### **The Waverley Novels: The bride of Lammermoor. A legend of Montrose. Ivanhoe**

The explosive and controversial debut novel by a major new voice in fiction Meet Tristan Hart, a brilliant young man of means. The year is 1751, and at the age of twenty he leaves home to study medicine at the great hospital of St. Thomas in London. It will be a momentous year for the intellectually ambitious Mr. Hart, who, in addition to being a student of Locke and Descartes and a promising young physician, is also, alas, psychotic. He is obsessed with the nature of pain and medically preventing it, but—equally strong and much harder to control—is his obsession with causing it. Desperate to understand his deviant desires before they are his undoing, he uses the new tools of the age—reason and science and skepticism—to plumb the depths of his own dark mind. Profoundly imaginative, unexpectedly funny, and with a strange but moving love story at its heart, The Tale of Raw Head and Bloody Bones is an oddly beautiful and daring novel about the relationship between the mind and body, sex, madness, pain, and the existence of God.

### **Bloody Bones**

### **Bones**

An exhaustive work covering the full range of topics relating to vampires, including literature, film and television, and folklore. • Nearly 240 A-Z entries on all aspects of vampirism • Photographs and illustrations of vampire films, television shows,

In the stunning follow up to *The Secrets of Life and Death*, Rebecca Alexander has created a gripping supernatural thriller that bridges time, legend and the power of blood. Following her showdown with Elizabeth Bathory, Jackdaw Hammond is running from her past, hiding from her future, and hoping to contain her newfound thirst for blood. Buying an overgrown home in the middle of nowhere seems like the perfect place to escape...at least until she finds herself in the sights of a murderous family with a terrible secret and a penchant for dark magic. Meanwhile, her old ally Felix Guichard has gone to New Orleans to conduct his own investigation into the nature of blood magic, but is soon sucked into the intrigues of the city's occult underworld. But Jack will need Felix more than she knows, for the battle for her soul is set to begin. Her only salvation may lie with the secrets of 16th century master occultist Edward Kelley, and a dangerous mission he undertook in Venice to confront the Inquisition, the darkest deeds of his own past, and the fearsome power of Elizabeth Bathory.

## **A Legend of Montrose and The Black dwarf**

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelie s Reaper mother summoned

forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelig without a mother and her people without hope.

## **The Secrets of Blood and Bone**

The dramatic true story of two brothers living parallel lives on either side of the U.S.-Mexico border—and how their lives converged in a major criminal conspiracy José and Miguel Treviño were bonded by blood and a shared vision of a better life. But they chose different paths that would end at the same violent crossroads—with considerable help from the FBI and an enigmatic, all-American snitch. José was a devoted family man who cut no corners in his pursuit of the American dream. Born in Nuevo Laredo, a Mexican border town on a crucial smuggling route, José was one of thirteen children raised by a hardworking ranch hand. He grew up loving the sprawling countryside and its tough, fast quarter horses, but in search of opportunity he crossed the border into Texas to look for work as a bricklayer. He kept his nose clean. He stayed out of trouble. Back in Mexico, José's younger brother Miguel was leading a different life. While José struggled to make ends meet, Miguel ascended to the top ranks of Los Zetas, a notoriously bloody drug cartel—his crimes had become the stuff of legend and myth on both sides of the border. He was said to have burned rivals alive, murdered Mexican and American law enforcement officers, and launched grenades at a U.S. consulate. José, married with kids and now a U.S. citizen, gave every indication of rejecting his brother's criminal lifestyle. Then one day he showed up at a quarter-horse auction and bid close to a million dollars for a horse—the largest amount ever paid for a quarter horse at an auction. The humble bricklayer quickly became a major player in the quarter-horse racing scene that thrived in the American Southwest and Mexico. That caught the attention of an eager young FBI agent named Scott Lawson. He enlisted Tyler Graham, an American rancher who would eventually breed José's champion horse—nicknamed Bones—to help the FBI infiltrate what was revealing itself to be a major money-laundering operation, with the ultimate goal of capturing the infamous Miguel Treviño. Joe Tone's riveting, exquisitely layered crime narrative, set against the high-stakes world of horse racing, is an intimate story about family, loyalty, and the tragic costs of a failed drug war. Compelling and complex, Bones sheds light on the perilous lives of American ranchers, the morally dubious machinery of drug and border enforcement, and the way greed and fear mingle with race, class, and violence along America's vast Southwestern border. Advance praise for Bones "One magnificent piece of border reporting."—Sam Quinones, author of *Dreamland: The True Tale of America's Opiate Epidemic* "Bones is a riveting read that transcends the larger-than-life cartels, cowboys, and fast horses at its heart. It's about how hard it is to determine what makes a good guy and a bad guy along our embattled border."—Joe Drape, author of the New York Times bestseller *American Pharoah* "What a cast of characters: a bloodthirsty Mexican drug lord, his unassuming blue-collar brother, a daring Texas rancher, and an idealistic young FBI agent. And then there are the racehorses, as fast as the wind, competing for million-dollar purses on the quarter-horse tracks of the American Southwest. Through amazingly detailed research, Joe Tone has brought us a riveting tale about the pursuit of justice in the most dangerous of worlds."—Skip Hollandsworth, author of the New York Times bestseller *The Midnight Assassin*

