Childhood

War and Peace and Anna Karenina are widely recognized as two of the greatest novels ever written. Their author Leo Tolstoy has been honored as the father of the modern war story, as an innovator in psychological prose, and as a genius at using fiction to reveal the mysteries of love and death. At the time of his death in 1910, Tolstoy was known the world over as both a great writer and as a merciless critic of

institutions that perpetrated, bred, or tolerated injustice and violence in any form. Yet among literary critics and rival writers, it has become a commonplace to disparage Tolstoy's "thought" while praising his "art." In this Very Short Introduction Liza Knapp explores the heart of Tolstoy's work. Focusing on his works of fiction that have stood the test of time, she analyses his works of non-fiction alongside them, and sketches out the core themes in Tolstoy's art and thought, and the interplay between them. Tracing the continuing influence of Tolstoy's work on modern literature, Knapp highlights those aspects of his writings that remain relevant today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

One hundred years after his death, Tolstoy still inspires controversy with his notoriously complex narrative strategies. This original book explores how and why Tolstoy has mystified interpreters and offers a new look at his most famous works of fictio

Maude's excellent translation of Tolstoy's treatise on the emotionalist theory of art was the first

unexpurgated version of the work to appear in any languages. More than ninety years later this work remains, as Vincent Tomas observed, one of the most rigorous attacks on formalism and on the doctrine of art for art's sake ever written. Tomas's Introduction makes this the edition of choice for students of aesthetics and anyone with philosophical interests.

1910. Anna Karenina and War and Peace have made Leo Tolstoy the world's most famous author. But fame comes at a price. In the tumultuous final year of his life, Tolstoy is desperate to find respite, so leaves his large family and the hounding press behind and heads into the wilderness. Too ill to venture beyond the tiny station of Astapovo, he believes his last days will pass in isolation. But as we learn through the journals of those closest to him, the battle for Tolstoy's soul will not be a peaceful one. Jay Parini introduces, translates and edits this collection of Tolstoy's autobiographical writing, diaries, and letters related to the last year of Tolstoy's life published to coincide with the 2009 film of Parini's novel *The Last Station: A Novel of Tolstoy's Final Year*.

Anna Karenina

The Russian novelist and moral philosopher Leo Tolstoy (1828-1910) ranks as one of the world's great

writers, and his "war and peace" has been called the greatest novel ever written. The purpose of all true creative art, he believed, is to teach. But the message in all his stories are presented with such humour that the reader hardly realises that it is strongly didactic. The seven parts into which this book is divided include the best known tolstoy stories. "God sees the truth, but waits" and "a prisoner in the caucasus" which tolstoy himself considered as his best; "how much land does a man need?" depicting the greed of a peasant for land; the most brilliantly told parable, "ivan the fool" - these are all contained in this volume.

Much of what was central to Tolstoy seems embarrassing to Western and Soviet critics, points out Richard Gustafson in his absorbing argument for the predominance of Tolstoy's religious viewpoint in all his writings. Received opinion says that there are two Tolstoys, the pre-conversion artist and the post-conversion religious thinker and prophet, but Professor Gustafson argues convincingly that the man is not two, but one. Leo Tolstoy

Follow the renowned novelist's journey to his own peace Leo Tolstoy was born to an aristocratic Russian family, became a world-famous influential novelist, and then chose to lead the simple life of a peasant. Dating from this last part of his life, Tolstoy's influential book, *What I Believe*, takes readers along on the path to a life modeled literally on Jesus Christ's "Sermon on the Mount" and the teachings of the Gospels. In revealing and frank essays he reimagines a faith without dogma, centered solely on Jesus's doctrine of love, humility, and self-denial. This collection of chapters from *What I Believe* includes examinations of *Resist Not Evil*, *Judge Not Thy Neighbor*, *Letting Go of Fear*, and *Allowing Forgiveness*.

How do we know what we should teach? And how should we go about teaching it? These deceptively simple questions about education perplexed Tolstoy. Before writing his famous novels *War and Peace* and *Anna Karenina*, Tolstoy opened an experimental school on his estate to try and answer them. His experiences there incited his life-long inquiry into the meaning and purpose of religion, literature, art and life itself. In this text, Daniel Moulin tells the story of the course of Tolstoy's educational thought, and how it relates to Tolstoy's fiction and other writings. It begins with his experience of being a child and adolescent, incorporates his travels in Europe, the experimental school, his literature, and his views on art, philosophy, and spirituality. Throughout, the relevance and impact of Tolstoy's thinking on education are translated into applicable theory for today's education students.

Leo Tolstoy and Our Time

Lev Tolstoy, one of the greatest writers in world literature, is best known to English-language readers for his masterpieces *War and Peace* and *Anna Karenina*. Tolstoy, however, was an extremely prolific writer on many topics including spiritual themes. To

better understand the Gospels he taught himself Greek and Hebrew. This book contains materials which present the essence of Tolstoy's beliefs on immortality, death, God, and the meaning of life.

Death and the Meaning of Life

WE were in mourning for our mother, who had died the preceding autumn, and we had spent all the winter alone in the country-Macha, Sonia and I. Macha was an old family friend, who had been our governess and had brought us all up, and my memories of her, like my love for her, went as far back as my memories of myself. Sonia was my younger sister. The winter had dragged by, sad and sombre, in our old country-house of Pokrovski. The weather had been cold, and so windy that the snow was often piled high above our windows; the panes were almost always cloudy with a coating of ice; and throughout the whole season we were shut in, rarely finding it possible to go out of the house. It was very seldom that any one came to see us, and our few visitors brought neither joy nor cheerfulness to our house. They all had mournful faces, spoke low, as if they were afraid of waking some one, were careful not to laugh, sighed and often shed tears when they looked at me, and above all at the sight of my poor Sonia in her little black frock.

