

Her Evil Twin Poison Apple 6 Mimi Mccoy

A blackly comic tale about two children you would never want to meet - from the script writer for Killing Eve Season Two and director of Promising Young Woman Set in the Cornish town of Fowey, all is not as idyllic as the beautiful seaside town might seem. The body of a young woman is discovered in the nets of a fishing boat. It is established that the woman was murdered. Most are shocked and horrified. But there is somebody who is not - a twelve-year-old girl. She is delighted; she loves murders. Soon she is questioning the inhabitants of the town in her own personal investigation. But it is a bit boring on her own. Then Miles Giffard, a similarly odd twelve-year-old boy, arrives in Fowey with his mother, and they start investigating together. Oh, and also playing games that re-enact the murders. Just for fun, you understand... A book about two twelve-year-olds that is definitely not for kids.

Cassie is excited that her two best friends are coming from Texas for her birthday, but when they meet her new best friend, Etoile, their personalities clash, and Cassie must find a solution before her birthday is ruined.

He wasn't born with the name Maniac Magee. He came into this world named Jeffrey Lionel Magee, but when his parents died and his life changed, so did his name. And Maniac Magee became a legend. Even today kids talk about how fast he could run; about how he hit an inside-the-park "frog" homer; how no knot, no matter how snarled, would stay that way once he began to untie it. But the thing Maniac Magee is best known for is what he did for the kids from the East Side and those from the West Side.

Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of What Is Not Yours Is Not Yours, Gingerbread, and Peaces There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, White is for Witching is a boldly original, terrifying, and elegant novel by a prodigious talent.

Anna is tired of taking the blame for her best friend Emma's troublesome antics, but when Emma's latest idea takes a sinister turn, Anna begins to wonder if she is actually her evil twin. New York Times bestseller! "Sara Holland is a fierce storyteller. Everless gives new and terrifying meaning to the phrase running out of time." —Stephanie Garber, New York Times bestselling author of *Caraval* In the kingdom of Sempera, time is currency—extracted from blood, bound to iron, and consumed to add time to one’s own lifespan. The rich aristocracy, like the Gerlings, tax the poor to the hilt, extending their own lives by centuries. No one resents the Gerlings more than Jules Ember. A decade ago, she and her father were servants at Everless, the Gerlings’ palatial estate, until a fateful accident forced them to flee in the dead of night. When Jules discovers that her father is dying, she knows that she must return to Everless to earn more time for him before she loses him forever. But going back to Everless brings more danger—and temptation—than Jules could have ever imagined. Soon she’s caught in a tangle of violent secrets and finds her heart torn between two people she thought she’d never see again. Her decisions have the power to change her fate—and the fate of time itself. Fans of Victoria Aveyard, Kendare Blake, and Stephanie Garber will devour this lush novel's breathtaking action, incredible romance, and dangerous secrets. Plus don't miss the thrilling sequel, *Evermore!*

The last place in the world Bree wants to spend her summer is at Midnight Lake. There's no cell reception, no shopping, and no normal food! To make matters worse, Bree's Aunt Hedda seems determined to make Bree's stay with her as miserable as possible. Aunt Hedda's superstitions and cooking are weird to begin with. Everyone in town seems to think her aunt is crazy, but when Bree starts hearing strange night music and finds bones washed up on shore, she starts to wonder if her aunt might just be right. And then there's Quin, the mischievous, brooding local boy who seems to be hiding a secret of his own. Now Bree must uncover the secrets of Midnight Lake before she, or someone she cares about, becomes its next victim.

Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Zoe’s never been superstitious, so when she and her best friend Mia have their fortunes read at a carnival, she doesn’t take it seriously. In fact, Zoe mocks the fortune-teller. But the woman gives Zoe a necklace to seal her fortune, and as soon as Zoe puts it on, unexplained things begin to happen to her. Her bike spins out of control, a fire starts in the oven when it isn’t on, and Zoe begins receiving threatening texts and emails. The necklace must be cursed! But when Zoe and Mia return to the site of the carnival, it’s gone! Can they break the curse before something terrible happens?

Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Casey Slater can’t believe her bad luck. It’s the summer before seventh grade, and instead of the perfect vacation she’d planned with her best friend, Casey is in a remote country town, where her parents are restoring an old, creaky, creepy house. Worst of all, everyone else in town thinks the old house is haunted. And soon Casey thinks so, too -- a vase explodes, a heavy china cabinet falls over on its own -- and it seems like the ghost doesn’t want them there. Casey thought she’d be dying of boredom, but now she’s scared to death!

The new face of big evil is a little . . . small. Dastardly deeds aren’t exactly the first things that come to mind when one hears the name “Clementine,” but as the sole heir of the infamous Dark Lord Elithor, twelve-year-old Clementine Morcerous has been groomed since birth to be the best (worst?) Evil Overlord she can be. But everything changes the day her father is cursed by a mysterious rival. Now, Clementine must not only search for a way to break the curse, but also take on the full responsibilities of the Dark Lord. But when it’s time for her to perform dastardly deeds against the townspeople—including her brand-new friends—she begins to question her father’s code of good and evil. What if the Dark Lord Clementine doesn’t want to be a dark lord after all?

