to Ratbridge. But beware—for there is skulduggery afoot. Young Arthur has fallen foul of the appalling outlaw, Snatcher, and is trapped alone in the town with every way home sealed. Meanwhile Snatcher and his men are working tirelessly in secret on a fiendish and dastardly plan to destroy the entire town. With the help of some friendly boxtrols and cabbageheads, some quirkily townspeople, and the rats and pirates from the Ratbridge Nautical Laundry, can Arthur thwart Snatcher's evil plans and find his way home?

Labyrinth

Shortly after moving into her new home a young girl named Coraline is drawn to a mysterious locked door. Behind the door and down a gloomy corridor she finds a strange duplicate world, with an eerie duplicate flat and a duplicate but off-kilter Other Mother and Other Father, with black button eyes, who won't let her return to the real world.

Worse Things Happen at Sea!

Ruby Lu returns—in paperback! Can this spunky middle-grader solve her family's money troubles? Ruby is starting third grade, and she can't wait! She'll get to join fun clubs, learn cursive, and play in the orchestra. But there's one big change Ruby Lu isn't expecting: Her father loses his job. Now he's taking care of her and Oscar while her mother works, and it's definitely not all fun and games, especially with money so tight. So Ruby, determined and resourceful as ever, sets out to make a million dollars! And

though she soon learns that making money isn't easy, she also discovers that having a loving family is the most valuable thing of all.

The Making of Fantastic Mr. Fox

Mr Peabody has invented the WABAC, a time-travelling machine that he and his adopted boy Sherman use to explore history. Examining the making of the DreamWorks comedy animation, this book goes behind the scenes in order to shed light on the creative process involved in bringing the film to fruition.

The Boxtrols: Meet the Boxtrols

If Disney's Snow White and the Seven Dwarfs represented the Animation industry's infancy, Ed Hooks thinks that the current production line of big-budget features is its artistically awkward adolescence. While a well-funded marketing machine can conceal structural flaws, uneven performances and superfluous characters, the importance of crafted storytelling will only grow in importance as animation becomes a broader, more accessible art form. Craft Notes for Animators analyses specific films - including Frozen and Despicable Me - to explain the secrets of creating truthful stories and believable characters. It is an essential primer for the for tomorrow's industry leaders and animation artists.

Pinocchio

From LAIKA, the Academy Award®-nominated studio behind *Coraline*, *ParaNorman*, and *The Boxtrols*, comes a new adventure set in a mythical ancient Japan. In *Kubo and the Two Strings*, scruffy, kind-hearted Kubo cares devotedly for his mother while eking out a humble living in their sleepy shoreside village. But when a spirit from the past appears, Kubo suddenly finds himself entwined in a violent struggle against gods and monsters. This fully illustrated book offers a behind-the-scenes view of the amazingly detailed artwork and unique stop-motion animation style involved in the film's creation.

Twenty-four stories including: a man carried safely through the ugly harshness of the world by his own Polaroid-enabled brand of narcissism ; the sadistic make-believe of two little boys and the laid-back cruelty of their grandfather ; a factory drone discovers his creative side with the help of the toilet ; and vehicular manslaughter turns out to be okay if there are no witnesses.

The Art of Missing Link

Affordable 3D printers are rapidly becoming everyday additions to the desktops and worktables of entertainment design practitioners – whether working in theatre, theme parks, television and film, museum design, window displays, animatronics, or you name it! We are beginning to ask important questions about these emerging practices: · How can we use 3D fabrication to make the design and production process more efficient? · How can it be used to create useful and creative items? · Can it save us from digging endlessly through thrift store shelves or from

yet another late-night build? · And when budgets are tight, will it save us money? This quick start guide will help you navigate the alphabet soup that is 3D printing and begin to answer these questions for yourself. It outlines the basics of the technology, and its many uses in entertainment design. With straightforward and easy-to-follow information, you will learn ways to acquire printable 3D models, basic methods of creating your own, and tips along the way to produce successful prints. Over 70 professionals contributed images, guidance, and never-before-seen case studies filled with insider secrets to this book, including tutorials by designer and pioneer, Owen M. Collins.

A Roaring Adventure (Disney/Pixar Toy Story)

The Art of Missing Link is a lushly illustrated volume that goes behind the scenes of LAIKA's new stop-motion adventure. The charismatic Sir Lionel Frost (voiced by Hugh Jackman) considers himself to be the world's foremost investigator of myths and monsters. The trouble is none of his small-minded high-society peers seems to recognize this. Sir Lionel's last chance for acceptance by the adventuring elite rests on traveling to America's Pacific Northwest to prove the existence of a legendary creature. A living remnant of Man's primitive ancestry. The Missing Link. Zach Galifianakis voices Mr. Link: the surprisingly smart, funny and soulful beast upon whom Sir Lionel's dreams depend. As species go, he's as endangered as they get; he's the last of his kind, and he's lonely.

