### **Look Summer Bulletin**

The exodus—the story of God leading his chosen people out of slavery in Egypt—stands as a pivotal event in the Old Testament. But if you listen closely, you will hear echoes of this story of redemption all throughout God's Word. Using music as a metaphor, the authors point us to the recurring theme of the exodus throughout the entire symphony of Scripture, shedding light on the Bible's unified message of salvation and restoration that is at the heart of God's plan for the world.

### **Five Ministry Killers and How to Defeat Them**

The Bulletin reads: Look, new things have arrived! ~ 2 Corinthians 5:17 The gentle butterfly preparing to land on the exquisitely colored flower along with the heartwarming scripture from 2 Corinthians encourages us to embrace God's creation with a joyous abandon. This bulletin is perfect to use during Ordinary Time and to enhance worship services with a celebration of God's creation. Bulletin is 8.5" x 11" unfolded and 5.5" x 8.5" folded.

She Had a Treasure and She Threw It Away is about a dedicated godly husband who loved his wife like God loves the church. How a wife allowed Satan to trick her into taking a bite of the forbidden fruit (his lies). My faith in Jesus Christ through it all allowed me to persevere as I experienced the spiritual, the mental, the social, the physical, and the economical roller coaster.

## God is Greater Than The Highs and Lows

Paul wrote Ephesians for the body of Christ to help them discover God's design for the church and the fullness of the mission God has for every single person He has created. In Made for More: Six Essential Shifts for Creating a Culture of Mobilization, the authors highlight six key shifts from the book of Ephesians that are necessary to create a healthy culture of mobilization. Shift 1: From More Effort to More Jesus Shift 2: From More Volunteers to More Masterpieces Shift 3: From More Guilt to Move Love Shift 4: From More Hierarchy to More Missionaries Shift 5: From More Programs to More Mission Fields Shift 6: From More Strategy to More Surrender This healthy culture will help church leaders shift their thinking from "volunteerism" to "mobilization."

### **I've Got This God**

"With generative wisdom, Gerkin moves beyond the predominance of the psychotherapeutic paradigm in pastoral care to a dynamic, interactive process which balances faith, culture, community, and individual well-being. . . . Gerkin's history of pastoral care is skillful. . . . His analysis of the current transitions in the field of care will make this book a classic."--Jeanne Stevenson Moessner, Columbia Theological Seminary, Decatur, and the Georgia Association for Pastoral Care "Out of the abundance of his many years as a pastoral caregiver and theologian, Gerkin introduces readers to the history, theory, and practice of pastoral care. This book represents the best of Protestant liberal pastoral theology and fills a long-standing gap. . . . The narrative-hermeneutical paradigm which Gerkin offers holds and works with many of the complexities of pastoral care in postmodern times."--Carrie Doehring, School of Theology, Boston University "Gerkin's Introduction to Pastoral Care

breaks new ground for an introductory text in its emphasis on care as 'the central metaphor of life in the Christian community.' Thus the scope is much larger than the more usual focus only on individual and family needs. He is deeply sensitive to both individual and community dimensions through his quadrilateral nexus of tradition, individuals and family, community, and cultural context."--James N. Lapsley, Princeton Theological Seminary "The formula appears simple: take the very best of pastoral care theory and research of the past, build upon it the best of contemporary literature and practice in the pastoral arts and sciences, season it with rich experiences of a pioneer in the pastoral care, counseling, and education movement, and you have a solid bridge to the 21st century. Gerkin has proven the formula. . . . [Gerkin] articulates a pastoral care for the 21st century."--Orlo C. Strunk, Jr., Pastoral Psychotherapist at The Coastal Samaritan Center, Myrtle Beach, South Carolina.

The Old Testament can seem strange and disturbing to contemporary readers. What should Christians make of Genesis 1-3, seemingly at odds with modern scientific accounts? Why does the Old Testament contain so much violence? How should Christians handle texts that give women a second-class status? Does the Old Testament contradict itself? Why are so many Psalms filled with anger and sorrow? What should we make of texts that portray God as filled with wrath? Combining pastoral insight, biblical scholarship, and a healthy dose of humility, gifted teacher and communicator Matthew Schlimm explores perennial theological questions raised by the Old Testament. He provides strategies for reading and appropriating these sacred texts, showing how the Old Testament can shape the lives of Christians today and helping them appreciate the Old Testament as a friend in faith.

### **Saved By Grace**

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Baptist ministers to spectacular growth and revival in the 1970s. It is a story, and an era, that few in the English-speaking world know anything about. But through Tom Carson's journals and written prayers, and the narrative and historical background supplied by his son, readers will be given a firsthand account of not only this trying time in North American church history, but of one pastor's life and times, dreams and disappointments. With words that will ring true for every person who has devoted themselves to the Lord's work, this unique book serves to remind readers that though the sacrifices of serving God are great, the sweetness of living a faithful, obedient life is greater still.

Youth Ministry, Doug Fields' mind—but especially his heart—has been focused on the many unique needs of new youth workers. Doug translated his passion, insight, and vision for his beloved “rookies” into what you’re now reading, *Your First Two Years in Youth Ministry*—hands-down the most comprehensive companion to not only surviving, but also thriving, during the most crucial phase of youth ministry. Employing his renowned wisdom and humor—as if you and Doug were chatting over a long, relaxing meal—the author disarmingly relates stories and principles from his own successes and failures over 20-plus years in youth ministry. In the end, he offers treasure troves of practical advice, all in the hope that new youth workers can travel a smoother path and achieve real longevity in a church culture that all too often chews them and spits them out. Doug covers all-important issues such as: · Dealing with discouragement · Establishing a solid spiritual foundation · Building effective relationships with students · Resolving conflict · Ministering to parents and families · Trailblazing change · Working with volunteers · Defining a realistic job description · And many others! In addition, a chorus of insightful sidebar voices joins your conversation with Doug, among them ministry veterans Jim Burns, Steve Gerali, Mike Yaconelli, Helen Musick, Chap Clark, Marv Penner, Rick Warren, Jana L. Sundene, Bo Boshers, Duffy Robbins, Tony Campolo, and Richard Ross, all who’ve composed extensive, topical essays for each of the dozen chapters. *Your First Two Years of Youth Ministry* is a must-have tool for new youth workers, volunteers, seminary professors and students, senior pastors, elders, church boards—even veteran youth workers who’ve been ministering in unstructured environments and are now asking, “What did I miss? What can I still learn?” The first two years of youth ministry are never easy. But never fear. Doug fervently assures us: “Hang on. Hope’s coming!”

also highlights a specific feature of pastoral ministry explored in the work. Part 2 is a handbook that defines the canon of literary masterpieces that deal with the pastor's experience, offering reading suggestions for both ministers and lovers of literature. From the familiar (The Canterbury Tales; Cry, the Beloved Country; and The Scarlet Letter) to the lesser-known (Silence, Witch Wood) to the surprising (A Portrait of the Artist as a Young Man), this collection uncovers the good, the bad, and the ugly ways in which pastors have been presented to the reading public for the past half millennium.
