#### by the north gate

The issue of how Japanese society operates, and in particular why it has 'succeeded', has generated a wide variety of explanatory models, including the Confucian ethic, classlessness, group consciousness, and 'uniqueness' in areas as diverse as body images and language patterns. In Ideology and Practice in Modern Japan the contributors examine these models and the ways in which they have sometimes been used to create a sense of 'Japaneseness', that obscures the fact

that Japan is actually an extremely complex and heterogenous society. In particular, 'practice' at the micro-level of society is explored to illuminate or express a broader ideology. The contributors investigate a wide variety of subjects - from attitudes to death to the role of education, from film making to gender segregation - to see what can be said about the phenomenon in particular, what it tells us about Japan in general, and what conclusions can be drawn for our understanding of society in the broadest sense.

### **Conversations with Capote**

#### **Deep Waters**

Dark, brilliant fiction from the New York Times-bestselling author: "Oates' spookiness is visceral, psychologically involving, and socially astute."—Booklist In the title story of her taut new fiction collection, Joyce Carol Oates writes: Life was not of the surface like the glossy skin of an apple, but deep inside the fruit where seeds are harbored. There is no writer more capable of picking out those seeds and exposing all their secret tastes and poisons than Oates herself—as demonstrated in these six stories. One tale opens with a woman, naked except for her high-heeled shoes, seated in front of the window in an apartment she cannot, on her own, afford. In this exquisitely tense narrative reimagining of Edward Hopper's *Eleven A.M.*, 1926, the reader enters the minds of both the woman and her married lover, each consumed by alternating thoughts of disgust and arousal, as he rushes, amorously, murderously, to her door. In "The Long-Legged Girl," an aging, jealous wife crafts an unusual game of Russian roulette involving a pair of Wedgwood teacups, a strong Bengal brew, and a lethal concoction of medicine. Who will drink from the wrong cup, the wife or the dance student she believes to be her husband's latest conquest? In "The Sign of the Beast," when a former Sunday school teacher's corpse turns up, the blighted adolescent she had by turns petted and ridiculed confesses to her murder—but is he really responsible? And another young outsider, Horace Phineas Love, Jr., is haunted by apparitions at the very edge of the spectrum of visibility after the death of his tortured father in "Night-Gaunts," a fantastic ode to H.P. Lovecraft. "Consummately well-written, stylistically dashingforthrightly nightmarish."—Kirkus Reviews

#### **Time Travel in Popular Media**

This new Companion surveys the traditions and conventions of the dark side of American culture - its repressed memories, its anxieties and panics, its fears and horrors, its obsessions and paranoias. Featuring new critical essays by established and emerging academics from a range of national backgrounds, this collection offers new discussions and analyses of canonical and lesser-known texts in literature and film, television, photography, and video games. Its scope ranges from the

earliest manifestations of American Gothic traditions in frontier narratives and colonial myths, to its recent responses to contemporary global events.

## **Atlas of AIDS**

Joyce Carol Oates has written some of the most enduring fiction of our time, including the national bestsellers *We Were the Mulvaney*s and *Blonde*, which was nominated for the National Book Award. In her acceptance speech for the National Book Award in 1970, Joyce Carol Oates remarked that 'language is all we have to pit against death and silence.' In this remarkable new collection of interviews spanning more than 35 years of Oates's career, she talks candidly and insightfully about literature, the writing life, her background, and many other topics. These interviews should interest not only Oates's many fans but anyone who cares about contemporary American literature. The interviews range from Robert Phillip's in *The Paris Review* to Lawrence Grobel's in *Playboy*. Though previously published, often in literary magazines, the majority have never appeared in book form.

## **The Widower's Notebook**

The first novel from New York Times-bestselling author Joyce Carol Oates, a thrilling, dark tale of family, revenge, and two souls intertwined by love and violence—now back in print for fans of America's most prolific storyteller. Written when Joyce Carol Oates was in her early twenties, and first published in 1964, *With Shuddering Fall* is her powerful debut novel, the first of five new Oates reprints from Ecco. Following the turbulent story of two lovers who discover themselves mortal enemies, the author explores the struggle for dominance in erotic relationships that has become a predominant theme in her work, as well as the perils of patriarchal inheritance, and the ripple-effects of emotional loss in adolescence. The result is an unsentimental yet sympathetic rendering of a disastrous love affair in which hatred is nearly as powerful as love, and a yearning for destruction is an abiding and insatiable passion. Discover what prompted the New York Times to compare this young writer's debut to Shirley Jackson's famous short story, "The Lottery." Readers looking for a place to start in Joyce Carol Oates's vast catalogue will be intrigued by the sheer narrative force of the young author, and her willingness to anatomize the darkest recesses of humanity in a search for redemption and resolution.

