## Joseph Perl's Revealer Of Secrets

Inside Swiss Banking provides an insider's perspective on how Swiss banks work, what legal frameworks guide them and how they navigate through the choppy waters of an increasingly global marketplace. Covering areas reaching from the Holocaust to Ferdinand Marcos and the most recent troubles of UBS in the United States, readers will get a rare level of insight into the many mysteries of Swiss banking, the true meaning of bank secrecy and the challenges facing the Swiss Banking brand as a new world order is about to transpire in the aftermath of the deepest economic crisis since the Great Depression.

### **The Torah Revealed**

The author documents her experiences during World War II through a secret diary she kept during her time in a concentration camp and the years following the war.

### **Old School**

### **A Secret Gift**

### **Money Mastery**

A renowned expert in Chinese sports medicine and martial arts reveals ancient Eastern secrets for healing common injuries, including sprains, bruises, deep cuts, and much more. For centuries, Chinese martial arts masters have kept their highly prized remedies as carefully guarded secrets, calling such precious and powerful knowledge "a tooth from the tiger's mouth." Now, for the first time, these deeply effective methods are revealed to Westerners who want alternative ways to treat the acute and chronic injuries experienced by any active person. While many books outline the popular teachings of traditional Chinese medicine, only this one offers step-by-step instructions for treating injuries. Expert practitioner and martial artist Tom Bisio explains the complete range of healing strategies and provides a Chinese first-aid kit to help the reader fully recover from every mishap: cuts, sprains, breaks, dislocations, bruises, muscle tears, tendonitis, and much more. He teaches readers how to: Examine and diagnose injuries Prepare and apply herbal formulas Assemble a portable kit for emergencies Fully recuperate with strengthening exercises and healing dietary advice Comprehensive and easy to follow, with drawings to illustrate both the treatment strategies and the strengthening exercises, this unique guidebook will give readers complete access to the powerful healing secrets of the great Chinese warriors.

## **Ancient Jewish Prayers and Emotions**

Looks at the principles of health, wealth, and prosperity practiced by the Jewish people in the Bible and how to apply these ideas to one's life.

## **The Secret Teachings of All Ages**

Sacred Jewish texts such as the Torah and the Kabbalah have long been considered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative examples, this book reveals a four-thousand-year-old blueprint for success. Readers will find practical insights on: conquering fear - harnessing will power - removing ego from the equation - mastering negotiation techniques - dealing with failure - utilizing spiritual entrepreneurship - harvesting the power of positivity - and finding the right balance of character traits to succeed in any career or business venture. The ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. This enlightening and practical guide gives readers the direction they need to make it work for them.

## **השמד אברח**

“Wondrous . . . Compelling . . . Piercing.” —The New York Times Book Review

Award-winning writer Matti Friedman's tale of Israel's first spies has all the tropes of an espionage novel, including duplicity, betrayal, disguise, clandestine meetings, the bluff, and the double bluff—but it's all true. Journalist and award-winning author Matti Friedman's tale of Israel's first spies reads like an espionage novel—but it's all true. The four agents at the center of this story were part of a ragtag unit known as the Arab Section, conceived during World War II by British spies and Jewish militia leaders in Palestine. Intended to gather intelligence and carry out sabotage operations, the unit consisted of Jews who were native to the Arab world and could thus easily assume Arab identities. In 1948, with Israel's existence hanging in the balance, these men went undercover in Beirut, where they spent the next two years operating out of a newsstand, collecting intelligence and sending messages back to Israel via a radio whose antenna was disguised as a clothesline. Of the dozen spies in the Arab Section at the war's outbreak, five were caught and executed. But in the end, the Arab Section would emerge as the nucleus of the Mossad, Israel's vaunted intelligence agency. Spies of No Country is about the slippery identities of these young spies, but it's also about the complicated identity of Israel, a country that presents itself as Western but in fact has more citizens with Middle Eastern roots and traditions, like the spies of this narrative. Meticulously researched and masterfully told, Spies of No Country is an eye-opening look at the paradoxes of the Middle East.

