Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago "Yes! Yes! Yes!" Says Dr. No

Slippery Jim diGriz is in the process of robbing the new Mint on Paskonjak when the heist goes terribly wrong. Threatened with a horrific death, Slippery Jim is allowed to cut a deal with the Galactic League: voyage to the planet Liokukae and bring back a missing artifact - the only known evidence of alien life-forms found in 32,000 years of galactic exploration. For diGriz there are a few catches. One is Liokukae itself - a dumping ground for the League's misfits, murderers, maniacs, and the incurably obnoxious. Another is a little matter of life and death. To ensure the utterly untrustworthy diGriz's cooperation, the League has given him a slow-acting poison, allowing him thirty days in which to succeed . . . or die. Now the Stainless Steel Rat is on his way to a world that is hurtling backward down the evolutionary scale - a land of fanatic, goat-herding Fundamentaloids, murderous Machmen, and a rusty guru named Iron John. DiGriz has developed an almost perfect cover: a four-member rock band that has a way of giving its audiences what they want to hear. But while the days tick away and diGriz's life expectancy lowers, the mission evolves from finding an artifact to liberating a