## **30-Day Bass Workout**

Collared and controlled, Shifters are outcast from humanity. But waiting within are passions that no collar can contain in this novel in the New York Times bestselling Shifters Unbound series. When a female Shifter comes to town seeking refuge, feline Shifter Sean Morrissey claims the new arrival, expecting a submissive little she-wolf. Instead, he finds a beautiful woman who looks him straight in the eye without fear, stirring the mating frenzy within him. As a half-Fae, half-Shifter, Andrea Gray is used to looking out for herself. But in order to relocate to a new Shifertown and escape an unwanted mate claim, Andrea must accept a new mate. A Guardian seems as good a candidate as any, but Andrea's intense attraction to Sean is something she never expected—and a perilous complication for a woman with a troubled past.

### **All about bongos**

The iconic author of *In Cold Blood* and *Breakfast at Tiffany's* comes to life in *Conversations with Capote*, written by veteran interviewer Lawrence Grobel. Truman Capote knew from the age of eleven that he wanted to be a writer, and was published by his early twenties. He went on to pen some of the most beloved plays, novels, and short stories in twentieth century literature. Capote's work, along with his flamboyant and charismatic personality, made him a beloved literary and cultural legend. In this compelling book, Capote speaks candidly about his tumultuous childhood and early fame, his bouts with drugs and alcohol, his romantic relationships, and his work. He also shares his pointed thoughts on some of the most well known figures of our time, including Jacqueline Onassis, J.D. Salinger, Norman Mailer, Tennessee Williams, Elizabeth Taylor, and Marilyn Monroe. This definitive, in-depth interview is a compelling read and a must-have for all fans of Capote's work.

Finally returned to print in a beautiful new trade paperback edition, American Appetites is classic Joyce Carol Oates—a suspenseful thriller in which the happy facade of an affluent suburban couple crumbles under the weight of tragedy and scandal. For twenty-six years, Ian McCullough, a demographics researcher at a social science think tank, has been happily married to Glynnis, a successful cookbook writer and a brilliant hostess. When a drunken argument about a suspected infidelity turns physical, Ian accidentally pushes Glynnis through a plate glass window—or did she fall? Now, Glynnis is dead, Ian is charged with murder, and their American dream is shattered. And soon, in a courtroom where guilt and responsibility become two very separate issues, Ian will stand trial, fighting for his life. A sophisticated, witty, and chilling novel from the incomparable Joyce Carol Oates, American Appetites explores our insatiable hunger for power, love, and success, and how comfortable, privileged lives—and the course of fate—can be dramatically transformed in an instant.

## **Blackstone's Custody Officers' Manual**

Twenty-five interviews share Oates' views on literature, the responsibility of the writer, major themes and influences in her work, and her approach to writing

## **Industrial Organization in Context**

The Journal of Joyce Carol Oates, edited by Greg Johnson, offers a rare glimpse into the private thoughts of this extraordinary writer, focusing on excerpts written during one of the most productive decades of Oates's long career. Far more than just a daily account of a writer's writing life, these intimate, unrevised pages candidly explore her friendship with other writers, including John Updike, Donald Barthelme, Susan Sontag, Gail Godwin, and Philip Roth. It presents a fascinating portrait of the artist as a young woman, fully engaged with her world and her culture, on her way to becoming one of the most respected, honored, discussed, and controversial figures in American letters.

### **The Hungry Ghosts**

Seven stories of people whose "defense-structures are shattered by the rich recklessness of life."

### **Austin/MG Metro**

Written with unexpected humor and great warmth, *The Widower's Notebook* is a portrait of a marriage, an account of the complexities of finding oneself single again after losing your spouse, and a story of the enduring power of familial love. "This is deeply moving beautifully written and modulated, with a dollop of droll, black humor. It is such an achievement, like running uphill against a strong wind."--Joyce Carol Oates On a summer day in New York Jonathan Santlofer discovers his wife, Joy, gasping for breath on their living room couch. After a frenzied 911 call, an ambulance race across Manhattan, and hours pacing in a hospital waiting room, a doctor finally delivers the fateful news. Consumed by grief, Jonathan desperately tries to pursue life as he always had--writing, social engagements, and working on his art--but finds it nearly impossible to admit his deep feelings of loss to anyone, not even his to beloved daughter, Doria, or to himself. As Jonathan grieves and heals, he tries to unravel what happened to Joy, a journey that will take him nearly two years.