## **Demons, Angels, and Writing in Ancient Judaism**

Facsimile of 2004 Edition. This Book is dedicated to the memory of Leo Zeff, with the fervent hope that the revelation of his work will help bring understanding and sanity to a confused world. The Secret Chief Revealed reveals for the first time the identity of pioneering psychedelic therapist Leo Zeff, which was kept secret in the original The Secret Chief. The book contains the same text as the original with 32 pages of added material including epilogues written by Leo's children and patients, and a new introduction by Myron Stolaroff. It comprises Conversations with Zeff, pioneer in the underground psychedelic therapy movement. Reviews: "Though my father enjoyed the occasional recognition that came his way in later years, no accolade or honor ever meant as much to him as a single human being telling him how much his knowledge, wisdom, and willingness to do this work has changed his or her life. He surely left the world - and me - richer for having known him." -- Sarah Zeff "In the illegality of his time it was unthinkable to publish the excellent results of his therapy. It is therefore praiseworthy that today, years after his death, a friend has undertaken the task of publishing the details of the therapeutic methodology of this intrepid Ph.D. psychologist." -- Albert Hofmann, Ph.D., inventor of LSD "Jacob (Leo) painfully weighed the pros and cons and made the decision to challenge the law, continue his work with psychedelics, and assume personal responsibility for his activity. He has already passed the judgment of his "family," the friends and clients whose lives he has profoundly changed. They remember him with great love and gratitude. It remains to be seen how he will be judged by

history" -- Stanislav Grof, M.D., author of LSD Psychotherapy.

## **Sages of the Talmud**

The dawning of the nineteenth century found the Jews of Eastern Europe torn between the forces of progress and reaction as they took their first tentative steps toward the modern world. In a war of words and of books, Haskala—the Jewish Enlightenment—did battle with the religious revival movement known as Hasidism. Perl, an ardent advocate of Enlightenment, unleashed the opening salvo with the publication in 1819 of *Revealer of Secrets*. The novel tried to pass itself off as a hasidic holy book when it was, in fact, a broadside against Hasidism—a parody of its teachings and of the language of its holy books. The outraged hasidim responded by buying up and burning as many copies as they could. Dov Taylor's careful translation and commentary make this classic of Hebrew literature available and accessible to the contemporary English-speaking reader while preserving the integrity and bite of Perl's original. With Hasidism presently enjoying a remarkable rebirth, the issues in *Revealer of Secrets* are all the more relevant to those seeking to balance reason and faith. As the first Hebrew novel, the work will also be of great interest to students of modern Hebrew literature and modern Jewish history.

## **The Immortal Life of Henrietta Lacks**

A collection of biographical information about the authors of the Talmud. It contains more than four hundred entries and hundreds of anecdotes about the sages, all as recorded in the Talmud itself. An indispensable book for the student of the Talmud.

## **The Higgledy-Piggledy Palace**

Are you stuck in the vicious cycle of paying bills, drowning in debt, and not being able to get ahead? As a believer, have you been wondering how to build wealth? Are you searching for God's way to achieve financial independence? As a pastor for both small and large churches, Jonathan Geraci has discovered that many believers' struggles come down to how they relate to money. In this book you will discover a Biblical holistic view on wealth that may surprise you. You will learn how modern financial advisors and the ancient words of scripture agree. These simple and engaging strategies will teach you Biblical habits for building wealth. In this book you will discover - how to apply the fruits of the Spirit into your financial life. - learn the emotional and spiritual consequences of debt and how to escape! - 5 money myths that many Christians fall into. - 4 secrets from the Bible for building wealth. - discover how to practice "outrageous" generosity. You can turn around your financial life by learning financial habits that are found in scripture. What's stopping you from applying the Bible to every aspect of your life -- including your finances?

## **The Miracle Diet**

Examines the late entrepreneur's dealings with the Soviet Union and his role in the BCCI scandal

## **The Psychosocial Implications of Disney Movies**

The protagonist of Tobias Wolff's shrewdly—and at times devastatingly—observed first novel is a boy at an elite prep school in 1960. He is an outsider who has learned to mimic the negligent manner of his more privileged classmates. Like many of them, he wants more than anything on earth to become a writer. But to do that he must first learn to tell the truth about himself. The agency of revelation is the school literary contest, whose winner will be awarded an audience with the most legendary writer of his time. As the fever of competition infects the boy and his classmates, fraying alliances, exposing weaknesses, *Old School* explores the ensuing deceptions and betrayals with an unblinking eye and a bottomless store of empathy. The result is further evidence that Wolff is an authentic American master. From the Trade Paperback edition.