## **The Blood Libel Legend**

From the acclaimed author of *Roses and Rot*—a "Brothers Grimm tale for the contemporary reader" (School Library Journal, starred review)—Kat Howard's exquisite shorter works, nominated for the World Fantasy Award, and performed on WNYC's Selected Shorts—called "brilliant" (Library Journal, starred review). Kat Howard has already been called a "remarkable writer" by Neil Gaiman and her "dark and enticing" (Publishers Weekly) debut novel, *Roses and Rot*, was beloved by critics and fans alike. Now, you can experience her collected shorter works, including two new stories, in *A Cathedral of Myth and Bone*. In these stories, equally as beguiling and spellbinding as her novels, Howard expands into the enchanted territory of myths and saints, as well as an Arthurian novella set upon a college campus, "Once, Future," which retells the story of King Arthur—through the women's eyes. Captivating and engrossing, and adorned in gorgeous prose, Kat Howard's stories are a fresh and stylish take on fantasy. "Kat Howard seems to possess a magic of her own, of making characters come alive and scenery so vivid, you forget it exists only on the page" (Anton Bogomazov, *Politics and Prose*).

## **PopularMMOs Presents A Hole New World**

The new book from award-winning historian W. Scott Poole is a whip-smart piece of pop culture detailing the story of cult horror figure Vampira that actually tells the much wider story of 1950s America and its treatment of women and sex, as well as capturing a fascinating swath of Los Angeles history. In *Vampire*, Poole gives us the eclectic life of the dancer, stripper, actress, and artist Maila Nurmi, who would reinvent herself as Vampira during the backdrop of 1950s America, an era of both chilling conformity and the nascent rumblings of the countercultural response that led from the Beats and free jazz to the stirring of the LGBT movement and the hardcore punk scene in the bohemian enclave along Melrose Avenue. A veteran of

the New York stage and late nights at Hollywood's hipster hangouts, Nurmi would eventually be linked to Elvis, Orson Welles, and James Dean, as well as stylist and photographer Rudi Gernreich, founder of the Mattachine Society and designer of the thong. Thanks to rumors of a romance between Vampira and James Dean, his tragic death inspired the circulation of stories that she had cursed him and, better yet, had access to his dead body for use in her dark arts. In Poole's expert hands, Vampira is more than the story of a highly creative artist continually reinventing herself, but a parable of the runaway housewife bursting the bounds of our straight-laced conventions with an exuberant display of camp, sex, and creative individuality that owed something to the morbid New Yorker cartoons of Charles Addams, the evil queen from Disney's Snow White, and the popular, underground bondage magazine Bizarre, and forward to the staged excesses of Madonna and Lady Gaga. Vampira is a wildly compelling tour through a forgotten piece of pop cultural history, one with both cultish and literary merit, sure to capture the imagination of Vampira fans new and old.

In this second installment in the *Odd 1s Out* series, James is back with characters, stories, and opinions, including:

- The upside of the robot uprising
- Questionable pizza toppings
- Strange yet completely reasonable fears
- Inventions that don't exist, but should

Offering advice on accepting your quirks and growing up in the Internet age, *The Odd 1s Out: The First Sequel* is sure to be a must-have for old and new fans alike.

