involved in the Taser incident. In addition to the protests held at UCLA and other UC campuses, there were high volume of telephone calls to UCLA with people voicing their anger and support over the Taser incident. These telephone calls came from people living in the United States and abroad. There was such a high volume of phone calls that UCLA's telecommunications nearly broke down. After a complete and thorough investigation, the UCLA police chief as well as UCLA campus administrators, concluded that Officer Duren did not violate policy with his use of the Taser. "University sheepdog in Westwood, Los Angeles" is a memoir that gives a better understanding of Officer Terrence Duren and his former colleagues. This memoir is a story of "Sheepdogs" (police officers), protecting the "Sheep" (students\faculty\staff\visitors and others), from the "Wolves" (criminals). Some of the contents in this memoir will tell of Terrence Duren's Officer Involved Shootings, on and off campus, his working undercover for six months buying narcotics from UCLA hospital employees, his confrontation with members of the Nation of Islam, his SWAT standoff with an armed suspect, lewd and lascivious activity in the men's restrooms, his mentoring victims and suspects, flimflammer, and more! Additionally, this Memoir has contents regarding Terrence's childhood growing up around Black Panthers, his service in the United States Marine Corps in peace time and during the First Gulf War. This memoir is unlike any other police story ever told. As you read this memoir, sit down and strap up because you are about to go on a ride!

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
