365 DAYS. TWO WORDS. ONE MIRACULOUS TRUE STORY. One recent December, at age 53, John Kralik found his life at a terrible, frightening low. All aspects of his life seemed to be failing: his relationships with his children and partner, his work, his health. Then, hiking on New Year's Day, John was struck by the thought that his life

might become at least tolerable if he could be grateful for what he had. Inspired by a beautiful, simple note he had received thanking him for a Christmas gift, John set himself the goal of writing 365 thank-you notes in the coming year. One by one, day after day, he handwrote thank yous for gifts or kindnesses he'd received, large and small, from loved ones and coworkers, past business associates and current foes, school friends and doctors and handymen and neighbours, and anyone, really, who'd done him a good turn. Immediately after he'd sent his very first notes, surprising benefits began to come John's way. Over the year John was writing his notes, his whole life turned around. 365 Thank Yous is a rare memoir, its touching message delivered in the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a good life. To read 365 Thank Yous is to be changed.

Working Women and their Rights in the Workplace

Tom Clancy returns with a #1 New York Times bestseller that will remind readers why he is the acknowledged master of international intrigue and nonstop military action. It is *The Campus*. Secretly created under the administration of President Jack Ryan, its sole purpose is to eliminate terrorists and those who protect them. Officially, it has no connection to the American government—a necessity in a time when those in power consider themselves above such arcane ideals as loyalty, justice, and right or wrong. Now covert intelligence expert Jack Ryan Jr. and his

compatriots at The Campus—joined by black ops warriors John Clark and “Ding” Chavez—have come up against their greatest foe: a sadistic killer known as the Emir. Mastermind of countless horrific attacks, the Emir has eluded capture by every law enforcement agency in the world. But his greatest devastation is yet to be unleashed as he plans a monumental strike at the heart of America. On the trail of the Emir, Jack Ryan Jr. will find himself following in his legendary father’s footsteps on a manhunt that will take him and his allies across the globe, into the shadowy arenas of political gamesmanship, and back onto U.S. soil in a race to prevent the possible fall of the West...

Changing the Game is another bold and thought-provoking collection of poetry by one of America's new, up-and-coming poets, James J. Adams. James writes about a wide array of social issues such as relationships, children, economics, and politics. As is his down-to-earth style, James has the ability to make you laugh, cry, and think. With Changing the Game, you will no doubt feel and relate to every word. James does not seek safety by writing in a polite style about tough issues, his words are straight from the heart.

In the Swiss Alps a teenage girl is thrown from a helicopter and her boyfriend is brutally abducted to Trieste, a city filled with undercurrents of past hatreds. Ruari, son of Irish media owner J J Breslin, is in desperate danger, at the mercy of ruthless kidnapers making impossible demands. His terrified mother contacts the only person she knows can help her son: Harry Jones, her former lover, who she walked out on many years ago. Now memories of their passionate affair, the guilt, hurt, anger and humiliation, come flooding back. Time is running out for Ruari and Harry, torn between his loyalties, is quickly drawn into a political game played for high stakes. Far higher than he realizes

Thanks for Coming in Today

The Priceless Bride is a story about a child who while in the womb was declared evil by a fetish priest and foretold shall bring about the destruction of the kingdom should he be allowed to see the sun, though he mysteriously survived all effort by his family and community to have him aborted or dead, yet, he however became their beloved king in-spite of the twisting drama and tragedies that follows, upon his friendship with a mysterious lady whose destiny according to prophesy was intertwine with his, but foretold by the fetish priest, to be his eternal archrival. With this two friends coming from tribal family and a kingdom that is hostile to each other, was their task of uniting the divided kingdom as the precondition of their marriage successful? How about their marriage, is she an angel, a demon, or a

human, the story continues

Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller The wars of the past decade have been covered by brave and talented reporters, but none has reckoned with the psychology of these wars as intimately as the Pulitzer Prize-winning journalist David Finkel. For *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel embedded

