What's next for JavaScript? Its phenomenal rise from a simple client-side scripting tool to a versatile and flexible programming language exceeded everyone's expectations. Now, hopes and expectations for JavaScript's future are considerable. In this insightful report, Dr. Axel Rauschmayer explains how the combination of several technologies and opportunities in the past 15 years turned JavaScript's fortunes. With that as a backdrop, he provides a detailed look at proposed new features and fixes in the next version, ECMAScript.next, and then presents his own JavaScript wish list—such as an integrated IDE. Understand the key role that XMLHttpRequest, JSON, jQuery, V8, Node.js, and other advances played. Examine proposed fixes for ECMAScript.next through code examples. Discover how JavaScript is becoming a better target for compilers. Explore the technologies that will help JavaScript provide support for concurrency. Learn how HTML5 is a compelling platform for JavaScript in web, mobile, and desktop applications. Dr. Rauschmayer is a consultant and trainer for JavaScript, web technologies, and information management.

Introduction to Differential Equations with Boundary Value Problems

Vampire Loves

The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, The Burden Of Freedom should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

Jacques Ellul and the Technological Society in the 21st Century

From the bestselling author of *Karna's Wife*, comes this book about Urmila, Sita's sister and the neglected wife of Lakshman, and one of the most overlooked characters in the Ramayana. As Sita prepares to go into exile, her younger sisters stay back at the doomed palace of Ayodhya, their smiles, hope and joy wiped away in a single stroke. And through the tears and the tragedy one woman of immense strength and conviction stands apart—Urmila, whose husband, Lakshman, has chosen to accompany his brother Ram to the forest rather than stay with his bride. She could have insisted on joining Lakshman, as did Sita with Ram. But she did not. Why did she agree to be left behind in the palace, waiting for her husband for

fourteen painfully long years?

Millennial Hospitality

"Who Is God?" is a Bible Lesson Series that attempts to help the reader understand the character of God. Many people go through life knowing about God, but not fully knowing and understanding His true character. In these lessons, you will learn some of the names of God as they describe who God is and what He means in our lives.

How to Meditate

The best way for today's sailors to learn about a battle is from those who fought it. The Battle of Midway, commemorated annually in the U.S. Navy, warrants close attention. This Naval Institute guide includes some of the most vibrant and informed accounts by individuals who fought on both sides of the June 1942 battle. The anthology pulls together memoirs, articles, excerpts from other Naval Institute

books, and relevant government documents to help readers understand what happened and explain why the battle was so significant to the naval service. The core of the book focuses on events leading up to the battle and the battle itself, with a separate section examining how others have interpreted the battles often desperate engagements. When the U.S. Navy stopped the Japanese steamroller off Midway Island, it not only turned the progress of the war but set the Navys foundation for future counter offensives. The Navys comeback spread to the Solomon Islands and on to the other key strategic areas in the Pacific. While many know that Midway was a crucial American victory, they often do not know the details of the battle. This book tells how, for example, the American PT boats contributed to the victory, how the carrier planes formed up for their attacks, and what role radar played in the battle. In addition to excerpts from books and articles, the guide includes selections from several important Naval Institute oral histories. From the enlisted mans perspective all the way to the admirals, for both Americans and Japanese, readers see the U.S. Navys greatest victory as the participants saw it.

The Motor Ship

Millennial Hospitality is not like any other book you may have read about aliens. You will find out many new things such as, the answer to the question, "where do the children of aliens play?" This book is about friendship, romance, terror and is based on the true life experiences of the author, who claims he is not an alien.

The Past, Present, and Future of JavaScript

A sexy Jane Austen re-imagining by author Abigail Reynolds What if Instead of disappearing from Elizabeth Bennet's life after she refused his offer of marriage, Mr. Darcy had stayed and tried to change her mind? What if Lizzy, as she gets to know Darcy, finds him undeniably attractive and her impulses win out over her sense of propriety? What if Madly in love and mutually on fire, their passion anticipates their wedding? In To Conquer Mr. Darcy, instead of avoiding Elizabeth after his ill-fated marriage proposal, Mr. Darcy follows her back to Hertfordshire to prove to her he is a changed man and worthy of her love. And little by little, Elizabeth begins to find the man she thought she despised, irresistible Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca! Praise for To Conquer Mr. Darcy: "Shows a different side of Darcy, a bold side unafraid of going after what he wants." -Hollywood Today "Sure to appeal to fans of lusty historical romance." -Library Journal "Abigail Reynolds sure knows how to steam up a page!" -A Readers Respite "If you always longed for Mr. Darcy to sweep Elizabeth off her feet, then this is your book!" -I Just Finished Reviews