### **Industrial Ventilation**

"Joyce Carol Oates is often called America's most prolific living writer, but it is perhaps her versatility that is most astounding. Just as she is a revered novelist, playwright, poet, and critic, the short stories gathered in her 21 published collections - from *By the North Gate* (1963) to *Haunted: Tales of the Grotesque* (1994) - vary in theme and style, although all evoke the bedrock natural and social reality that has consistently informed her fiction." "In this comprehensive survey of Oates's stories, Greg Johnson selects eight of her collections that he considers most representative of her work and among her most successful books. He analyzes stories in which Oates experiments with form, genre, allusion, and Gothicism and presents postmodern allegories of American life. Separate chapters are devoted to Oates's early Eden County stories in *By the North Gate* and *Upon the Sweeping Flood* (1966), her stories focused on female experience in *The Wheel of Love* (1970)

and *The Goddess and Other Women* (1974), her experimentation with fictional form and genre in *Marriages and Infidelities* (1972) and *Night-Side* (1977), and her recent work in *Raven's Wing* (1986) and *Heat* (1991), dealing with the psychology and culture of contemporary life." "The volume's second part presents a 1981 interview with Oates (conducted by Sanford Pinsker), as well as a copious selection of Oates's writing about her stories and the form generally - a discussion of her early stories; separate appraisals of "Funland," "Heat," "The Swimmers," and "Why Don't You Come Live with Me It's Time"; her response to the question "Is there a female voice?"; and her comments on the translation of short story into film. Part 3 consists of four critical essays - by scholars Marilyn C. Wesley, Daniel L. Zins, Robert McPhillips, and Gretchen Schulz - commissioned specifically for this volume, as well as previously published essays by William Abrahams, Elaine Showalter, and Elizabeth Pochoda." "Johnson's exploration of the stories he considers key to an understanding of Oates's mastery of the genre is essential reading for students of Oates's work and of the contemporary American short story."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Reading it is as close to getting inside the minds behind the Third Reich's war machine as you are likely to get.

### **American Appetites**

Eight stories from the author of *A Book of American Martyrs* that display her “mastery of imagery and stream of consciousness” (Kirkus Reviews). Joyce Carol Oates is an unparalleled investigator of human personality. In these eight stories, she deftly tests the bonds between damaged individuals—brother and sister, teacher and student, two lonesome strangers on a subway—in the beautiful, bracing prose that has become her signature. In the title story, a white, aspiring professor in Detroit tries to shake a black, male shadow during the summer of the city’s 1967 race riots. In “The Rescuer,” a promising graduate student detours to inner-city Trenton, New Jersey, to save her brother from a downward spiral, only to find herself entranced by his dangerous new world. Meanwhile, a young woman prowls the New York City subways in search of her perfect man in “Lorelei.” In each of these short stories, Oates portrays a desperate confrontation with the demons inside us. Sometimes it’s the human who wins, and sometimes it’s the demon. “Oates offers unexpected glimmers of redemption amid the grotesquerie, degradation, and exploitation that fill this collection’s eight tales.” —Publishers Weekly

### **Schoolhouse Gothic**

A new collection of critical and personal essays on writing, obsession, and inspiration from National Book Award-winning and New York Times bestselling author Joyce Carol Oates. "Why do we write?" With this question, Joyce Carol Oates begins an imaginative exploration of the writing life, and all its attendant anxieties, joys, and futilities, in this collection of seminal essays and criticism. Leading her quest is a desire to understand the source of the writer’s inspiration—do subjects haunt those that might bring them back to life until the writer submits? Or does something "happen" to us, a sudden ignition of a burning flame? Can the appearance of a muse-like Other bring about a writer’s best work? In *Soul at the White Heat*, Oates deploys her keenest critical faculties, conjuring contemporary and past voices whose work she deftly and creatively dissects for clues to these elusive questions. Virginia Woolf, John Updike, Emily Dickinson, Henry James, J. M. Coetzee, Margaret Atwood, Joan Didion, Zadie Smith, and many others appear as predecessors and peers—material through which Oates sifts in acting as literary detective, philosopher, and student. The book is at its most thrilling when watching the writer herself at work, and Oates provides rare insight into her own process, in candid, self-aware dispatches from the author’s own writing room. The New York Times Book Review has raved, "who better than Joyce Carol Oates . . . to explicate the craft of writing?"