## **THE JEWISH SECRET**

A hugely controversial work that exposes a series of scandals from Oliver North to the British royal family, *The Secret War Against the Jews* reveals as much about political corruption inside Western intelligence as it does about Israel. Using thousands of previously top-secret documents and interviews with hundreds of current and former spies, Loftus and Aarons, both veteran investigators, Nazi-hunters, and authors, present a compelling narrative. The authors demonstrate that numerous Western countries, especially the United States and Great Britain, have conducted repeated and willful spying missions on Palestine and later Israel over many decades. While on the surface these two countries and others profess to be ardent allies of Israel, they work, in fact, through their intelligence services to betray Israel's secrets to the Arabs. Their motive: oil and multinational profits, which must be attained at any price through international covert policies. The pageant of characters appearing in this narrative is vast and shocking. This is not only a compelling work of history, but also a volume whose grave allegations will be debated for years to come.

### **The Secret Holocaust Diaries**

Find success in finance, friendships, , and spirituality with the advice of a well-known expert It's safe to say that nearly everyone is seeking a happier, more successful life. So then why do so few attain it? *Business Secrets from the Bible* proposes a new way to view and approach success—one based upon key concepts

from the Bible that are actually surprisingly simple. Written especially for those seeking success in the realms of money, relationships, and spirituality, this book encourages readers to realize their common mistakes, come to terms with them, and turn those mistakes into future triumphs. Filled with concrete advice for improved finances, spirituality, and connection, this resource takes a practical approach and aims to change not just the minds, but the actions of readers with a self-evident and persuasive pathway. Drawing on his wisdom and knowledge of the Bible, the author reveals the clear link between making money and spirituality, and urges readers to focus on self-discipline, integrity, and character strength in order to achieve personal prosperity. Special emphasis is given to establishing positive attitudes toward making money and adopting effective Biblically-based strategies. Demonstrates how earnings and profits are God's reward for forming relationships with others and serving them Stresses the importance of service, sharing, change, leadership, and creating boundaries and structures Encourages readers to focus on other people's desires and teaches why and how to make connections with many people Suggests ways for readers to transform themselves and continue toward success even in the face of fear and uncertainty Attaining wealth and well-being is no longer a mystery. Let this book identify and correct the errors that are keeping you from fulfillment and happiness.

### **The Secret Chief Revealed**

The Talmud is one of the most significant religious texts in the world, second only to the Bible in its importance to Judaism. As the Bible is the word of God, The Talmud applies that word to the lives of its followers. In a range of styles including commentary, parables, proverbs and anecdotes, it provides guidance on all aspects of everyday life from ownership to commerce to relationships. This selection of its most illuminating passages makes accessible the centuries of Jewish thought within The Talmud. Norman Solomon's clear translation from the Bavli (Babylonian) Talmud is accompanied by an introduction on its arrangement, social and historical background, reception and authors. This edition also includes appendixes of background information, a glossary, time line, maps and indexes.

### **Business Secrets from the Bible**

This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.

### **Inheritance**

Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1% of the world's population, yet approximately

25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.

### **The Secret War Against the Jews**

## **Wealth Building Secrets from the Bible**

Why are so many Jews Successful Investors that Accumulate Massive Wealth? Jews are known to be the most successful and best performing hedge-fund managers, investors, and traders in the world. Out of the best 25 money managers since the advent of American Capitalism, 17 are Jewish! Some of those in the top 25 are very famous: George Soros, Steven Cohen, James Simon, David Tepper, John Paulson, Carl Icahn, Daniel Loeb, Leon Cooperman, Israel Englander, David Einhorn, Seth Klarman, and Bruce Kovner. Groundbreaking research has found that one of the key components to the success of the Jews is their religion-Judaism. The Tanakh, a Jewish religious text, contains codes and messages secretly hidden within its pages-decoded by the Talmud, it offers practical guidance that can be applied to your investing and business practices. The Investing Code contains the time-tested secret wisdom found in the Tanakh that has worked to help the Jews accumulate wealth generation after generation. It can be applied by anyone today to attain wealth through wise investing practices.

