Love is crazy. Peck Ward, the sweet, small-town mechanic, isn't sure it's for everyone. Least of all him. His life is chaotic enough without adding the pressure of a relationship. Besides, unrequited love is a real thing and he's kind of over it. This works out perfectly until a certain someone throws a wrench-pun intended-into his plans. As they go from adversaries to friends to possibly something more, things get complicated. After all, they know how this story ends. It's not with them together. His easy grin is enough to win her over. Her unabashed personality does him in. But are they ready to accept the fact that sometimes you don't find love where you're looking for it? Sometimes you find it in the most unexpected, craziest places.

A Libertine Jeremy Greymont certainly qualifies. 'Sex rough and women loose' is his credo—one he's always taken very seriously, with no deference whatsoever to the society into which he's been born. There will be plenty of time to teach his innocent bride all about that after the wedding, right? No, not even close. Georgina's demons trump Jeremy's in so many ways. A brutal assault has left her wounded and vowing she can be wife to no man—not even Jeremy Greymont. What is a libertine to do? “Georgina I am so entangled in thoughts of you I could not find my way out if ever I desired.” JEREMY GREYMONT

"No-fraternization policies were made to be broken."
-Evan Kazmeirowicz, VEGAS CRUSH This may sound reasonable coming from the star winger for the VEGAS CRUSH the day he lays eyes on the new social media manager for the team, but for Holly Laurent it's a whole different story. Dating a "player" is a risky business, especially if she wants to keep the job she just landed with the hottest team in the NHL. Holly loves her independence and her career. She's doing just fine on her own, thank you very much. Allowing her head to be turned by a hot hockey player and putting her job at risk? Not. Happening. Ever. Not even if he looks like a god. Not even if he possesses enough charm to tempt the panties from a nun. Not even if she has to cross her fingers behind her back every time she tells him she's not interested. Policies exist for a reason. Rules are not meant to be broken and sexy players are not to be trusted. Right?

Part two of the epic three-part conclusion to the Ruthless People and Children of Vice series Do you understand why I asked you last time, how well do you think you knew the Callahans? Because I knew you don't know them. Not in the way I knew them. But don't worry. I'll reintroduce you to them. The real them. I will show you what they are all really, truly, capable of, because I am no longer in the shadows. I am here. In my kingdom, at last. And I do not give a damn about your opinions of me, or the one who came before me. We are doing things my way now. So bow or be broken. Sincerely, Mrs. Callahan
