct questions." This is the startling premise of "Hacking the Afterlife" which argues it's possible to obtain "new information" from people no longer on the planet. Book offers practical advice ("afterlife hacks") on how to navigate our lives and improve our planet

Mirrors of Passing

In The Face of the Iguana, Patrick McKallick tells the dramatic stories of how fear-based beliefs, both cultish and religious affected his life, emotionally, physically and mentally and his eventual healing. This book is not just for all those abused by toxic belief systems, but also those recovering from addictions. The author relates touching stories of his painful abandonment by his troubled parents and his final internment in an orphanage. He tells dramatic and amusing anecdotes that preserved his sanity, and the utter desperation of his cunning and miraculous escape from a toxic, doomsday cult. We are taken on

Bookmark File PDF Its A Wonderful Afterlife Volume Two Further Adventures In The Flipside Its A Wonderful Afterlife Book 2

a journey of events as varied as hiding under the bed from his raging alcoholic father to descending into the depths of a 16th-century church's crypt where he gazed upon piles of human bones, the shock of which catapulted him unconsciously into a dark and ominous pit. We faithfully follow him as he describes the conclusion of the war in El Salvador and the mass fear and terror of the citizens of that country, to the comical circling of a vintage ocean liner in a beat up fishing boat with an old lady, a fisherman, and two young kids. This is not just a compilation of interesting stories, but clear guidance for anyone recovering from addictions including to fear-based belief systems and the ensuing guilt and anxiety. The author expertly provides revelations and insights into why we seek out toxic beliefs. Mr. McKallick reveals how his investigation of a surprising and astonishing field led to his incredible healing and liberation from the effects of PTSD. The author learnedly introduces evidential research that mitigated his anxiety due to abusive belief systems and the fear of death. He describes the ensuing collapse of this fear and the promise of an astonishingly beautiful after-life.

Signs from the Other Side

A quirky, modern-day fable, Nettie's Tea House takes you on a fanciful journey of the afterlife and delivers a message of healing and hope. From enchanting apple orchards to Zen gardens to magical reflection pools and a crew of small but powerful garden gnomes, cave-dwelling dwarves, and house brownie, the world of Nettie's Tea House will forever be imprinted on

your heart and soul. After Gabriella Bunting sustains a fatal head injury in a car crash, she finds herself at Nettie's Tea House, a halfway house for troubled souls who have left their physical bodies but are unable to fully transition due to unfinished business. The tea house proprietors are Agatha and Nettie Tulrose, sisters descended from a High Fairy race of healing masters, whose staff administers award-winning healing teas and other treatments to help these souls transform their pain into peace and embrace their true potential. PRAISE FOR R.D. PETTI and NETTIE'S TEA HOUSE: "Petti is a talented writer whose tale evoked, for me, the delights of other metaphorical tales by such writers as George MacDonald, Lewis Carroll and Tolkien. I truly hope Petti captures the audience she deserves. This is a rewarding tale, meant to be savored." --- Judge, 23rd Annual Writer's Digest Self-Published Book Awards "R.D. Petti takes us on an astral journey that is a feast for the eyes and a balm for the soul. Not since God on a Harley has a novel inspired so many a-ha moments." --- Dana Micheli, owner of Writers in the Sky "R.D. Petti has filled this book with beautiful language, symbols and lessons. The story takes you on an imaginative journey filled with valuable truths that will open your mind to new realities. Reading this journey will answer questions you have entertained all your life in a way that is comforting, powerful, and full of truth." --- Chuck and Karen Robison, authors of The Quantum Conspiracy

WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI'S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED. Khorshed and Rumi Bhavnagri lost their sons, Vispi and Rato, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.

The Face of the Iguana

Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture—and why his legacy endures to this day. Nearly a century after Harry Houdini died on Halloween in 1926, he feels as modern and alive as ever. The name Houdini still leaps to mind whenever we witness a daring escape. The baby who frees herself from her crib? Houdini. The dog who vanishes and reappears in the neighbor's garden? Houdini. Every generation produces new disciples of the magician, from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini. In rural Pennsylvania, a thirteen-year-old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus; she eventually becomes the first female magician to saw a man in

half on television. In Australia, an eight-year-old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising “Nothing on earth can hold Houdini prisoner,” and begins his path to becoming that nation’s most popular magician. In California, an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero. But the unique phenomenon of Houdini was always more than his death-defying stunts or his ability to escape handcuffs and straitjackets. It is also about the power of imagination and self-invention. His incredible transformation from Ehrich Weiss, humble Hungarian immigrant and rabbi’s son, into the self-named Harry Houdini has won him a slice of immortality. No one has withstood the test of time quite like Houdini. Fueled by Posnanski’s personal obsession with the magician—and magic itself—*The Life and Afterlife of Harry Houdini* is a poignant odyssey of discovery, blending biography, memoir, and first-person reporting to trace Houdini’s metamorphosis into an iconic figure who has inspired millions.

forbidding owner Dominic Draven sets eyes on her. All at once she is captivated and plunged into a world she never knew existed but the deeper her obsession with Draven becomes, the harder it is to decide?should she stay and continue to work within the shadows of the supernatural or should she run from a madness she thinks may consume her? Warning: This book is amazingly addictive, with its dark mystery, haunting horror, seductive twists and one sexy dark lord that has the reader drooling every time the name Draven appears on the page!

