Notes on Nursing

A Daviss Notes Book for the Medical Assisting Student. Presented in an outline format that assists the exam candidate in

becoming an active participant in the creation of a personal detailed review guide. The candidate will complete areas of the given outline format by researching their own texts, and may add notes to strengthen areas in which they do not feel confident. A mini CD-ROM will be bound into the book. The CD-ROM will contain a test engine with approximately 900 test items, a simulated CMA exam with 300 test items, RMA exam, and CMAS exam with 200 items. These figures correlate to the actual number of test items included on each real exam.

Lippincott's Review for NCLEX-RN

CliffsNotes NCLEX Cram Plan is the perfect way to review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2-month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

Pediatric Nursing

Master the critical-thinking and test-taking skills you need to excel on the clinical judgment, prioritization, and delegation questions on the NCLEX-RN®. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help students learn from their answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and featuring special resources to help Canadian students succeed, this is THE book of choice for NCLEX preparation. Read any customer review or ask your colleagues to see why there's nothing else like it!

NurseThink Notes

Simple, Fast and Easy NCLEX Review

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The NCLEX-RN Practice Questions Exam Cram , Fifth Edition provides 1250 questions for the nursing student who wants to be better prepared for the exam. Updated to provide more relevant and challenging questions matching NCLEX adjustments made in 2015, this fifth edition improves upon the prior editions that have served as one of the most popular late-stage study tools for Nursing candidates. Anxiety about the exam is high among nursing students and results from the focus group say 'the more practice questions to study, the better'! The Exam Cram questions cover every topic the student will encounter on the real exam including more "new format" interactive questions. The Exam Cram gives the student as much experience with the real exam as possible. The NCLEX-PN Practice Questions Exam Cram , Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven

combination for exam success!

NCLEX-RN Content Review Guide

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. A companion CD enhances your NCLEX review by allowing you to customize quizzes and exams and download audio review summaries of key content. Over 4,200 practice questions in the

book and on the companion CD provide ample practice opportunities in both print and electronic testing formats. Review questions are grouped by categories of concern to focus your study on any areas of weakness. Detailed rationales for correct and incorrect answers are provided with every question. Text references are provided with the answer rationales for further study of difficult topics. Two comprehensive exams are coded by clinical area, client need, nursing process, and cognitive level, to help you evaluate your strengths and weaknesses. An overview of the latest NCLEX-RN test plan describes the recent changes and additions to content. Companion CD allows you to create customized quizzes and exams based on clinical area, NCLEX client needs category, nursing process, and cognitive level.

Fundamentals Success

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.
