You're looking for a youth pastor. Again. What goes wrong? Why do youth ministries crumble? And what is the cost to students, parents, volunteers and church staff? Is a sustainable youth ministry possible, even after a youth pastor leaves? Youth ministry expert Mark DeVries knows the answer is yes, because he helps build sustainable youth ministries through his coaching service called Youth Ministry Architects. So take heart; No matter what state the youth ministry at your church is in-in need of a leader and volunteers, full of battles and stress, large or small in number-it can be built to survive and to last for the long haul. Based on his own experience and on his many conversations and interviews with churches in crisis, DeVries pinpoints problems that cause division and burnout and dispels strongly held myths. He then provides the practical tools and structures pastors and church leaders need to lay a strong foundation for your ministry so that it isn't built on a person or the latest, greatest student ministry trend. His accessible guidance helps senior pastors and search committees create a realistic job description for a youth pastor provides tips for making wise hiring decisions equips youth pastors to build a strong volunteer team offers creative solutions to help youth pastors set and keep boundaries gives a road map for navigating church politics and more Building a sustainable youth ministry is not easy, and it's not quick. But with commitment to the process, hard work and DeVries's guidance, you can put together a healthy youth ministry-one that fits your church and lasts for the long haul. Youth ministry can last. Here's how.

The Ministry of Helps Handbook

The Pastor's Handbook (KJV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

The Broadman Minister's Manual

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, The Disciple-Making Minister is helping Christian leader around the world be more effective in fulfilling the Great Commission.

Ministry of Helps

Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work. To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do

practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

The Complete Handbook for Family Life Ministry in the Church

When disasters happen, people turn to local churches as centers for response and assistance. When floods or tornadoes devastate an area, or when shootings and violence shock a community, knowing what to do can be the difference between calm and chaos, courage and fear, life and death. But few churches plan in

advance for what they should do— until the storm hits. Don't get caught unprepared. If a natural disaster or human tragedy strikes your community, your church can minister to the hurting. Jamie Aten and David Boan, codirectors of the Humanitarian Disaster Institute, provide a practical guide for disaster preparedness. Disaster ministry is a critically important work of the church, preparing for the unthinkable, providing relief to survivors, caring for the vulnerable and helping communities recover. Filled with resources for emergency planning and crisis management, this book provides best practices for local congregations. By taking action in advance, your church can help prevent harm and save lives during a disaster. The time to plan is now. Be prepared.