The Works of Leo Tolstoy : The life of Tolstóy, later years, by Aylmer Maude

Leo Tolstoy was born on the family estate at Yasnaya Polyana, south of Moscow, in 1828. His parents were of the Russian nobility. They died when he was young, leaving him and his three brothers to be brought up by aunts. He began the study of law in 1844, but was a poor student and soon dropped out. In 1851, after running up heavy gambling debts, he joined the army in the Caucasus. It was about this time he began writing. Of his early work, perhaps the best known are the three novels of his autobiographical trilogy,

Childhood (1852), Boyhood (1854), and Youth (1857). They portray his happy childhood and young manhood. Tolstoy married Sophia Behrens, 16 years his junior, in 1862. It was a marriage marked by sexual passion and emotion. Even so, their early married life was ostensibly happy and allowed Tolstoy much freedom to write. Tolstoy died in 1910, and today is considered one of the giants of Russian literature. His most famous works include the novels War and Peace and Anna Karenina and novellas such as The Death of Ivan Ilyich and The Kreutzer Sonata.

What is Art?

This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, *A Calendar of Wisdom* is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.

A Calendar of Wisdom

Provides a compilation of five of the famous Russian author's short works, including "The Empty Drum" and "The Imp and the Crust."

The Life and Times of Leo Tolstoy

When he arrived in Moscow in 1851, a young Leo Tolstoy set himself three immediate aims: to gamble, to marry, and to obtain a post. At that time he managed only the first. The writer's momentous life would be full of forced breaks and abrupt departures, from the death of his beloved parents and tortuous courtship to a deep spiritual crisis and an abandonment of the social class into which he had been born. He also made several attempts to break up with literature, but each time he returned to writing. In this original and comprehensive biography, Andrei Zorin skillfully pieces together the life of one of the greatest novelists of all time. He offers both an innovative account of Tolstoy's deepest feelings, emotions, and motives, as reflected in his personal diaries and letters, and a brilliant interpretation of his major works, including his celebrated novels on contemporary Russian society, *War and Peace* and *Anna Karenina*, and his significant philosophical writings.

War and Peace

On the 12th of August, 18-- (just three days after my tenth birthday, when I had been given such wonderful presents), I was awakened at seven o'clock in the morning by Karl Ivanitch slapping the wall close to my head with a fly-flap made of sugar paper and a stick. He did this so roughly that he hit the image of my patron saint suspended to the oaken back of my bed, and the dead fly fell down on my curls. I peeped out

from under the coverlet, steadied the still shaking image with my hand, flicked the dead fly on to the floor, and gazed at Karl Ivanitch with sleepy, wrathful eyes. He, in a parti-coloured wadded dressing-gown fastened about the waist with a wide belt of the same material, a red knitted cap adorned with a tassel, and soft slippers of goat skin, went on walking round the walls and taking aim at, and slapping, flies.

Childhood Anthologie

Path of Life was the last book written by Lev Tolstoy. Although the great nineteenth century Russian novelist is known in English-speaking countries for his

major novels: War and Peace; Anna Karenina; and Resurrection. He is less known for his numerous religious writings, which present a challenging and original point of view. These works have been undervalued, as evidenced by the fact that Path of Life is translated here fully in English. The reader will notice that Tolstoy anticipated many of the ideas presented in contemporary books on spirituality, such as the observation that our thoughts determine our lives. Tolstoy began to write this book in 1910, the last year of his life, when he was 82 years old. Given that he began the book in January and completed it in October of the same year, one would think the writing went quickly; but it only seems that way. Tolstoy actually had been developing the themes presented in Path of Life for the last thirty years of his life. In Path of Life Tolstoy defines how to find continuous happiness in life and how to die without fear. In presenting his views, he cites his own ideas and includes many quotations from an eclectic collection of ancient

Anna Karenina is the tragic story of a married aristocrat/socialite and her affair with the affluent Count Vronsky. The story starts when she arrives in the midst of a family broken up by her brother's unbridled womanizing—something that prefigures her own later situation, though she would experience less tolerance by others. A bachelor, Vronsky is eager to marry her if she will agree to leave her husband Karenin, a senior government official, but she is vulnerable to the pressures of Russian social norms, the moral laws of the Russian Orthodox Church, her own insecurities, and Karenin's indecision. Although Vronsky and Anna go to Italy, where they can be together, they have trouble making friends. Back in Russia, she is shunned, becoming further isolated and anxious, while Vronsky pursues his social life. Despite Vronsky's reassurances, she grows increasingly possessive and paranoid about his imagined infidelity, fearing loss of control. A parallel story within the novel is that of Konstantin Levin, a wealthy country landowner who wants to marry Princess Kitty, sister to Dolly and sister-in-law to Anna's brother Oblonsky. Konstantin has to propose twice before Kitty accepts. The novel details Konstantin's difficulties managing his estate, his eventual marriage, and his personal issues, until the birth of his first child. The novel explores a diverse range of topics throughout its approximately thousand pages. Some of these topics include an evaluation of the feudal system that existed in Russia at the time—politics, not only in the Russian government but also at the level of the

individual characters and families, religion, morality, gender and social class.

Thomas Mann says that ANNA KARENINA is the greatest novel of society in world literature. This intriguing and provoking story of broken marital relations also presents in great detail Russian manners and customs under the old regime. The story is as real as life itself. More than a century has passed since Tolstoy's masterpiece appeared and shook Russian society by its unsparing attack of social hypocrisy. The every increasing popularity of ANNA KARENINA bears witness to the impact that this novel continues to make on us and the way we view the world.
