Quick Facts for NCLEX® is by far our best-selling NCLEX® Study Guide and the foundation of the ReMar Review Comprehensive Self Study Program! This study guide is designed to give you Core Content in a simple, easy to understand, "no nonsense" structure that will help you quickly identify your strengths and analyze areas of weakness. With Quick Facts you will immediately begin to comprehend many of the major areas of Core Content that are essential to Pass NCLEX® RN & LPN. There is no skipping with Quick Facts because everything here is essential for NCLEX®! With Quick Facts as your primary study guide you will be able to achieve the same type of results as our students who have passed NCLEX® and are now living out their dreams.

Prioritization, Delegation, & Management of Care for the NCLEX-RN® Exam

Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX® Examination is the only

Download Ebook LaCharity Prioritization Delegation And Assignment

review book on the market with a focus on prioritization and management of care-just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. UNIQUE! Emphasis on the NCLEX Management-of-Care Focus: LaCharity is the only workbook available that focuses on the NCLEX Exam's management-of-care focus No other book on the market addresses the heavy management-of-care emphasis - consisting of prioritization, delegation, and patient assignment - of the current NCLEX Examination (17-23% of the 2013 NCLEX-RN Exam). Graduating seniors report that LaCharity has been invaluable in preparing them to pass the NCLEX Exam and enter into practice. UNIQUE! Three-Part Organization: The book consists of three parts, each of which builds on the previous one: . Part 1: Introduction; Part 2: Prioritization, Delegation, and Assignment in Common Health Scenarios; Part 3: Prioritization, Delegation, and Assignment in Complex Health Scenarios. This organization establishes foundational knowledge and then provides exercises of increasing difficulty to help students build confidence in their prioritization, delegation, and patient assignment skills. It also helps students move from passing the NCLEX-RN Exam to "hitting the ground running" as they transition into clinical practice. Part 1: Introduction: Part 1, consisting of a chapter by delegation expert Ruth

Download Ebook Lacharity Prioritization Delegation And Assignment

Hansten, provides guidelines for prioritization, delegation, and patient assignment decisions. The Introduction provides a concise, practical foundation on which Parts 2 and 3 build. Part 2: Prioritization, Delegation, and Assignment in Common Health Scenarios: Organized by body system, the chapters in Part 2 begin to give students practice in applying the principles from Part 1 to relatively straightforward scenarios involving single patients or simple patient assignments. Straightforward NCLEX-style multiple-choice, multiple-select, ordering, and short-answer questions help students develop and build confidence in prioritization, delegation, and patient assignment skills while working within the confines of relatively simple health scenarios. Part 3: Prioritization, Delegation, and Assignment in Complex Health Scenarios: Unfolding cases in Part 3 gradually immerse students in realistically complex clinical situations involving patients with complicated health problems or challenging assignment issues. These unfolding cases build on the skills learned in Part 2 to equip students to make sound decisions in realistic, complex health scenarios involving complicated health problems and/or challenging patient assignment decisions. The "unfolding" nature of each case realistically demonstrates the progression of typical health scenarios and helps students learn to "think like nurses" by developing what Benner (2010) calls "clinical imagination." Answer Key: The in-depth Answer Key at the back of the book provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Detailed rationales encourage formative

Download Ebook Lacharity Prioritization Delegation And Assignment

assessment, in which students learn as much from answering incorrectly as they do from answering correctly. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics

Illustrated Study Guide for the NCLEX-RN® Exam - E-Book

Pharmacology can be difficult. But with the right text, understanding drugs and how they work doesn't have to be! Using easy-to-follow language and engaging learning tools - like Memory Joggers, Clinical Pitfalls, Do Not Confuse, and Drug Alerts - the second edition of *Understanding Pharmacology: Essentials for Medication Safety* helps readers really understand how drugs work. In addition to the popular critical thinking activities from the first edition, the second edition also includes more chapter review questions, updated content, and a new organization that centers on the different body systems. For students who have a limited background in the sciences and want complete preparation for licensure exams and clinical practice, there is no better choice than *Understanding Pharmacology, 2nd Edition!* Entire unit reviewing math, weights and measures, and dosage calculation minimizes readers' anxiety and promotes medication safety. Clever, easy-to-recognize margin icons help visual learners remember essential side effects of drugs. Simplified heading structure replaces intimidating terminology (i.e. pharmacokinetics) with simplified language (How These Drugs Work) to

Download Ebook Lacharity Prioritization Delegation And Assignment

increase understanding of concepts. Drug Alert!, Do-Not-Confuse, and Clinical Pitfall boxes highlight important tips for safe medication administration. Memory Jogger boxes help readers remember important drug information. Get Ready for Practice sections at the end of each chapter include key points, chapter review questions, and critical thinking activities to reinforce learning. 10th grade reading level uses straightforward, everyday language to really enhance readers' understanding of pharmacology concepts. Incorporation of adult learning theory features both a simple to complex organization of material along with answers to why readers need to learn something. NEW! Body system organization helps readers better understand drugs that are specific to particular body systems. NEW! More chapter review questions have been added to the text. All review questions are now organized into one of two categories: Test Yourself on the Basics and Test Yourself on Advanced Concepts.

