Sometimes hard circumstances in life make it difficult for us to be all that God wants us to be. But Tony Evans urges men to stop looking at these things as excuses and instead see them as challenges and opportunities for success. Looking at men of God throughout the Bible such as Moses, Joseph, and David, Evans challenges men to put down our excuses, stop compromising, and fight to be men of commitment and character. Despite setbacks, failures, and pressures, we can still find purpose, meaning, and direction in life and be the men God calls us to be.

Are all film stars linked to Kevin Bacon? Why do the stock markets rise and fall sharply on the strength of a vague rumour? How does gossip spread so quickly? Are we all related through six degrees of separation? There is a growing awareness of the complex networks that pervade modern society. We see them in the rapid growth of the Internet, the ease of global communication, the swift spread of news and information, and in the way epidemics and financial crises develop with startling speed and intensity. This introductory book on the new science of networks takes an interdisciplinary approach, using economics,