with the men of the 2-16 Infantry Battalion during the infamous "surge," a grueling fifteen-month tour that changed them all forever. In Finkel's hands, readers can feel what these young men were experiencing, and his harrowing story instantly became a classic in the literature of modern war. In *Thank You for Your Service*, Finkel has done something even more extraordinary. Once again, he has embedded with some of the men of the 2-16—but this time he has done it at home, here in the States, after their deployments have ended. He is with them in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like—not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. The story Finkel tells is mesmerizing, impossible to put down. With his unparalleled ability to report a story, he climbs into the hearts and minds of those he writes about. *Thank You for Your Service* is an act of understanding, and it offers a more complete picture than we have ever had of these two essential questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? One of Publishers Weekly's Best Nonfiction Books of 2013 One of The Washington Post's Top 10 Books of the Year A New York Times Notable Book of 2013 An NPR Best Book of 2013 A Kirkus Reviews Best Nonfiction Book of 2013

Changing the Game

Kenneth E. Nelson didn't intend to become a twenty-year volunteer speaker for MADD (Mothers Against Drunk Driving) and SADD (Students Against Destructive Decisions). It certainly wasn't in his thoughts to become a sort of Ann Landers for teenagers. Somehow one step led to another, and before long, the personal rewards were so great he couldn't stop. After delivering a presentation to a high school class, he was surprised to receive a letter from one of the students detailing his troubles with alcohol. This boy's letter was the first of thousands that arrived after Nelson's more than 4,700 lectures (and counting). Many of these letters are here in this unique collection of candid, honest and revealing letters from teenagers. In *Dear Mr. Nelson*, Nelson has compiled a book of written expressions that may never be duplicated again.

Thank You for Your Service

NOWHERE LEFT TO HIDE Tracy Murray had thought she'd be safe disappearing in the wilds of Alaska after her testimony put away a gang leader. But the gang symbol tattooed on an attacker's arm means the clock has run out. She's been found—and she knows the killers won't let her escape alive again. She can't fight an entire gang alone—she needs help. But when she finds herself relying on widowed firefighter David Warren, a new struggle emerges. Fleeing Alaska and cutting all ties could be the only way to survive...but it would mean leaving her

heart behind. Mountain Cove: In the Alaskan wilderness, love and danger collide

My Priceless Bride

This inspirational book is the documented life of Nick Chandler, a man Determined to Change from the only life he knew, the street life; with goons, guns, drugs and money, to a new life as a role model to people struggling to survive child abuse, drug addictions, poverty and emotional pain and suffering. Born in Copeland Florida in 1961, Nicky Chandler lived a life that many people wouldn't have survived. The ninth of twelve children, his early childhood was one of poverty and abuse. Growing up in the sixties and seventies in the rough and rugged projects, he quickly became as ruthless as the hustlers, dope dealers and thugs who were his early idols. By the age of seventeen the Florida State Prison System would become more familiar to him than his family home. Surviving seven prison stays spanning twenty-two years, when released in January 2007, he was determined to end his self-destructive behavior that kept returning him to prison. With little to no resources or money he began a journey of self-discovery and healing leading him to confront the demons of his past and the uncertainty of his future. Determined to Change represents the life of a man, who against all odds, has survived, struggled and was victorious to find a new path for his life. Determined to Change reads like a fiction book, however, this true story gruesomely details Nicks life from early childhood to present day. This inspiring story gives readers hope for themselves or

others who are also Determined to Change.

Thanks for Coming

Drawing from research into the most influential Russian newspapers, this book explores the nature, origins, and effects of the idealization of the state, Communist Party, and leader in the Soviet Union between the Revolution and the Cold War.