Proposing a daring quest to seek out his rumored distant relatives, he enlists Sir Lionel's help in an odyssey around the world to find the fabled valley of Shangri-La. Together with Adelina Fortnight (voiced by Zoe Saldana), an independent and resourceful adventurer who possesses the only known map to the group's secret destination, the unlikely trio embarks on a riotous rollercoaster of a ride. Along the way, our fearless explorers encounter more than their fair share of peril, stalked at every turn by dastardly villains seeking to thwart their mission. Through it all, Mr. Link's disarming charm and good-humored conviction provide the emotional and comedic foundation of this fun-filled family film. From LAIKA, the animation studio behind the Academy Award-nominated *Kubo and the Two Strings*, *Missing Link* is a stunning stop-motion epic and raucous comedy. Featuring concept art from the film's creation—including sketches, storyboards, character designs, and much more—and illuminated by in-depth interviews with the film's creative team, *The Art of Missing Link* is a must-have companion to the film.

eye to analyze your work more critically, and teach you approaches and techniques to improve your craft. Focusing on the main philosophies and core concepts utilized by industry professionals, this book builds the foundation for a successful career as a lighting artist in visual effects and computer animation. Inside you'll find in-depth instruction on:

- Creating mood and storytelling through lighting
- Using light to create visual shaping
- Directing the viewer's eye with light and color
- Gathering and utilizing reference images
- Successfully lighting and rendering workflows
- Render layers and how they can be used most effectively
- Specific lighting scenarios, including character lighting, environment lighting, and lighting an animated sequence
- Material properties and their work with lighting
- Compositing techniques essential for a lighter
- A guide on how to start your career and achieve success as a lighting artist

This book is not designed to teach software packages—there are websites, instructional manuals, online demos, and traditional courses available to teach you how to operate specific computer programs. That type of training will teach you how to create an image; this book will teach you the technical skills you need to make that image beautiful. Key Features Stunning examples from a variety of films serve to inspire and inform your creative choices. Unique approach focuses on using lighting as a storytelling tool, rather than just telling you which buttons to press. Comprehensive companion website contains lighting exercises, assets, challenges, and further resources to help you expand your skillset.

Peter & Ernesto: Sloths in the Night

The Wes Anderson Collection: Isle of Dogs is the only book to take readers behind the scenes of the beloved auteur's newest stop-motion animated film. †Through the course of several in-depth interviews with film critic Lauren Wilford, writer and director Wes Anderson shares the story behind Isle of Dogs's conception and production, and Anderson and his collaborators reveal entertaining anecdotes about the making of the film, their sources of inspiration, the ins and outs of stop-motion animation, and many other insights into their moviemaking process. Previously unpublished behind-the-scenes photographs, concept artwork, and hand-written notes and storyboards accompany the text. The book also features an introduction by critics and collaborators Taylor Ramos and Tony Zhou, and a foreword by critic Matt Zoller Seitz. The fourth volume of the New York Times bestselling Wes Anderson Collection, Isle of Dogs stays true to the series with its rich design and colorful illustrations, capturing Anderson's signature aesthetic vision and bringing the series's definitive study of Anderson's filmography up to date. Isle of Dogs tells the story of Atari Kobayashi, 12-year-old ward to corrupt Mayor Kobayashi. When, by Executive Decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island, Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots. There, with the assistance of a pack of newly-found mongrel friends, he begins an epic journey that will decide the fate and future of the entire

Prefecture. The film features the voices of Bryan Cranston, Koyu Rankin, Edward Norton, Bob Balaban, Bill Murray, Jeff Goldblum, Kunichi Nomura, Akira Takayama, Greta Gerwig, Frances McDormand, F. Murray Abraham, Tilda Swinton, Akira Ito, Yoko Ono, Mari Natsuko, Harvey Keitel, Courtney B. Vance, Ken Watanabe, Scarlett Johnsson, Fisher Stevens, Nijiro Murakami, and Liev Schreiber.

From Box Trolls director Graham Annable comes Peter & Ernesto: Sloths in the Night, an immensely charming new addition to his brilliant graphic novel series about the endearing friendship between two sloths. Peter and Ernesto love the jungle, but they know how dangerous it can be at night. From clumsy bats to crazed owls to rumors of a dragon, there are countless things that make the darkness perilous for sloths. That's why, one day, when their friend Bernard goes missing just as the sun is setting, Peter and Ernesto quickly gather their tribe to form a search party. However, while these sloths have some sense of the dangers that they'll face while looking for Bernard, there are surprises lurking in the shadows that will surpass their wildest imaginings!

Craft Notes for Animators

In 1940, Walt Disney released his second feature film: Pinocchio, based on Carlo Collodi's 1883 Italian children's novel. The film was groundbreaking: it pioneered the latest animation and sound technology of the era, and established a blueprint for Disney filmmaking that remains intact today. It became the first animated feature to win a competitive Academy Award® (in fact, it won two), and earned a place on the roster of the National Film Registry. Pinocchio's crucial role has endured decades, given its rare 100% rating on the film website Rotten Tomatoes and the lively discourse that continues to surround the film today. To celebrate the film's 75th anniversary this

year, author J.B. Kaufman presents a complete history of the making of Pinocchio, from source material to rerelease. Pinocchio, published in partnership with the Walt Disney Family Foundation and the Walt Disney Family Museum, is an in-depth exploration of the making of the film. Academy Award-winning animator and film historian John Canemaker says of Pinocchio: "In great detail, J. B. Kaufman reveals the struggles, triumphs and disappointments encountered by Disney and his staff during the creation of this sacred monster of a film. Woven here is a once-upon-a-time story sure to fascinate and inform readers, an exciting adventure into the inner workings of a one-of-a kind studio and team at its creative peak." Go behind to the scenes with stories of the inner workings of the Golden Age of Animation, the animators' personalities and story changes like why Jiminy Cricket's character almost got left on the cutting room floor. Over 300 photographs, illustrations and concept sketches - many of which are available for the very first time - accompany the story behind the story. Become a part of the wild, legendary ride that was the making of Pinocchio.
