Piano Lessons for Beginners

Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as *Ma Rainey's Black Bottom*, Joe Turner's *Come and Gone*, and the Pulitzer Prize-winning *Fences*. In his second Pulitzer Prize-winner, *The Piano Lesson*, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

Beautifully written and strikingly honest, Piano Lessons takes the reader on a journey into the heart and meaning of music. As Anna discovers

passion and ambition, confronts doubt and disappointment, and learns about much more than tone and technique, Mrs. Sivan's wisdom guides her: "We are not teaching piano playing. We are teaching philosophy and life and music digested." "What is intuition? Knowledge that has come inside." "My darling, we must sit and work." Piano Lessons reminds us all how an extraordinary teacher can change a life completely.