Don't Pull That Plug

SA science fiction thriller that feels like a futuristic James Bond . . . The idea of two minds inhabiting one body is a fascinating premise. The way they blend together and respect each other 's personality makes Elizabeth Ann Scarborough 's latest work a fascinating, often humorous speculative fiction. Midwest Book Review

SScattered throughout the narrative, Scarborough provides amusing asides from the viewpoints of the Cleopatras. The modern day is filled with marvels from the viewpoints of the ancient queens, and Scarborough does a marvelous job of giving the world we take for granted a new angle of understanding . . . [She] has done a fabulous job of researching the past, and through the observations of the two Cleos paints a heartrending picture of loss and yet at the same time presents awe-inspiring descriptions of wonders that have managed, despite war, neglect, and

outright vandalism, to survive for millennia to the modern day. SF Revu S[An] exciting speculative thriller . . . Scarborough deftly weaves her suspenseful web and then untangles the threads with her clear and concise prose, preventing a plot with dual-identity characters from spinning out of control. The DNA-blending concept is fascinating. . . retains the breathless action, frenetic pacing, and dry wit, [of its predecessor] with homages to Elizabeth Peters and Indiana Jones, and will appeal to a wide audience.

Some call her nice, but most call her nasty . . . Diamond, the sassy vixen that you love to hate, is back, and she has a few more tricks up her sleeve. After Kemp's death, she quickly moves on and shackles up with his best friend, Black. Unfortunately, things aren't running as smoothly as they expected. Diamond is quickly losing control of the situation—and her emotions—after multiple attempts on her life by one of the victims she believed she'd killed. To make matters worse, people from her past keep popping up and causing a ruckus, including the father that walked out on her ten years earlier. When a fast-talking corner hustler named Money swoops in and becomes Black's partner, his soldiers become jealous. Black gets locked behind bars, and Money sets his plan in motion, seducing Diamond in an attempt to take Black's place. With all of the drama surrounding her, the "I Rule the World" disposition that got her where she is slowly breaks into a million pieces.

In Nicety, you'll watch her struggle and make mistakes that could cause her to lose the two things she loves the most: Black and money.

Black Diamond 2

James "JD" Dawson grew up in the hood, but left a life of violence three thousand miles behind to make something of himself at University of Atlanta. But when the freshman got off to a fool's start—kicking it with his new homeboys, showing up late to class, not studying and checking out the shorties—JD was assigned a tutor, the luscious Katrina Turner. She made studying real fun. But if JD wanted to get with a girl like Katrina, he'd also have to learn to grow up.

Catalog of Unabashed Gratitude

In the strange, us-versus-them Christian subculture of the 1990s, a person's faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Evangelical poster child Addie Zierman wore three bracelets asking what Jesus would do. She also led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling—until it burned out. Addie chronicles her journey through church culture and first love, and her entrance—unprepared and angry—into marriage. When she drops out of church and very nearly her marriage as well, it is on a sea of tequila and depression. She isn't sure if she'll ever go back. *When We Were on Fire* is a funny, heartbreaking story of untangling oneself from what is expected to arrive at faith that is not bound by tradition or current church fashion. Addie looks for what lasts when nothing else seems worth keeping. It's a story for doubters, cynics, and anyone who has felt alone in church.

Thanks to My Killer Wife

Drawing on ten years of working with businesses, nonprofits, governments, and families, the authors combine the latest insights from neuroscience and psychology with practical advice to explain how to turn feedback into productive listening and learning.

Thank You for Coming to My Ted Talk

Just as Jesus Christ promised, a book that simplifies and clarifies the End Times prophecies, is finally here. A House Divided chronicles, in easy-to-understand terms, the ENTIRE End Times scenario, including SEVEN easy-to-remember End Events. After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible, the author has been able to piece together the prophecies to form a single, coherent picture of the End Times. During the process of gathering together the prophecies, the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events. In The Revelation, Chapter 10, John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders. Although John heard the thunders and was about to write them down, he was told to conceal them. The author of A House Divided feels that he has uncovered what those "seven thunders" are. By themselves, the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book. There are at least twenty COMPLETELY NEW