DANGEROUS DAYS It's been three months since Drothe killed a legend, burned down a portion of the imperial capital, and found himself unexpectedly elevated into the ranks of the criminal elite. As the newest Gray Prince in the underworld, he's not only gained friends, but also rivals—and some of them aren't bothered by his newfound title. A prince's blood, as the saying goes, flows just as red as a beggar's. So when another Gray Prince is murdered and all signs point to Drothe as the hand behind the knife, he knows it's his blood that's in danger of being spilled. As former allies turn their backs and dark rumors begin to circulate, Drothe is approached by a man who says he can make everything right again. All he wants in exchange is a single favor. Now Drothe finds himself traveling to the Despotate of Djan, the empire's long-standing enemy, to search for the friend he betrayed—and the only person who can get him out of this mess. But the grains of sand are running out fast, and even if Drothe can find his friend, he may not be able to persuade him to help in time

8 Reasons Your Life Matters

For over seventy years after the 'Glorious Revolution' of 1688-90, Jacobitism survived in the face of Whig propaganda. These essays seek to challenge current views of Jacobite historiography. They focus on migrant communities, networking, smuggling, shipping, religious and intellectual support mechanisms, art, architecture and identity.

Sita's Sister

New from the Top Author of Inspirational Regency Romance
Return to Ivy Hill in The Ladies of Ivy Cottage as friendships deepen, romances blossom, and mysteries unfold. Living with the two Miss Groves in Ivy Cottage, impoverished gentlewoman Rachel Ashford is determined to earn her own livelihood . . . somehow. When the village women encourage her to open a subscription library with the many books she has inherited or acquired through donations, Rachel discovers two mysteries hidden among them. A man who once broke her heart helps her search for clues, but will both find more than they bargained for? Rachel's friend and hostess, Mercy Grove, has given up thoughts of suitors and fills her days managing her girls' school. So when several men take an interest in Ivy Cottage, she assumes pretty Miss Ashford is the cause. Exactly what--or who--has captured each man's

attention? The truth may surprise them all. Meanwhile, life has improved at the coaching inn and Jane Bell is ready to put grief behind her. Now if only the man she misses would return--but where is he? As the women of Ivy Hill search for answers about the past and hope for the future, might they find love along the way?

A Tale of a Tub

Reflecting your students and their world. How many of the students in your Social Psychology course are Psychology majors? Business? Sociology? Education? In the 11th edition of Social Psychology, David Myers once again weaves an inviting and compelling narrative that speaks to ALL of your students regardless of background or intended major. And with Connect Social Psychology and LearnSmart, students are able to create a personalized learning plan helping them be more efficient and effective learners. With LearnSmart, students know what they know and master what they don't know and faculty are able to move to more in-depth classroom discussions. Through examples and applications as well as marginal quotations from across the breadth of the liberal arts and sciences, Myers draws students into the field of social psychology. At the same time, Myers is also in tune with the ever-changing state of social psychology research. Research Close-Up and Inside Story features throughout the book provide deeper exposure to key research and researchers. Marginal quotations, examples and applications throughout each chapter, and the concluding "Applying Social Psychology" chapters all ensure that regardless of your students' interests and future plans, Social Psychology will engage them. This 11th edition also features the contributions of Jean Twenge, author of Generation Me and The Narcissism Epidemic, further bolstering the direct connection to today's students.

American Cars, 1946-1959

This volume reveals the behaviour and design of cold-formed steel structures, connections and systems. It describes the AISI Specification for the Design of Cold-Formed Steel Structural Members published in July 2000, which governs the design of all cold-formed steel frames, including roof, wall and racking systems, and cold-formed steel residential construction in the USA. The text offers worked examples which can be programmed using MATHCAD or EXCEL.

The Biblical Road to Blessing

To Conquer Mr. Darcy

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY A sweeping story told in letters, spanning two continents and two world wars, Jessica Brockmole's atmospheric debut novel captures the indelible ways that people fall in love, and celebrates the power of the written word to stir the heart. March 1912: Twenty-four-year-old Elspeth Dunn, a published poet, has never seen the world beyond her home on Scotland's remote Isle of Skye. So she is astonished when her first fan letter arrives, from a college student, David Graham, in far-away America. As the two strike up a correspondence—sharing their favorite books, wildest hopes,

