Did you child just get hearing aids?Is your child feeling self-conscience about their hearing loss?Bessie Needs Hearing Aids" is a children's book that will help children with hearing loss understand the process, and that they are not alone. Written and illustrated by a teenage girl who went through this process, so it will resonate with children just learning of hearing issues, or coping with wearing hearing aids. The book received numerous accolades so it was decided to make it available to all, in order to possibly help other children with hearing loss.When a child goes through the process of getting hearing aids, it is scary for them and difficult for a parent to explain. This is a story of Bessie, the bunny, who was so excited to start school only to have the kids get frustrated that she was not hearing them properly. Bessie visits the audiologist and learns about hearing aids and the happy results of getting hear aids.