interpretations of prophecy, never before presented, that are detailed in the book. Many of the author's interpretations are as bold in its assertions as The Revelation is mysterious. Jews also, will find this work especially intriguing. In rather blunt terms, the author exalts Jews while diminishing the importance of many religious, social and political organizations of our day, including organized Christian hierarchy and the Catholic Church. The book uses a minimum of scriptural quotes and explains, in everyday language and terms, what Christians must know to prepare themselves for a terrible Christian holocaust in the future. And the book has been formatted to appeal to the "less-educated" Christian. Formerly, most prophecy authors have ignored the larger portion of Christians who are not "schooled" in ancient text, translations and scholarly jargon. A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works. It omits diplomacy and gets straight to the point. Without a doubt, A House Divided is as profound in fresh and new End Times understanding, in this day, as The Revelation was in the day of John. Do not miss this opportunity to know, understand and REMEMBER what has eluded all of us to this day: the final revealing of the mystery of God and the WHOLE End Times Truth.

Making it on My Own

Edward of Caernarfon is best known today for his disastrous military defeat in 1314 at Bannockburn, where his English army was defeated by a vastly inferior Scottish

force led by Robert the Bruce, leading to Scottish Independence. This catastrophe was one of many in a disastrous career marked by indolence, vengefulness, vacillation in relationships with France, deranged policies at home, and constitutional wrangling, ultimately brought to an end by a minor insurgency led by his vindictive wife and her paramour, a disaffected baron.

Thank You, Comrade Stalin!

There is no available information at this time.

Darius Jones

This is not just the story of Jeff “ Grandpa” Coffey’s amazing return to play college basketball at the age of forty six. It is a book about faith. Faith that God will not only provide for entire civilizations and countries but faith that He is there when we as individuals need Him most. Through his own experiences of COMING BACK from setbacks, injuries, heart attacks, job losses, a false arrest, and all of life’s curveballs Jeffery has maintained a happy and positive attitude. Jeffery examines why these things happened to him and how he came back from each of these instances. Why do bad things happen to good people? Why do seemingly good things happen for bad people? Jeffery explains that life will never be perfect so live

each day for what it is, just one more gift from God. See how Jeffery L. Coffey despite all the obstacles he faced did return to Caldwell Community College in 2006 at age forty six and became Grandpa “oldest college basketball player”.

A House Divided-7 Events Before Rapture & the Coming Christian Holocaust

This is an amazing story of a woman whose husband has had a horrific accident. The resultant voyage begins in a situation similar to a Stygian hell; yet her faith transforms the situation, day by day, into a journey of hope and redemption. Terrells courage and love, along with her undying faith in God, allow her and her husband to heal and begin the long journey back to life and love. This account should be read by everyone who has had to deal with trauma, disappointment, and roadblocks in the journey of life. All those who have had to cope with addiction or have a loved one who has been an addict will also find hope and redemption in this wonderful account of overcoming unbeatable odds Patti Weiss, PhD, psychologist specializing in troubled teens Terrell has written a book that takes you from the depths of uncontrollable addiction and a near-death experience to the long road to recovery and the Lord. Anyone that knows a person going through brain-injury recovery must read this book! A story of faith, prayers, and true love the love of God! Kim Allgrezza, freelance editor For more information on traumatic brain

injuries, please go to <http://TBI.com>, <http://TBINET.org>, and <http://www.braininjury.com>

At Last

A middle-aged widow, commuter of Amsterdam goes to Pakistan and weds a gentleman. Soon as the groom arrives into The Netherlands for a family reunion, he shockingly discovers in her a 'spoilt' woman. The man tries to save his bond of marriage but the wronged woman neither wants to be tamed due to aspects of love, nor does she co-operate. Instead, she rather wants her man to close his eyes and to shut up his mouth if ever he wishes to become a legitimate resident in her country. The egoist man doesn't compromise on self-respect of a saintly husband and thus is thrown out into streets quite empty-handed and undocumented. Then he gets afraid of going back to his homeland predicting a social ridiculous. Years passed in such a dreary and stoned life-style that one day the city police arrests him against his unlawful status and surrenders him to the foreign police who when fails to deport, sets him free like a squeezed lemon after he having served a year's custodial sentence. The author describes how a few Asian immigrants and their spoiled descendants who once get settled into the Western states . forget about their past of struggling. . trap and bait to their own continent/ country-fellows by showing on them a false fairyland. . and try to demoralize a Western society by using its culture as a shield or weapon to fulfill their own sensual curiosity which