Saunders Comprehensive Review for NCLEX-RN

Amy Kuebelbeck shares how she and her husband made the decision to forgo extreme measures to save her son Gabriel after learning at five months pregnant he suffered from hypoplastic left heart syndrome and discusses how they prepared for his inevitable death after being born.

Prioritization, Delegation, and Assignment

Winner of the 2009 ACHE James A. Hamilton Book of the Year Award! "This book is a tour de force, and no one but John Nance could have written it. Only he could have made sophisticated, scientifically disciplined instruction about the nature and roots of safety into a page-turner. Medical care has a ton yet to learn from the decades of progress that have brought aviation to unprecedented levels of safety, and, in instructing us all about those lessons, John Nance is not just a bridge-builder he is the bridge."
--Donald M. Berwick, MD, MPP, President and CEO, Institute for Healthcare Improvement (IHI)

review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2-month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

The Lords of Creation

"The story of the immense financial and corporate expansion which took place in the United States between the depression of the eighteen-nineties and the crisis of the nineteen-thirties."--Preface.

Saunders Canadian Comprehensive Review for the NCLEX-RN

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for

Download Ebook Lacharity Prioritization Delegation And Assignment

quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Prioritization, Delegation, and Assignment - E-Book

This book and companion CD offer 500 questions to help readers practice the skills they are learning and gain realistic test-taking experience for the NCLEX examination. Key topics are covered including tips to help readers tackle any nursing test.

The ATI NCLEX PN Review

This bestselling issues & trends textbook gives you a broad understanding of the problems and opportunities you will face as you make the transition from student to practicing nurse. While most of your studies have focused on learning how to care for the patient, this text teaches you the practical skills essential to managing the business side of your nursing career, including tips on resume writing and interviewing techniques, how to prepare for the NCLEX-RN exam, and effective ways to communicate and handle conflict in the work place. This new edition includes two new chapters on Emergency Preparedness and Building Nursing Management Skills plus numerous chapters that have been updated with the most relevant topics necessary for today's nursing student. Each chapter features lively cartoons, chapter objectives and exercises, boxed information, and critical thinking questions to keep you focused on pertinent information. The Role Transitions chapter orients you to the content and leads off the topics

Download Ebook Lacharity Prioritization Delegation And Assignment

covered in the textbook. Continued coverage of current issues in the Workplace Issues chapter includes updated content on sexual harassment, needle stick injury and other topics. Employment Considerations chapter combines in-depth coverage on seeking employment, resume writing and interviewing techniques. NCLEX-RN and the New Graduate is an entire chapter featuring valuable tips on how to prepare for and successfully pass the exam. Evolve companion website includes Case Studies, Test Taking Strategies, a sample NCLEX Test Tutorial, a sample NCLEX Test, plus access to Resume Maker templates for creating professional resumes and cover letters. UNIQUE! New Emergency Preparedness chapter provides an in-depth look at bioterrorism and rapid response teams. UNIQUE! The revised and newly titled Building Nursing Management Skills chapter focuses on how to manage your time, get organized, develop and use communication skills, and delegate. UNIQUE! New Evidence-Based Practice boxes convey the research element in the topics covered. Updated chapter on Personal Management: Time and Self-care Strategies includes information on how to manage and balance your personal and professional time. Updated Nursing Education chapter includes current information on credentialing, registration and licensing, certification and accreditation. Updated Image of Nursing: Influences of the Present chapter describes the nurse's role, the traditional role of the nurse, and nurses as advocates, teachers, colleagues and managers. Updated Table of Contents improves the flow of material covered to make it easier for you to quickly find and learn important topics.

Pearson Reviews & Rationales

Master Need-to-Know Psychiatric Nursing Information with Ease Gain the basic knowledge and patient interaction skills you need to confidently prepare for psychiatric nursing practice with this concise, engaging text. Essentials of Psychiatric Nursing is easy to understand and rich with clinical examples and explanations that clarify challenging concepts and help you build the unique therapeutic communication capabilities necessary to excel in the care of patients with common mental health disorders. New! Unfolding Patient Stories, written by the National League for Nursing, immerse you in commonly encountered clinical scenarios and equip you for successful patient interactions. Concept Mastery Alerts drawn from the Lippincott® PrepU adaptive learning system clarify the most challenging mental health nursing concepts. NCLEX Notes keep you focused on important application areas for success on the NCLEX®. Case Studies interwoven in the mental health disorder chapters help you apply theory to nursing care for specific disorders, supported by online videos that reveal symptoms and procedures in greater detail. Emergency Care Alerts help you recognize situations that may require immediate or specialized care. Nursing Management of Selected Disorders sections familiarize you with the most common major psychiatric disorders. Research for Best Practice boxes reinforce the latest evidence and implications from relevant studies to guide and validate interventions. Therapeutic Dialogue features compare and contrast therapeutic and nontherapeutic

The NCLEX-PN Practice Questions Exam Cram , Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven combination for exam success!

CliffsNotes NCLEX-RN Cram Plan

needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan and are written in the style used on