## **Inside Swiss Banking**

Now an HBO® Film starring Oprah Winfrey and Rose Byrne #1 NEW YORK TIMES BESTSELLER Her name was Henrietta Lacks, but scientists know her as HeLa. She

was a poor black tobacco farmer whose cells—taken without her knowledge in 1951—became one of the most important tools in medicine, vital for developing the polio vaccine, cloning, gene mapping, and more. Henrietta's cells have been bought and sold by the billions, yet she remains virtually unknown, and her family can't afford health insurance. This phenomenal New York Times bestseller tells a riveting story of the collision between ethics, race, and medicine; of scientific discovery and faith healing; and of a daughter consumed with questions about the mother she never knew.

### **The Pope and Mussolini**

A comprehensive resource provides line-by-line Talmud commentary for every portion of the Torah, in a reference for rabbinical leaders, individuals seeking a greater understanding of the weekly parsha, and students.

### **Zohar, the Book of Enlightenment**

Does your business and family struggle with cash flow, debt, expansion? Unlock the key to true riches in Author Alan Asp's new book UNLOCKING JEWISH CODE get the new book everyone is talking about. Take charge of your finances, your future and your life. Finally control your money and stop letting your money control you.

## **The Investing Code**

The Secret Teachings of All Ages is perhaps the most comprehensive and complete esoteric encyclopedia ever written. The sheer scope and ambition of this book are stunning. In this book Manly P. Hall has successfully distilled the essence of more arcane subjects than one would think possible. This book explores the themes underlying ancient mythology, philosophy, and religion. Unrivaled in its beauty and completeness, it distills ancient and modern teachings of nearly 600 experts.

## **Jewish Wisdom for Business Success: Lessons for the Torah and Other Ancient Texts**

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

## **Secrets of Jewish Wealth Revealed**

You cannot serve both God and money (Matthew 6:24), but unfortunately, many people serve money without ever consciously choosing to do so. By not learning how to manage your money, you become a servant to your finances. Even though you desire to boldly serve God, you end up serving money by default – simply

because of your financial situation in life. Money Mastery is here to help! It's loaded with spiritual principles and practical tools that will empower you to master your money. M.B.A. Billy Epperhart shares: Why God wants you wealthy The Triple X Factor of \$\$\$ mastery with practical steps, charts, and checklists Seven steps to financial freedom Using wealth to partner with God to help others and impact nations

### **The Weight of Ink**

PULITZER PRIZE WINNER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE From National Book Award finalist David I. Kertzer comes the gripping story of Pope Pius XI's secret relations with Italian dictator Benito Mussolini. This groundbreaking work, based on seven years of research in the Vatican and Fascist archives, including reports from Mussolini's spies inside the highest levels of the Church, will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. The Pope and Mussolini tells the story of two men who came to power in 1922, and together changed the course of twentieth-century history. In most respects, they could not have been more different. One was scholarly and devout, the other thuggish and profane. Yet Pius XI and "Il Duce" had many things in common. They shared a distrust of democracy and a visceral hatred of Communism. Both were prone to sudden fits of temper and were fiercely protective of the prerogatives of their office. ("We have many interests to protect,"

the Pope declared, soon after Mussolini seized control of the government in 1922.) Each relied on the other to consolidate his power and achieve his political goals. In a challenge to the conventional history of this period, in which a heroic Church does battle with the Fascist regime, Kertzer shows how Pius XI played a crucial role in making Mussolini's dictatorship possible and keeping him in power. In exchange for Vatican support, Mussolini restored many of the privileges the Church had lost and gave in to the pope's demands that the police enforce Catholic morality. Yet in the last years of his life—as the Italian dictator grew ever closer to Hitler—the pontiff's faith in this treacherous bargain started to waver. With his health failing, he began to lash out at the Duce and threatened to denounce Mussolini's anti-Semitic racial laws before it was too late. Horrified by the threat to the Church-Fascist alliance, the Vatican's inner circle, including the future Pope Pius XII, struggled to restrain the headstrong pope from destroying a partnership that had served both the Church and the dictator for many years. The Pope and Mussolini brims with memorable portraits of the men who helped enable the reign of Fascism in Italy: Father Pietro Tacchi Venturi, Pius's personal emissary to the dictator, a wily anti-Semite known as Mussolini's Rasputin; Victor Emmanuel III, the king of Italy, an object of widespread derision who lacked the stature—literally and figuratively—to stand up to the domineering Duce; and Cardinal Secretary of State Eugenio Pacelli, whose political skills and ambition made him Mussolini's most powerful ally inside the Vatican, and positioned him to succeed the pontiff as the controversial Pius XII, whose actions during World War II would be subject for

debate for decades to come. With the recent opening of the Vatican archives covering Pius XI's papacy, the full story of the Pope's complex relationship with his Fascist partner can finally be told. Vivid, dramatic, with surprises at every turn, The Pope and Mussolini is history writ large and with the lightning hand of truth.

