Master of the Dark Side

Real Doms terrify her, so Summer plays with lightweights only. And only in the safety of her club, Dark Haven. But on Western Night, the tough cop who wins her in a sub-roping game is as powerful as they come. Virgil's first taste of BDSM was disturbingly enticing. Hoping to burn out his interest, he visits an infamous San Francisco club, where he wins himself the prettiest little submissive he's ever seen. He's in a quandary. A man shouldn't render a woman helpless, let alone spank her ass. But the nervous little submissive clearly loves being in his ropes. Her need to be controlled is as powerful as his need to control.

So he indulges himself, and her. That one night could be the beginning, but instead it's the end. She won't play outside the club and he lives too far to visit often. He'll just have to find a way to forget her or get her in his ropes to stay.

Living on Nothing Atoll

Jenny grew up in a house where no-one was safe. Born one of five children in the East End, her childhood was spent in squalor and terror. Her father's violent beatings, humiliations, and sexual abuse were part of daily life; her mother - also his sexual victim and savagely beaten - was no source of help. Deprived of love and all comforts, the children would turn to each other for support and to the only adult they could trust, Auntie. This is the story of how Jenny, her sister Kim and brother Laurence, not only survived but ultimately transcended the unimaginable degradations heaped on them. With the power of love, cunning, the blackest of black humour and an indestructible self-belief, Jenny eventually broke free of her past.

A Gripping New Adventure by the Author of the Bestselling Crimson Worlds and Far Stars seriesThe Confederation has fought three wars against the forces of the totalitarian Union. Three generations of its warriors have gone off to war, held the line against the larger, more powerful enemy. Now the fourth conflict is imminent, and the Confederation's navy is on alert, positioned behind the frontier, waiting for the attack it knows is coming.The battleship Dauntless has spent the past ten months patrolling the border, deployed far forward of the main fleet, a forlorn hope, an advance guard positioned to give the warning of invasion. But no attack has come. Her crew is exhausted, and the aging battleship needs maintenance. With the fleet mobilized and the forward bases overloaded beyond capacity, she is sent clear across the Confederation, to a planet along

the quiet and peaceful far frontier. Her crew is looking forward to a rest, and Dauntless herself is scheduled for a long-overdue maintenance session. But the quiet frontier isn't what it seems and when a distress call is received from one of the mining colonies on the edge of Confederation space, it falls to Captain Tyler Barron to take Dauntless forward, to find out what is happening, and to put a stop to it. Barron and his crew have their ship—and each other—but they can expect no other help. Suspicion is strong that Union deceit is at play, that the attack is some sort of diversion, intended to draw Confederation forces from the disputed border. The orders are clear. No ships will be transferred from the prospective battle line. Stopping whatever is happening on the rim is Barron's responsibility, and his alone. Barron is the grandson of the Confederation's great hero, the father of the modern navy. His family name has always carried privilege with it, and crushing responsibility. And now he must prove that he has inherited more from his famous grandfather than name and privilege. He must face the enemy, and win the victory before the Confederation is caught between two enemies and destroyed.