and deepest secrets—their exchanges blossom into friendship, and eventually into love. But as World War I engulfs Europe and David volunteers as an ambulance driver on the Western front, Elspeth can only wait for him on Skye, hoping he'll survive. June 1940: At the start of World War II, Elspeth's daughter, Margaret, has fallen for a pilot in the Royal Air Force. Her mother warns her against seeking love in wartime, an admonition Margaret doesn't understand. Then, after a bomb rocks Elspeth's house, and letters that were hidden in a wall come raining down, Elspeth disappears. Only a single letter remains as a clue to Elspeth's whereabouts. As Margaret sets out to discover where her mother has gone, she must also face the truth of what happened to her family long ago. Sparkling with charm and full of captivating period detail, *Letters from Skye* is a testament to the power of love to overcome great adversity, and marks Jessica Brockmole as a stunning new literary voice. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Praise for *Letters from Skye* "Letters from Skye is a captivating love story that celebrates the power of hope to triumph over time and circumstance."—Vanessa Diffenbaugh, *New York Times* bestselling author of *The Language of Flowers* "[A] remarkable story of two women, their loves, their secrets, and two world wars . . . [in which] the beauty of Scotland, the tragedy of war, the longings of the heart, and the struggles of a family torn apart by disloyalty are brilliantly drawn, leaving just enough blanks to be filled by the reader's imagination."—*Publishers Weekly* (starred review) "Tantalizing . . . sure to please readers who enjoyed other epistolary novels like *The Guernsey Literary and Potato Peel Pie Society*."—*Stratford Gazette* "An absorbing and rewarding saga of loss and discovery."—Kate Alcott, *New York Times* bestselling author of *The Dressmaker* "A sweeping and sweet (but not saccharine) love story."—*USA Today* "[A] dazzling little jewel."—*Richmond Times-Dispatch* From the Trade Paperback edition.

Social Psychology

This volume rethinks the work of Jacques Ellul (1912-1994) on the centenary of his birth, by presenting an overview of the current debates based on Ellul's insights. As one of the most significant twentieth-century thinkers about technology, Ellul was among the first thinkers to realize the importance of topics such as globalization, terrorism, communication technologies and ecology, and study them from a technological perspective. The book is divided into three sections. The first discusses Ellul's diagnosis of modern society, and addresses the reception of his work on the technological society, the notion of efficiency, the process of symbolization/de-symbolization, and ecology. The second analyzes communicational and cultural problems, as well as threats and trends in early twenty-first century societies. Many of the issues Ellul saw as crucial – such as energy, propaganda, applied life sciences and communication – continue to be so. In fact they have grown exponentially, on a global scale, producing new forms of risk. Essays in the final section examine the duality of reason and revelation. They pursue an understanding of Ellul in terms of the depth of experience and the traditions of human knowledge, which is to say, on the one hand, the experience of the human being as contained in the rationalist, sociological and philosophical traditions. On the other hand there are the transcendent roots of human existence, as well as "revealed knowledge," in the mystical and religious traditions. The meeting of these two traditions enables us to look at Ellul's work as a whole, but above all it opens up a space for examining religious life in the technological

society.

Chemical Engineering

A preparation guide includes more than one hundred minutes of recorded information, sealed test materials, data on the Test of Written English, and in-depth practice instructions by the people who prepare the actual test. Original.

The Waterways Journal

From the resumption of automobile production at the close of World War II through the 1950s, the American auto industry would see the births and deaths of several manufacturers, great technological advances, and an era of dramatic styling as a prospering nation asserted its growing mobility. Cars of this period are among the most iconic vehicles ever built in the United States: the 1949 Ford, the remarkable Studebaker designs of 1950 and 1953, the 1955-1957 Chevrolets, the "Forward Look" Chrysler products, the ill-fated Edsel and many others. This comprehensive reference book details every model from each of the major manufacturers (including independents such as Kaiser-Frazer and Crosley but excluding very low-volume marques such as Tucker) from model years 1946 through 1959. Year by year, it provides an overview of the industry and market, followed by an individual report on each company: its main news for the year (introductions or cancellations of models, new engines and transmissions, advertising themes, sales trends etc.); its production figures and market status; and its powertrain offerings, paint colors and major options. The company's models are then detailed individually with such information as body styles, prices, dimensions and weights, standard equipment and production figures. Nearly 1,000 photographs are included.

Sworn in Steel

"The American Dream is the fundamental story of this country, and my life is a grateful reflection of its reality." When Rosario was fourteen years old she moved from Mexico to California with no grasp of the English language and few resources. She has since become a trailblazer in every sense: from becoming the first in her family to graduate from college to having her signature appear on the U.S. dollar bill as the treasurer of the United States, and the first Latina in California to run for the U.S. Senate. *Leading Between Two Worlds* is the story of this incredible journey. Rosario exposes her most personal secrets and impressive achievements as she divulges what she has sacrificed and what she has gained in politics. She takes us through a deeply felt betrayal, her struggle through depression, the creation of her family, her devotion to advocating for the rights of people with disabilities, and her joyous return to Mexico. Rosario's story is the story of every immigrant who -- in the face of unbelievable adversity -- seeks to make it in the United States. Her journey is one of tragedy and triumph, one from which readers will draw inspiration.