Now reissued – William March's 1954 classic thriller that's as chilling, intelligent and timely as ever before. This paperback reissue includes a new P.S. section with author interviews, insights, features, suggested reading and more. What happens to ordinary families into whose midst a child serial killer is born? This is the question at the center of William March's classic thriller. After its initial publication in 1954, the book went on to become a million-copy bestseller, a wildly successful Broadway show, and a Warner Brothers film. The spine-tingling tale of little Rhoda Penmark had a tremendous impact on the thriller genre and generated a whole perdurable crop of creepy kids. Today, *The Bad Seed* remains a masterpiece of suspense that's as chilling, intelligent, and timely as ever before.

A gripping biography of the infamous Nazi doctor, from a former Justice Department official tasked with uncovering his fate. Perhaps the most notorious war criminal of all time, Josef Mengele was the embodiment of bloodless efficiency and passionate devotion to a grotesque worldview. Aided by the role he has assumed in works of popular culture, Mengele has come to symbolize the Holocaust itself as well as the failure of justice that allowed countless Nazi murderers and their accomplices to escape justice. Whether as the demonic doctor who directed mass killings or the elusive fugitive who escaped capture, Mengele has loomed so large that even with conclusive proof, many refused to believe that he had died. As chief of investigative research at the Justice Department’s Office of Special Investigations in the 1980s, David G. Marwell worked on the Mengele case, interviewing his victims, visiting the scenes of his crimes, and ultimately holding his bones in his hands. Drawing on his own experience as well as new scholarship and sources, Marwell examines in scrupulous detail Mengele’s life and career. He chronicles Mengele’s university studies, which led to two PhDs and a promising career as a scientist; his wartime service both in frontline combat and at Auschwitz, where his “selections” sent innumerable innocents to their deaths and his “scientific” pursuits—including his studies of twins and eye color—traumatized or killed countless more; and his postwar flight from Europe and refuge in South America. Mengele describes the international search for the Nazi doctor in 1985 that ended in a cemetery in Sao Paulo, Brazil, and the dogged forensic investigation that produced overwhelming evidence that Mengele had died—but failed to convince those who, arguably, most wanted him dead. This is the riveting story of science without limits, escape without freedom, and resolution without justice.

When Hannah moves next door to a spooky cemetery, she doesn't believe the legend of a ghost cat stalking the grounds, but the disappearance of her half-sister's cat Icky and strange occurrences around the house have her reconsidering.

"Beats The Silence of the Lambs for suspense—it's the kind of book that had me literally gasping aloud as it rattled to its incredible conclusion." —Cory Doctorow, New York Times bestselling author of Homeland What if the most terrifying person you know is your ten-year-old sister? Seventeen-year-old Aussie Che Taylor loves his younger sister, Rosa. But he's also certain that she's a psychopath—clinically, threateningly, dangerously. Recently Rosa has been making trouble, hurting things. Che is the only one who knows; he's the only one his sister trusts. Rosa is smart, talented, pretty, and very good at hiding what she is and the manipulation she's capable of. Their parents, whose business takes the family from place to place, brush off the warning signs as Rosa's "acting out." Now that they have moved again—from Bangkok to New York City—their new hometown provides far too many opportunities for Rosa to play her increasingly complex and disturbing games. Che's always been Rosa's rock, protecting her from the world. Now, the world might need protection from her.

Chloe never thought she'd have a friend as stylish, confident... or mysterious as Taylor. And Taylor definitely has secrets. She doesn't like to talk about where she's from, and she has a weird habit of predicting things before they happen. And she has a nasty jealous streak. Sometimes Taylor gets so green with envy she doesn't even seem human. So when a string of "accidents" hurts everyone who's ever had something Taylor wanted, Chloe is scared for her friend. Is Taylor just a mean girl or could she really be... some kind of monster?

Luckily, Hannah doesn't believe all the "ghost cat" stories she's heard about the graveyard. Not so luckily, the cemetery is the least of Hannah's troubles. Her stepsister, Madison, is the meanest girl in Hannah's grade. Her cat, Icky, has been missing since the move. And worst of all, Hannah can't sleep at night: Something keeps scratching at her door, but when she looks for it, nothing is ever there! Hannah's starting to wonder -- could those scary stories be true after all?

Gwen, Pete, and the others have escaped from Everland. But the safe haven they hoped to find at Alnwick Castle doesn't exist. With the Queen of England on her deathbed, Duchess Alyssa has stepped in, but things have gotten worse as the cure Doc created for the Horologia virus has mutated, accelerating the disease. The only possible solution he can think of is to go back to the virus's origin: an extinct poisonous apple. Legend has it a tree bearing the apple might be found at the center of a deadly labyrinth hidden deep within Germany. A place that no one in their right mind enters. With no other options, Alyssa sets out with only her sword, her wits, and the help of Maddox Hadder, a wild boy who oversees the castle gardens. To get to the center of the maze, she'll be forced to battle monsters more terrifying than her darkest nightmares. But can anyone truly survive the madness of the maze? And what if there's no apple to be found there?
