English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a

nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

An “impressive” tale of psychic power, Native American mysticism, and an ancient evil in Alabama, from the New York Times–bestselling author of *Swan Song* (Associated Press). Born and raised in rural Alabama, Billy Creekmore was destined to be a psychic. His mother, a Choctaw Indian schooled in her tribe’s ancient mysticism, understands the permeable barrier between life and death—and can cross it. She

taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer, son of one of the most fervent tent evangelists in the South, travels the country serving his father's healing ministry. Using his unique powers to cure the flock, Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys, mystery walks that will lead them toward a crossroad where the evil of their dreams has taken shape. One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was, or that mankind's fate would rest in their hands during an epic showdown of good versus evil. From the author of *Gone South*, *Boy's Life*, and the *Matthew Corbett* series, a master of suspense who has won the World Fantasy and Bram Stoker Awards, *Mystery Walk* offers “creepy, subtle touches throughout [and] splendid Southern-town atmosphere” (Kirkus Reviews).