Longtime admirers of Joyce Carol Oates's novels as well as her prose will discover much to be inspired by and obsess upon themselves in this inventive collection from an American master.

## **The Journal of Joyce Carol Oates**

Advances in the Psychology of Justice and Affect presents a collection of chapters written by leading scholars attempting to illuminate the developing trends in explaining and understanding the role that affect plays in justice and vice versa. The book comes at a particular fitting time as it is recognized that justice is in the eye of the beholder, but, unfortunately clear theoretical perspectives have not been clearly outlined yet. This book addresses this need by presenting a variety of perspectives advocating the further integration between both fields and how this may be achieved. Moreover, the book also provides a discussion of what we know as yet and where this integrative field should be going. The book is divided in three parts discussing the nature of justice and affect, justice, morality and affect, and justice and affect at work. The market for this book is students, researchers in social psychology, organizational behavior and management, behavioral economics, philosophy, and other related social sciences fields. Graduate students and upper level undergraduates can make use of the book as a supplementary text.

### **On the German Art of War**

The “Schoolhouse Gothic,” undertaken by insiders and outsiders to the academy alike and embodied both in literature and in academic discourse, draws on Gothic metaphors and themes in representing and interrogating contemporary American schools and educators. Curses from the past take the form of persistent power inequities (of race, gender, class, and age) and, rather ironically, the very Enlightenment that was to save the moderns from rigid, ancient, mystified hierarchies. In Schoolhouse Gothic literature, including works by Stephen King, Flannery O’Connor, Toni Morrison, Joyce Carol Oates, and David Mamet, school buildings, classrooms, and/or offices, function as traps, or analogues to the claustrophobic family mansions, monasteries, and convents of old. In Schoolhouse Gothic scholarship, the trap is academic objectivity, viewed not as a lofty goal but rather as an institutional strategy of concealment that blinds the scholar to his or her own prejudices and renders even the most well-meaning complicit with inequitable power structures. The combination of curse and trap common to the Gothic scenario produces paranoia, violence, and monstrosity. In Schoolhouse Gothic literature, schools turn students into psychopaths and machines. In the scholarship, the product is discourse, or “epistemic violence” reified. The Schoolhouse Gothic suggests—at the very least—that Americans have become increasingly uneasy about the role of the academy, increasingly mistrustful of its guardians, and increasingly convinced that something sinister lies behind its officially benevolent exterior.

### **Accounting**

They are the stories of her father: stories of travel, of poverty and of faith in God through every season in life. In her first book, *God Signs & Dad Stories*, Christian author Paula Pettis memorializes the memory of her late dad, Russell Pettis, through collected stories of his life. The first section of the book chronicles Russell's upbringing in Wisconsin during the Great Depression, when poverty was prevalent but family love abounding, as well as his time spent sailing in the Merchant Marines during World War II and later in other branches. Paula presents a touching tribute to her father in the second half of the book, recalling the months spent caring for her aging parent in hospital ICUs and through countless doctor visits. Yet through prayer, support from loved ones and unexplainable signs from God, she created treasured moments with her earthly father that celebrated her Heavenly Father.

In recent years numerous films, television series, comic books, graphic novels and video games have featured time travel narratives, with characters jumping backward, forward and laterally through time. No rules govern time travel in these stories. Some characters move by machine, some by magic, others by unexplained means. Some time travelers can alter the timeline, while others are prevented from causing temporal aberrations. The fluid forms of imagined time travel have fascinated audiences and prompted debate since at least the 19th century. What is behind our fascination with time travel? What does it mean to be out of one's own era? How do different media tell these stories and what does this reveal about the media's relationship to time? This collection of new essays--the first to address time travel across a range of media--answers these questions by locating time travel narratives within their cultural, historical and philosophical contexts. Texts discussed include *Doctor Who*, *The Terminator*, *The Georgian House*, *Save the Date*, *Back to the Future*, *Inception* and *Source Code*.