seems difficult to meet in their own sender lands. The author also regrets to inflexibility of the constitution and rejects to the old theory 'nobody is above law'. He urges on the law-makers must to defend on humanitarian grounds to those noble outlanders who become illegal by some accident, or by a misfortune befell on them and not by fraud or cheating like do often the professional invaders or regular tress-passers breaking into some country's barriers. The whole story convincingly draws a picture of human courage and endurance against all odds mixed in shadow of oppression and optimism by giving an entire message 'never quit'. A compulsively true heart saga with a positive energy_ readable, thought-provoking and enjoyable.

First Semester

By turns uproarious and touching, the memoir of a young woman's search for an orgasm—and for the elusive connections between sex and love Twenty-six-year-old Mara Altman wanted to know what all the screaming was about. She'd lost her virginity at seventeen; grown up in southern California with sexually free parents; had lovers in India, Burma, and Peru; and spent a year in Bangkok observing all manner of depravity. And yet she was an attractive, successful, single woman in New York who'd never had an orgasm. And so she embarked on a wildly funny, emotionally resonant odyssey—a journey both inside and outside herself—only to discover that, for Mara, orgasm was connected to a part of her that no vibrator

could reach. Thanks for Coming is one woman's look at our obsession with and anxiety over the female orgasm. Her quest to get her own yields poignant results that will surprise even the sexually awakened among us. From sex shows to sex conventions, from a therapist's couch to her own couch, from the bedroom to the bar, Mara Altman proves to be a guide as hilarious as she is investigative.

Taking Chances

This book addresses women's rights to work and motherhood in Libya from a legal and international human rights perspective. In an attempt to solve the problem posed by the perception that there is an unsolvable conflict between the right of women to work and their right to motherhood, the author considers how these two sets of rights, as protected under international human rights law, can and should be recognised and promoted within the Libyan legal system. Including first-hand accounts of experiences of Libyan women, the study voices their struggle for their rights as guaranteed by domestic law, international conventions and Islam. Providing a rare insight into a region striving to find its new identity, the author assesses the adequacy of existing Libyan laws and, where warranted, offers proposals for legislative amendments to Libyan policy makers and its new Parliament at such a crucial time in the nation's history.

Thanks for the Memories

A collection of Laments and poems of praise for the dead with related quotations, writings, and images New Fairfield, CT-(Release Date TBD)From the award-winning author of Inside Looking Out and Love Lines comes another remarkable book suffused with deep and intense sentiments. Alfred Colo REAPER: An Elegy is a collection of laments and poems of praise for the dead filed with related quotations, writings, and images for readers to appreciate. Death is a significant part of life that everybody experiences. Mourning fills hearts with grief and misery, pain and hopeless, and other depressing emotions. In REAPER, Colo shares his multifarious thoughts and feelings about death and its many natures through his laments and poems. In these elegiac articulations, readers will plunge into a melancholic world where important realities unfold. These poems talk about pain of death, the bitterness of losing a beloved, the gloomy shade of mourning, and the secrets of darkness. Aside from the poetic expressions are relative writings filled with insights that help anyone understand more about life and death. Related images and quotations are also incorporated in this lamenting collection to add a sensible touch to the writings. Written not only with a sole purpose, REAPER: An Elegy also helps anyone to realize the importance of being prepared and to constantly keep that strong faith in God, for death is sometimes surprising and inevitable.

TED Talks

Chris Anderson is the curator of phenomenally successful TED talks - over one billion views and counting. He is passionate about the importance of public speaking, something he describes as a crucial life skill and which we should be teaching in school, and of the amazing power of direct human-to-human communication, recorded on video, in the internet age. It is now possible to share ideas with millions around the world (as evidenced by the success of TED itself, whose most popular talk has been viewed 31 million times). In his first book, *Talk This Way*, he shares his passion for public speaking and offers a master-class in how to do it - not just how to give a great TED talk, but how to stand up and speak persuasively in front of any size of audience, whether that is a school classroom, making a video blog, in a business meeting or at a conference. The book brings together his experience of over two decades as the curator of TED, in which time he has listened to over one thousand stage talks, with advice from 30 of his all-time favourite TED speakers.