### **Dossier**

This book: Volume 1 Sarah, the wife of the patriarch Abraham, and the great mother of the Jewish people, was the most beautiful woman who ever lived. Everybody who saw her marveled at the dazzling radiance of her countenance; they stood spellbound before the glorious light that shone in her eyes and the wondrous clearness of her complexion. About the series: The very cordial welcome given to my earlier volume of "Jewish Fairy Tales and Fables" has prompted me to draw further upon Rabbinic lore in the interest, chiefly, of the children. How the wise Rabbis of old took into account the necessities of the little ones, whose minds they understood so perfectly, is obvious from such legends as those dealing with boyish exploits of the great Biblical characters, Abraham, Moses, and David. These I have rewritten from the stories in the Talmud and Midrash in a manner suitable for the children of to-day. I have ventured also beyond the confines of these two wonderful compilations. There is a wealth of delightful imagination in the legends and folk-lore of the Jews of a later period which is almost entirely unknown to children. I have drawn also on these sources for some of the stories here

presented. My desire is to give boys and girls something Jewish which they may be able to regard as companion delights to the treasury of general fairy-lore and childish romance.

## **Breaking the Jewish Code**

WINNER OF A NATIONAL JEWISH BOOK AWARD A USA TODAY BESTSELLER "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion."—Toni Morrison Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph." Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries—and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.

## **The Jews and Modern Capitalism**

## **Everybody Lies**

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

## **A Tooth from the Tiger's Mouth**

An Instant NEW YORK TIMES BESTSELLER A LOS ANGELES TIMES, BOSTON GLOBE,

WALL STREET JOURNAL, and NATIONAL INDIE BESTSELLER Named A BEST BOOK OF THE YEAR by \*Elle \* Real Simple \* Kirkus Reviews \* BookPage \* "Memoir gold: a profound and exquisitely rendered exploration of identity and the true meaning of family." --People Magazine "Beautifully written and deeply moving--it brought me to tears more than once."--Ruth Franklin, The New York Times Book Review From the acclaimed, best-selling memoirist, novelist and host of the hit podcast Family Secrets, comes a memoir about the staggering family secret uncovered by a genealogy test: an exploration of the urgent ethical questions surrounding fertility treatments and DNA testing, and a profound inquiry of paternity, identity, and love. In the spring of 2016, through a genealogy website to which she had casually submitted her DNA for analysis, Dani Shapiro received the stunning news that her beloved deceased father was not her biological father. Over the course of a single day, her entire history--the life she had lived--crumbled beneath her. Inheritance is a book about secrets. It is the story of a woman's urgent quest to unlock the story of her own identity, a story that had been scrupulously hidden from her for more than fifty years. It is a book about the extraordinary moment we live in, a moment in which science and technology have outpaced not only medical ethics but also the capacities of the human heart to contend with the consequences of what we discover. Dani Shapiro's memoir unfolds at a breakneck pace--part mystery, part real-time investigation, part rumination on the ineffable combination of memory, history, biology, and experience that makes us who we are. Inheritance is a devastating and haunting interrogation of the meaning of kinship and identity,

written with stunning intensity and precision.

## **The Money Code (Chinese)**

Why is this diet book different? Diets fail not because you don't know what or how much to eat. Diets fail because it takes 10 Diet Skills to overcome the challenges of changing old habits. The Miracle Diet will teach you how and when! You can lose 10, 20, 50, 100 pounds or more. This book will empower you to lose weight and keep it off permanently! Everything you believe about dieting is about to change!