Backstage Pass to the Flipside 3

The Sacred Promise offers scientific proof of Spirit's existence—be it the deceased, angels, or spirit guides—and shows Spirit's willingness and promise to offer guidance and help with the challenges of day-to-day living. Sacred Promise brings us into the laboratory of scientist Dr. Gary Schwartz, where he establishes the existence of Spirit by its own Willful Intent—a proof of concept for deceased spirits. The author takes readers on a personal journey into the world of angels and spirits and reveals their existence and desire to help. Dr. Schwartz candidly discusses the challenges as well as the rewards of connecting with Spirit. He poses several important questions. What if our feelings of emptiness, loneliness, hopelessness, and meaninglessness are actually fostered by our belief in a "spiritless" Universe? What if our physical hunger is symptomatic of a greater spiritual hunger? What if Spirit is actually all around us, ready to fill us with energy, hope, and direction, if

we are ready to ingest it? What if Spirit is like air and water, readily available for us to draw within; that is, if we choose to seek it? Sacred Promise shows how we can attune ourselves and receive this guidance from Spirit, which is all scientifically documented by Dr. Schwartz experiments and research. Prepare to suspend your beliefs about Spirit.

The Dark-Hunters

What happens after we die? Author and award winning filmmaker Richard Martini explores startling new evidence for life after death, via the "life between lives," where we reportedly return to find our loved ones, soul mates and spiritual teachers. Based on the evidence of thousands of people who claim that under deep hypnosis, they saw and experienced the same basic things about the Afterlife, the book documents interviews with hypnotherapists around the world trained in the method pioneered by Dr. Michael Newton, as well as examining actual between life sessions. The author agrees to go on the same journey himself, with startling and candid results, learning we are fully conscious between our various incarnations, and return to connect with loved ones and spiritual soul mates, and together choose how and when and with whom we'll reincarnate. Martini examines how "Karmic law" is trumped by "Free will," with souls

choosing difficult lives in order to learn from their spiritually; no matter how difficult, strange or complex a life choice appears to be, it was made in advance, consciously, with the help of loved ones, soul mates and wise elders. Extensively researched, breathtaking in scope, "Flipside" takes the reader into new territory, boldly going where no author has gone before to tie up the various disciplines of past life regression, near death experiences, and between life exploration. In the words of author Gary Schwartz, Phd, once you've read "Flipside" "you'll never see the world in the same way again." Praise for Flipside: "Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it!" - Robert Thurman, author of Why the Dalai Lama Matters "Inspiring, well written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." - Gary E. Schwartz, author of The Sacred Promise "Everyone should have a Richard Martini in their life." - Charles Grodin, author of If I Only Knew Then What I Learned From Mistakes

Journey of Souls

Presents an extensively researched investigation into the existence of reincarnation, near-death experiences, psychic abilities, and other paranormal phenomena ranging from clairvoyance and out-of-body experiences to remote viewing and psychic espionage.

It's a Wonderful Afterlife: Further Adventures in the Flipside: Volume Two

“A definitive, deeply moving inquiry into the life of the young, imperiled artist, and a masterful exegesis of Diary of a Young Girl...Extraordinary testimony to the power of literature and compassion” –Booklist (starred review) In Anne Frank: The Book, the Life, the Afterlife, Francine Prose, author of Reading Like a Writer, deftly parses the artistry, ambition, and enduring influence of Anne Frank’s beloved classic, The Diary of a Young Girl. Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, this work of literary criticism unravels the complex, fascinating story of the diary and effectively makes the case for it being a work of art from a precociously gifted writer.

The Sacred Promise

Learn the latest details and most recent groundbreaking discoveries that reveal, for the first time, the mystery of life in the spirit world after death on Earth?proof that our consciousness survives?in Journey of Souls by Michael Newton, Ph.D. Using a special hypnosis technique to reach the hidden memories of subjects, Dr. Newton discovered some amazing insights into what happens to us between lives. Journey of Souls is the record of 29 people who recalled their experiences between physical deaths. Through their extraordinary stories, you will learn specifics about: ·How it feels to die ·What you see and