## **The Briar King**

## **Waverley Novels: The black dwarf and A legend of Montrose**

"A wonderful tale . . . It crackles with suspense and excitement from start to finish."—Terry Brooks Two thousand years ago, the Born Queen defeated the Skasloi lords, freeing humans from the bitter yoke of slavery. But now monstrous creatures roam the land—and destinies become inextricably entangled in a drama of power and seduction. The king's woodsman, a rebellious girl, a young priest, a

roguish adventurer, and a young man made suddenly into a knight—all face malevolent forces that shake the foundations of the kingdom, even as the Briar King, legendary harbinger of death, awakens from his slumber. At the heart of this many-layered tale is Anne Dare, youngest daughter of the royal family . . . upon whom the fate of her world may depend. Praise for *The Briar King* “Starts off with a bang, spinning a snare of terse imagery and compelling characters that grips tightly and never lets up. . . . A graceful, artful tale from a master storyteller.”—Elizabeth Haydon, bestselling author of *Prophecy: Child of Earth* “The characters in *The Briar King* absolutely brim with life. . . . Keyes hooked me from the first page, and I’ll now be eagerly anticipating sitting down with each future volume of the *Kingdoms of Thorn and Bone* series.”—Charles de Lint, award-winning author of *Forests of the Heart* and *The Onion Girl* “A thrill ride to the end, with plenty of treachery, revelation, and even a few bombshell surprises.”—Monroe News-Star (LA)

*Blood, Bones & Butter* follows the chef Gabrielle Hamilton's extraordinary journey through the places she has inhabited over the years: the rural kitchen of her childhood, where her adored mother stood over the six-burner with wooden spoon in hand; the kitchens of France, Greece, and Turkey, where she was often fed by complete strangers and learned the essence of hospitality; and the kitchen of her beloved Italian mother-in-law, who serves as the link between Hamilton's idyllic past and her own future family. Unflinchingly honest, moving, beautifully crafted and funny, this is a rollicking, passionate story of food, purpose and family.

## **A Cathedral of Myth and Bone**

## **Blood, Bones & Butter**

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by

award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

### **The Legend of Perseus**

Captain Johnny Bones loved to sail the seven seas with some of the roughest shipmates that ever sailed. Captain Johnny Bones ship was called Bloody Bones because every ship that crossed Captain Johnny Bones path would be hammered with cannon fire and when Captain Johnny Bones got through with the crew there would be nothing left but "Bloody Bones" When Captain Johnny Bones and his shipmates came aboard they stole all the gold aboard and would slit every crew member's throats aboard and watch their jugger vein squirt blood on the other dead bodies they were laid upon.

### **Of Blood and Bone**

The first time I stole a tomb, I actually dug out a fairy woman from the Donghan tomb. In order to break free from the shackles of fate, I will head south to the Northern Ocean, west to the Kunlun Mountains, and use an ancient "Heavenly Book" to enter the Netherworld, slay the Black White Spinach, and search for the truth that has been buried by the flood of history! One by one, the mysteries of the buddhist dao from a thousand years ago were revealed.

### **Blood and Bone**

### **Raw Head, Bloody Bones**

### **The Odd 1s Out: The First Sequel**

Here there be dragons--this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond. Heroes who ventured there were only as great as the beasts they encountered. This encyclopedia contains more than 2,200 monsters of myth and folklore, who both made life difficult for humans and fought by their side. Entries describe the appearance, behavior, and cultural origin of mythic creatures well-known and obscure, collected from traditions around the world.

### **Classical, mediaeval, legendary**

#### **Vampira**

Alan Dundes, in this casebook of an anti-Semitic legend, demonstrates the power of folklore to influence thought and history. According to the blood libel legend, Jews murdered Christian infants to obtain blood to make matzah. Dundes has gathered here the work of leading scholars who examine the varied sources and elaborations of the legend. Collectively, their essays constitute a forceful statement against this false accusation. The legend is traced from the murder of William of Norwich in 1144, one of the first reported cases of ritualized murder attributed to Jews, through nineteenth-century Egyptian reports, Spanish examples, Catholic periodicals, modern English instances, and twentieth-century American cases. The essays deal not only with historical cases and surveys of blood libel in different locales, but also with literary renditions of the legend, including the ballad "Sir Hugh, or, the Jew's Daughter" and Chaucer's "The Prioress's Tale." These case studies provide a comprehensive view of the complex nature of the blood libel legend. The concluding section of the volume includes an analysis of the legend that focuses on Christian misunderstanding of the Jewish feast of Purim and the child abuse component of the legend and that attempts to bring psychoanalytic theory to bear on the content of the blood libel legend. The final essay by Alan Dundes takes a distinctly folkloristic approach, examining the legend as part of the belief system that Christians developed about Jews. This study of the blood libel legend will interest folklorists, scholars of Catholicism and Judaism, and many general readers, for it is both the literature and the history of anti-Semitism.