Backfire

This peaceful community loved by thousands of locals was once, in part, a Mexican land grant called New Helvetia, given to John Sutter. With the 1852 arrival of

homesteader (and area namesake) William Curtis, who managed a 200-acre farm started by his brother, and those drawn by the California gold rush, the area began to develop and expand. In 1887, papers were filed for the Highland Park subdivision--a nod to early flood concerns. Since that time, more than 30 other subdivisions have sprung up between Broadway and Sutterville, along with the Sierra School, which has been nominated for city landmark status. Situated south of today's Broadway, the area that was once a flood plain and then an agricultural area now holds over 2,500 homes and is among the city's most vibrant neighborhoods. Houses here represent various architectural styles, from Victorian to Arts and Crafts and the various 1920s revivals. The neighborhood has an equally interesting mix of residents.

Determined to Change

“A madcap adventure . . . Adams’s writing teeters on the fringe of inspired lunacy.”—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth’s dolphins, and the discovery of his battered copy of *The Hitchhiker’s Guide to the Galaxy* all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it’s light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches

of space aboard a UFO with a giant robot. But what else is new? “The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible.”—The Boston Globe

A Modern Guide to Writing Thank-You Notes

“[Ahern] gives us full permission to believe in magic.” —Redbook Magazine One of the world’s most popular writers of women’s fiction—author of the beloved international bestseller, *P.S. I Love You*, basis for the popular film starring Hilary Swank—Cecelia Ahern now gives us *Thanks for the Memories*, a heartwarming tale of déjà vu and second chances. Reminiscent of *The Time Traveler’s Wife*, *Thanks for the Memories* is a love story brimming with hope and feeling and enlivened with an enchanting touch of magic.

Dead or Alive

Taking Chances is a love story inspired by a young Mom doing the best she can to raise her son through the trials of life. The love of her family helps her to find her wings again. It is a story whose romance is timeless. However, much like any great love, it demands great sacrifice and Isaac and Isabelle's story is no exception.

When We Were on Fire

A Widower's Journey to Serenity

New York Times bestselling author Mary B. Morrison delivers a scandalous story of two women, a sizzling wager, and the fallout that's turned lives upside down. . . "I'm the woman Madison's husband truly loves. And I'll match her game for game to make him mine." Sindy Singleton isn't about to lose Chicago DuBois to Madison again. But getting him to open his heart once more won't be enough to satisfy her. Enlisting the help of Chicago's worst enemy is the fastest way she knows to expose Madison's most brazen deception yet. But Madison has more than one devastating card to play. . . "I don't care what mistakes I've made. I'll do whatever it takes to get my perfect marriage back." If there's one thing Madison has learned from her disastrous bet, it's how to turn catastrophe into opportunity. Playing on Chicago's fatherly instincts will maintain her access to the DuBois fortune--and keep her family's empire successful. And to get back on top, Madison's got the perfect scheme to finally take care of her ex-lover, her rivals, and the husband she'll never let go. . . "Morrison piles on extra helpings of soap opera-esque drama. . .hot, hot,

hot sex scenes." --Library Journal "If you're looking for some serious drama this latest novel from Morrison will fit the bill nicely." --RT Book Reviews

inside out. In *Thanks for Coming In Today*, Charles Ryan Minton, president of CRM Hospitality and Consulting, shows you how to build and retain an all-star customer service team by establishing an environment in which employees can thrive. He explains how to empower your staff so that they can turn complaints into kudos, identify potential problems before they occur, and make even the minutest detail of a patron's experience memorable. With this book, you'll find immediate, low-cost solutions to transform your workplace culture into a customer-centric enterprise. Your employees and customers will be pleased--and so will you.
