Just a Spoon Full of Laughter is a great read for anyone that's been to a doctor's office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago "Yes! Yes! Yes!" Says Dr. No

WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 2000

The urge has found you daydreaming more than once. The urge to define, bend, shape, fabricate, invent, shove, break. To slide your leg over the seat you finally got back from the leather shop. To twist back the throttle grip you wrapped yourself. To lunge into the darkness of an open highway on a creation all your own. More than a motorcycle, this is about your identity. It's about building something as unique as you are. In *The Build*, Robert Hoekman Jr compiles insights from today's best builders to help you plot out your own beautiful beast. Loaded with photos, *The Build* features firsthand advice from the masters of moto design, including John Ryland (Classified Moto), Alan Stulberg (Revival Cycles), Jared Johnson (Holiday Customs), Jarrod DelPrado (DP Customs), and the legendary Max Hazan (Hazan Motorworks). You've seen what can be done. It's time to do it yourself. Get *The Build*.

The gang is back! Taking place four years after the events of the first book, *The Hunt for Saturn* continues the saga of Vincent and his friends. The rebellion that started on Urtan has now spread throughout the entire galaxy, threatening to bring the Imperial Republic down to its knees once and for all. Follow the companions as they escape the madness of General Zeth and prepare for the biggest conflict of their lives. Once again, *Eternal Horizon* incorporates sci-fi, fantasy, and comic book elements to continue the "novel-encyclopedia" series with over 90 illustrations that include character profiles, starship diagrams, scenic chapter openers and other images that support the story.
