### **Mosby's Comprehensive Review for the Canadian PN Exam**

### **Saunders Comprehensive Review for the NCLEX-PN® Examination - E-Book**

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology

and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

### **Exam Prep Flash Cards for Textbook of Basic Nursing +**

This card deck provides more than 200 review questions for the five nursing areas covered in the NCLEX-PN—fundamentals, medical-surgical nursing, psychiatric-mental health nursing, maternal-neonatal nursing, and pediatric nursing—plus a comprehensive test of 85 questions in random order. Each card has an NCLEX-style question on the front and the correct answer and rationale on the back. The Third Edition includes new NCLEX alternative item format questions that require students to select more than one correct response, fill in the blank, or identify an area on a picture. The cards are now shrink-wrapped with a hole punch and ring.

### **Kaplan NCLEX-RN Medication Flashcards**

NCLEX-PN Practice Questions are the simplest way to prepare for the NCLEX-PN test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCLEX-PN Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCLEX-PN Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

"One multi-part model exam plus many shorter tests within each of this book's chapters will give prospective nursing school applicants general orientation and solid preparation before they take an actual nursing school entrance exam. While each entrance exam given by nursing schools throughout the country will vary in topics covered, this manual offers comprehensive coverage of virtually all possible topics. Prospective nursing students will value the authors' detailed description of the nursing profession, its duties, responsibilities, and satisfactions. That discussion is followed by a self-

assessment questionnaire to help readers decide if nursing is the right career choice for them. The manual also provides test-taking strategies designed to enhance study skills and reasoning ability that will be useful in any test situation. Also presented is a subject review that covers a range of testable topics: verbal skill-building, reading comprehension, math, and science"--Provided by publisher.
