For years, Bailey's life has revolved around his adoration for Lock. The young shifter abandoned all his old hobbies and friends in order to worship the gorgeous rock star. Other people laugh off his theories about the seductive singer being in the closet, but Bailey is a hundred percent sure that it's true. When he doesn't manage to get tickets to Lock's latest concert, the omega fanboy comes up with a better plan. He'll wait outside and get Lock to autograph his back, then get the signature tattooed. Nothing could possibly go wrong. Lock Claybourne doesn't usually pop boners while making his way through crowds of screaming fans. He's strangely attracted to the boy outside his show - and not just because of the bold request that he makes. The electric hum that crackles between them is too intense to be imaginary. Lock needs to see this particular fan again, even if he can't explain why. But loving Bailey doesn't fit with Lock's bad boy image... and not everyone profiting from his success wants what's best for him. (Omega Groupie is Book 6 of the Fated Date Agency series. It also stands alone as a complete

Story of Earl J (Jesse) Crawford and his experiences during World War II in Europe. Humorous, ribald, powerful, and filled with wisdom, anecdotes, and shared affirmations, this collection of voices -- single and working moms, moms creating extended families, a mom with a special-needs child, moms trying to balance their needs against those of their children -- celebrates the quiet heroism of mothers. Inspired by Margaret Dragu's radio program, Mothers Talk Back features fifteen true accounts of mothering -- not the baby-blue-and-pink, sanitized nursery rhyme presented in the popular media, but explorations of the enormous (and underacknowledged) transformation that motherhood brings to a woman's sense of self, her mate, her body, and her connection to mothers throughout history.

This is an abridged version of You'll Be Perfect When You're Dead: The Collected Online Writings of Dan Harmon, a collection of some of Dan Harmon's Myspace blogs written in the years leading up to his work creating and running his NBC show Community The original 'unabridged' edition of this book only received a small printing and is no longer found available online, resulting in the existence of this edition. The entries included have been left entirely unedited.

This is a story of Robert Bagley's biography - his: family, faith, entrepreneurship, corporate sales experience, and then diving into being a full time reseller on Amazon

and back to corporate America (due to "Lessons Learned") - putting his Amazon business back to part time. This is not a "how-to" book for how to sell on Amazon and Ebay, just sharing my story and a few best practices I learned along the way. Please don't purchase this book if you want a step-by-step tutorial on how to be a re-seller on Amazon and Ebay. As a young professional, Robert Bagley climbed and overcame many corporate mountains eventually earning a high six-figure income with several Fortune 500 companies. Still, something was missing from his vocational career and he knew that he needed to add a small business to his lifestyle. This would bring a change that not only involved a lot of personal risks, but a good amount of faith as well. And, not just faith in himself. And so he embarked on what would prove to be the most incredible game-changing season of his life. You'll be inspired, motivated, challenged, and moved-to-action by Robert's life-story and how selling on Amazon and eBay pulled his career toward a whole new path of becoming an eCommerce entrepreneur. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Bella is a lucky girl - she has a good job, an unbreakable circle of friends, and a fiance better than her wildest dreams. So, why does she want to ruin the best thing that ever happened to her by letting someone from her past meddle in her life? Mike is consumed with the need to marry Bella and make her his as soon as possible. There is nothing he wouldn't do for the woman he loves, but letting her go is the one thing he'd rather avoid. Their love was fast, and their relationship was built over the miles. But does that mean that their future wasn't meant to be? When lies surface, and trust is shaken, will they choose each other? Or will someone else capture their happily ever after?

A single mom gets a tasty bite of undead romance in the second novel in the Broken Heart series. Ever since a master vampire became possessed and bit a bunch of parents, the town of Broken Heart, Oklahoma, has catered to those of us who don't rise until sunset—even if that means PTA meetings at midnight. As for me, Eva LeRoy, town librarian and single mother to a teenage daughter, I'm pretty much used to being "vampified." You can't beat the great side effects: no crow's-feet or cellulite! But books still make my undead heart beat—and, strangely enough, so does Lor?an the Loner. My mama always told me everyone deserves a second chance. Still, it's one thing to deal with the usual undead hassles: rival vamps, rambunctious kids adjusting to night school, and my daughter's new boyfriend, who's a vampire hunter, for heaven's sake. It's quite another to fall for the vampire who killed you...

Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection *Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard* (unpublished short story) Alone *Heaven's Calling Josh and Holly* could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more

than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street

wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. \* \* \* \* \*

August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes nit chronological ones. I have made a foray into fiction with an

asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

A group of children find that while play war can be fun, real war is no fun at all.

physics, astronomy, anatomy, and more along the way. Is slipping on a banana peel as hazardous to your health as the cartoons imply? Answer: Yes. Banana peels ooze a gel that turns out to be extremely slippery. Your foot and body weight provide the pressure. The gel provides the humor (and resulting head trauma). Can you die by shaking someone's hand? Answer: Yes. That's because, due to atomic repulsion, you've never actually touched another person's hand. If you could, the results would be as disastrous as a medium-sized hydrogen bomb. If you were Cookie Monster, just how many cookies could you actually eat in one sitting? Answer: Most stomachs can hold up to sixty cookies, or around four liters. If you eat or drink more than that, you're approaching the point at which the cookies would break through the lesser curvature of your stomach, and then you'd better call an ambulance to Sesame Street.

named Dek to execute her will. No matter that Dek didn't know the woman. No matter, too, that the woman's estate was only worth a few hundred. Happens all the time, the lawyer said. To Dek Elstrom, broke and huddling in a cold stone turret in the middle of February, the sound of seven hundred falling down his chimney is louder than his voice of reason. He agrees, heads up to a hamlet ten miles north of nowhere. But instead of finding an easy-to-close estate, he finds blood and the markers of a shattered life. And something worse: links to the darkest part of his own past. He races to chase down leads to the killer, and his own ghost...before the dead woman is killed again.

the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In **WHEN I STOP TALKING, YOU'LL KNOW I'M DEAD**, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with *Oh, God!*, *The Karate Kid* movies, and *Diner*, among others, and summing with Steven Soderbergh and *Ocean's Eleven*, *Twelve*, and *Thirteen*. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing--all the while counseling potentates, poets, and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . .well, the list goes on forever. And of course, the story is not yet over . . .as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool

A fascinating dialogue between the creator and a 46 year old woman who has been to hell and back

In a small wooded lot a busy woman stumbles upon a strange doll the neighbors possibly left. She attempts to reveal who brought the toy to her home, but she uncovers no real leads. Then when a letter turns up asking her to give the doll away as soon as possible, she ends up on the edge of reason as the doll is in the midst of being reclaimed by someone. The doll although small and cuddly resembles a somewhat black entity similar to a doll she keeps in her home, but

when a nearby psychic and fortune teller comes to her home asking her to give up the doll to keep her sanity, but she refuses. The stuffed animal then turns out to be more than she bargained for when the bear starts to grow a tail and red eyes. When she discovers those details, she desperately tries to send it away to a pawn shop owner, but the next day he ends up dead, and a new feeling that the stuffed bear may not be what she considered a stuffed cuddly toy anymore. The story focuses on the character of Mary, and the stuffed bear that she suddenly inherits when the doll is left on her doorstep. She finds that although the stuffed bear did have an owner, he ended up in a mental institution, and the bear was simply left behind, either by someone else or the bear itself. She doesn't want to come to the terms that it could have ended up on her doorstep, by itself, but when the tale that the previous owner claimed is finally revealed, she desperately searches for an answer to the horror of Truggle.

In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as

In the fall of 1974, Jackie Woods as a substitute teacher in Palm Beach County, has the misfortune to have a psychopathic student in her class her first year of teaching. This young man wants to avenge the humiliation he feels she had bestowed upon him. In 1979, at seventeen-years-old, along with an accomplice, he kidnaps her. When she is rescued, he stalks her, then confronts her at gun point but she steadfastly holds to her faith in her heavenly Father. She believes that God will protect her from this homicidal maniac. Along with her family, she

stays faithful to her convictions and the young man vents his rage upon two others he feels are blocking his plan of revenge toward the teacher. Jackie's son, Tim, now seventeen, trusts in the Lord to lead the victim of an attack to salvation and then shows a family how to keep their young child from becoming a menace to others. He also leads a Jewish family to a relationship with the Messiah of Gentile believers without compromising their heritage or culture. While living in West Palm Beach, Jackie travels to Butler, Ohio where she finds peace until the danger is over and she can return home.

Since its publication in 1842, *Dead Souls* has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition.