## **Thou Shall Prosper**

Foreword by Steven Pinker Blending the informed analysis of The Signal and the Noise with the instructive iconoclasm of Think Like a Freak, a fascinating, illuminating, and witty look at what the vast amounts of information now instantly available to us reveals about ourselves and our world—provided we ask the right

questions. By the end of an average day in the early twenty-first century, human beings searching the internet will amass eight trillion gigabytes of data. This staggering amount of information—unprecedented in history—can tell us a great deal about who we are—the fears, desires, and behaviors that drive us, and the conscious and unconscious decisions we make. From the profound to the mundane, we can gain astonishing knowledge about the human psyche that less than twenty years ago, seemed unfathomable. Everybody Lies offers fascinating, surprising, and sometimes laugh-out-loud insights into everything from economics to ethics to sports to race to sex, gender and more, all drawn from the world of big data. What percentage of white voters didn't vote for Barack Obama because he's black? Does where you go to school effect how successful you are in life? Do parents secretly favor boy children over girls? Do violent films affect the crime rate? Can you beat the stock market? How regularly do we lie about our sex lives and who's more self-conscious about sex, men or women? Investigating these questions and a host of others, Seth Stephens-Davidowitz offers revelations that can help us understand ourselves and our lives better. Drawing on studies and experiments on how we really live and think, he demonstrates in fascinating and often funny ways the extent to which all the world is indeed a lab. With conclusions ranging from strange-but-true to thought-provoking to disturbing, he explores the power of this digital truth serum and its deeper potential—revealing biases deeply embedded within us, information we can use to change our culture, and the questions we're afraid to ask that might be essential to our health—both emotional

and physical. All of us are touched by big data everyday, and its influence is multiplying. Everybody Lies challenges us to think differently about how we see it and the world.

## **The Jewish Phenomenon**

A new explanation of the beginnings of Jewish angelology and demonology, drawing on non-canonical writings and Aramaic Dead Sea Scrolls.

## **The Talmud**

QUOTES FROM THE JEWS "I say the word " Anti-Semite" is vulgar and pedantic: that I think will be universally admitted. It is also nonsensical. The antagonism to the Jews has nothing to do with any supposed "Semitic" race which probably does not exist any more than do many other modern hypothetical abstractions, and which, anyhow, does not come into the matter. The Anti-Semite is not a man who hates the modern Arabs or the ancient Carthaginians. He is a man who hates Jews."

## **Secrets of Jewish Wealth Revealed**

With truly startling statistics and a wealth of anecdotes, Silbiger reveals the

cultural principles that form the bedrock of Jewish success in America.

### **The Jews**

This phenomenal system teaches the best way to apply life transforming financial concepts. It is a straightforward and empowering quest that will transform your financial life forever.

### **Spies of No Country**

An inspiring account of America at its worst-and Americans at their best-woven from the stories of Depression-era families who were helped by gifts from the author's generous and secretive grandfather. Shortly before Christmas 1933 in Depression-scarred Canton, Ohio, a small newspaper ad offered \$10, no strings attached, to 75 families in distress. Interested readers were asked to submit letters describing their hardships to a benefactor calling himself Mr. B. Virdot. The author's grandfather Sam Stone was inspired to place this ad and assist his fellow Cantonians as they prepared for the cruelest Christmas most of them would ever witness. Moved by the tales of suffering and expressions of hope contained in the letters, which he discovered in a suitcase 75 years later, Ted Gup initially set out to unveil the lives behind them, searching for records and relatives all over the

country who could help him flesh out the family sagas hinted at in those letters. From these sources, Gup has re-created the impact that Mr B. Virdot's gift had on each family. Many people yearned for bread, coal, or other necessities, but many others received money from B. Virdot for more fanciful items—a toy horse, say, or a set of encyclopedias. As Gup's investigations revealed, all these things had the power to turn people's lives around— even to save them. But as he uncovered the suffering and triumphs of dozens of strangers, Gup also learned that Sam Stone was far more complex than the lovable- retiree persona he'd always shown his grandson. Gup unearths deeply buried details about Sam's life—from his impoverished, abusive upbringing to felonious efforts to hide his immigrant origins from U.S. officials—that help explain why he felt such a strong affinity to strangers in need. Drawing on his unique find and his award-winning reportorial gifts, Ted Gup solves a singular family mystery even while he pulls away the veil of eight decades that separate us from the hardships that united America during the Depression. In *A Secret Gift*, he weaves these revelations seamlessly into a tapestry of Depression-era America, which will fascinate and inspire in equal measure. [Watch a Video](#)
