What happens when a college student finds herself in need of some extra cash, and she only has time to work at night? Starting in 2019, author Cozette Zimmerman took a fairly generic part-time job working nights as a hospital phone operator while working full-time on her college degree. In that job, she soon discovered that sometimes, at three o'clock in the morning, people really just need a better adult to tell them what to do—and her role was to be that better adult. For the first eight months, the calls were fairly regular and routine—well, as routine as a medical emergency in the middle of the night can be. Then the COVID-19 pandemic hit and changed everything. *A Call Girl with Her Clothes On* shares hilarious true accounts of working with patients during medical emergencies before and in the midst of a global pandemic. These short stories recall conversations and events that have stayed with Zimmerman, leaving her to wonder about the fate of the world.

When eventually the seamier side of the business began to assert itself, Carla embarked on a journey to uncover the dark secret of her past.

In any career choice, it's common that you will have to make some sacrifices in order to

be successful at it. Doctors, brick layers and teachers all go to school and train for their jobs, giving things up along the way. This dedication to a career may require money, time and extraordinary effort. Becoming an escort is not much different. You must hone your skills. You have to perfect your image and appearance. You have to make yourself available to clients. Becoming an escort is not as simple as posting a single ad and seeing a client per day in order to pay your rent. Being an escort takes time, and it requires sacrifices.

Traumatized by a terrible event in her childhood, Carla van Raay entered a convent at the age of eighteen. Expecting to find understanding and inner peace amongst her fellow nuns, she instead became trapped in a web of cruel regulations that drove her to the brink of insanity. Finally released from her vows, she escaped back into the outside world even more damaged than she had been before. A hasty marriage and separation left Carla with a daughter to support. With few professional skills to rely on from her years as a nun, she turned to another age-old profession - prostitution. She worked as an escort to learn the ropes, then struck out on her own, setting up a massage service. God's Callgirl was born. At first she relished her new-found sexuality, but when eventually the darker side of the business began to assert itself, Carla was forced to confront the dark secrets of her past.

"Just get to the spanking already!" How often do you read a spanking story and get tired of the long, boring build-up? Well no long boring build ups to all the spankings in this book. This pretty masochistic BDSM slave girl makes her living from getting the spankings other girls can't take. And man can she ever take a long, hard over the knee, bare bottom spanking. Her butt is usually some shade of red. Her lovely breasts don't escape torment either. As she provides a specialized service, she's developed various tricks of the trade. She knows some men want her to beg them not to spank her. Some want the opposite, for her to beg to be spanked. Sometimes she has to beg for the paddle to be used on her quite spankable bare bottom after it's been warmed up by his hand. She tries to learn ahead of time what kind of spanking she will face that night. Will he or she use the strap, paddles, his hand, belts, the crop, floggers or combinations? Most spankers want to get there money's worth and spank her until they're physically too tired to continue. There are times when more than one person spanks her at the same time. Sometimes she is tied down during the paddling, whipping, spanking or strapping. This book gives you all the painful and sexually exciting details of her spank-filled life. One of our call girls is missing It sounded like a joke, but the old dame was scared stiff when one of her girls didn't show up for work that night. And this one was her prettiest - and most profitable. "Find her, shamus," she said. "And fast!" "My pleasure," I said. My name is Joe Puma. I call myself a detective and I get a hundred bucks a day. The girl's name was Jean Talsman. She called herself an entertainer and she got a hundred bucks a night. The job had delightful possibilities - until some joker started making corpses out of the customers, and I found a few dealers in sudden death camped on my own doorstep.

A sexy, page-turning novel written by a real-life, Manhattan call girl. The naughtiest read: Mischief Books.

About the book: After topping her class from one of Mumbai's leading business schools, Rekha concluded that becoming an Investment Banking Associate was not her true calling. It made more sense to be a hooker on retainer ship in Mumbai's financial district. This leads her to open a high-end bordello with the core mission of making the excruciatingly dull existence of a typical Mumbai Finance executive almost livable. Her target segment was strictly senior management- not the proles and trolls of the industry. Fund Managers, whose luck with the ladies tracked the Nifty, needed a shoulder to cry on when markets headed south. Bank borrowers needed her services to make bankers feel loved with carnal interludes so that the loan approval process did not place an unhealthy emphasis on financial analysis. About the author: Conrad Vincent earned his B.Tech degree in 1990 from the Indian Institute of Technology Madras and a Master's in Mechanical Engineering from Clemson University, USA. He is a CFA. He has worked in the Indian financial sector for almost 25 years. He has worked at an investment bank, a credit rating agency, a non-banking financial services company and at an insurance company. He lives in Mumbai

It is October, 2005. In an apartment in the upmarket neighbourhood of Sao Paulo, Brazil, 21-year-old Bruna Surfistinha, or Bruna the Surfer Girl, has sexual encounters

with up to five men a day. A teen runaway who has had to turn tricks for a living, Bruna begins to write about her experiences in a blog. What she creates is a scintillating soap opera, loaded with family drama, love stories and, of course, sex! Today, Bruna has become a celebrity in Brazil with the runaway bestseller *The Scorpion's Sweet Venom: The Diary of a Brazilian Call Girl*. Selling over 30,000 copies in its first month, (and over 100,000 copies to date) the book is a vivid, forthright, explosive account of sex for money, for kicks, for fun, and for love. It even offers how-to tips for readers looking to spice up their sex lives. In the tradition of the bestselling *The Bride Stripped Bare, In My Skin*, *Belle de Jour* and *Diary of a Manhattan Call Girl*, this translation of *The Scorpion's Sweet Venom* is destined to cause a stir with its intimate revelations of Latino lovers and illicit sex and life as a call girl.

Heidi Rikan was an ex-stripper, working for the mob in Washington D.C. *White House Call Girl* tells how a call girl operation she was running at the time led to the Watergate break-in, which brought down Tricky Dick Nixon himself. Though it's a fully sourced political non-fiction, it reads like a detective novel, full of prostitutes, mobsters, political operatives, and even football team players. And it's got plenty of evidence, including photos of an address book owned by the main call girl in question, chock full of very interesting phone numbers and addresses. For forty years we've only heard the Woodward and Bernstein perspective on Watergate. Now we've got the photos. What's more, we've got Heidi's little black book.

Praise for *Confessions Of A High-Priced Call Girl* "With clients that included Oscar winning screenwriter Aaron Sorkin, Dimitra became the Happy Hooker of the 1990s. Now she shares some of her juiciest anecdotes in a tell-all book that promises to be a best-seller." *Hustler Magazine* A prince from Oman flies Dimitra from New York to Las Vegas on a private jet; a 65-year old business tycoon who, in the days before Viagra demands little more than the 24-old Dimitra's company; a hot film actor who is so well-endowed he is "painful". But no other client receives more attention than Aaron Sorkin. They meet, start a two-year long drug-fueled relationship, and lose touch. They start e-mailing eight years later, and by this time Sorkin has written a call girl character into his TV show, *The West Wing*. Amber is a call girl and one of Dimitra's best friends. She is attacked and nearly killed by a serial murderer who poses as a client. After Amber's life is almost destroyed, Dimitra thinks being on *The West Wing* would restore Amber's self-esteem. She tells Sorkin about the attack, and asks him to audition Amber for the show. After all, he always writes in his e-mails that he wants to be friends, and Amber is more gorgeous than anybody on *The West Wing*. But is he truly a friend? Or, are these only some of his many words on paper, so to speak? *Confessions Of A High-Priced Call Girl* is an extraordinary journey that will enthrall readers with its stylish writing, secrets and lies, wit and lust.
